Notes to the Financial Statements
For the period ended 31 December 2020

1. Accounting Policies

Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities in preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2015) - (Charities SORP (FRS102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102).

Dzidzo Foundation meets the definition of a public benefit entity under FRS102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Going concern basis of accounting

The accounts have been prepared on the assumption that the charity is able to continue as a going concern, which the trustees consider appropriate having regard to the current level of unrestricted reserves. There are no material uncertainties about the charity's ability to continue as a going concern.

Fund accounting

General reserves are unrestricted funds that are available for use at the Trustees' discretion in furtherance of the objects of the charity.

Incoming resources

All incoming resources are included in the SOFA when the charity is legally entitled to the income, is reasonably certain of receipt and the amount can be measured with sufficient reliability. In accordance with the SORP, no value has been attributed to the work performed by volunteers, although their work is considered vital to the activities of the charity.

Donations and gifts

Donations and gifts consist of the total donations from individuals, trusts and corporates, along with income from fundraising events.

Resources expended

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Costs of generating funds are those incurred in seeking voluntary income and do not include the costs of disseminating information in support of the charitable activities.

Charitable expenditure includes costs incurred directly by Dzidzo Foundation in the furtherance of its charitable objectives, along with associated support costs.

DZIDZO FOUNDATION
Notes to the Financial Statements
For the period ended 31 December 2020

Governance costs relate to the general running of the charity as opposed to those costs associated with fundraising or charitable activity. Included within this category are costs associated with internal audit and risk, as well as external audit costs, as opposed to day-to-day management of the charity's activities.
