Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>Fitzjohns Community Food (operating as Fitzjohns Food Bank for the purposes of Charity Commission registration) connects members of the local community who have time to give with those who need support. Based at Christ Church and open weekly on Monday afternoons, the project has become an increasingly important part of the local response to food insecurity and the cost-of- living crisis, working closely with partner organisations including the Lewes District Food Partnership and the Sussex Community Development Association to provide coordinated and holistic support.</p> <p>The project supports individuals and families facing a wide range of challenges, including loss or changes in income, ill-health, disability, low or insecure wages, caring responsibilities, housing instability and relationship breakdown. Many members experience multiple and overlapping forms of disadvantage.</p> <p>Over the past year, Fitzjohns Community Food has continued to grow and strengthen its offer. Between 1 August 2024 and 31 July 2025, the project had around 100 active member households and supported around 60 households weekly, which equates to around 150 people (including children). Each household receives at least three days' worth of fresh and dry food, alongside essential household items</p>

		<p>such as toiletries, cleaning products, baby supplies and pet food, typically to the value of around £40.</p> <p>Fitzjohns also provides a range of volunteering opportunities to members of the community, enabling social connections and contributions and providing training opportunities, particularly in our community kitchen. Fitzjohns 42 active volunteers, contributing around 3000 volunteer hours a year.</p> <p>A key development has been the transition to, and consolidation of, a Community Food Club model, now in its third year. New members receive an initial six weeks of free support, after which they are asked to contribute £3.50 per week. This approach helps shift the dynamic from emergency provision to a more dignified, community-based model, where members are active participants rather than passive recipients. The contribution enables greater food choice, improves quality and range, and supports the sustainability of the project. Feedback from members has been overwhelmingly positive, with 95% reporting that they found the provision good value for money and the same amount said it "helped them worry less about the cost of living crisis" and they felt "welcomed and valued as a member".</p> <p>The project has also expanded beyond food provision to offer a wider package of support. A community café, providing hot meals and refreshments, is now a central part of the offer, creating a warm and welcoming space for social connection. Members can also access social activities, community events, volunteering opportunities, and one-to-one support through a Community Navigator, who supports members on a 1-2-1 basis with issues such as benefits, housing, debt, etc. We also run a Hardship Fund where members can apply for support for unexpected & emergency costs and grants of between £50-£500. 34 Hardship Fund requests were supported in the period between July 2024 and August 2025</p> <p>Fitzjohns supports the wider community by offering a consistent and reliable service, one that people know about and feel comfortable to refer their friends and neighbours to. Our services are accessible and people can self-refer meaning that they can access support quickly and without unnecessary and stigmatising barriers. This builds trust and a sense of</p>

		<p>belonging in the community, especially for those that volunteer with the project. Our Community Events (BBQs, autumn harvest, etc) are open to all and bring together different groups of people to celebrate community and good food, contributing to a neighbourhood that knows and looks out for each other and "breaks bread together".</p>

Review of the charity's financial position at the end of the period	Para 1.21	After building up a substantial surplus in previous years the charity is now in the process of ensuring that its resources are properly utilised, while retaining a reasonable level of reserves. At that point we are likely to face a choice between seeking more external funding or reducing the scope of our activities.

Accounting policies

2.2 INCOME

This standard list of accounting policies has been applied by the charity except for those ticked "No" or "N/a". Where a different or additional policy has been adopted then this is detailed in the box below.

Recognition of income	These are included in the Statement of Financial Activities (SoFA) when: <ul style="list-style-type: none"> the charity becomes entitled to the resources; it is more likely than not that the trustees will receive the resources; and the monetary value can be measured with sufficient reliability. 	Yes <input checked="" type="checkbox"/>	No <input type="checkbox"/>	N/a <input type="checkbox"/>
Offsetting	There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.	Yes <input checked="" type="checkbox"/>	No <input type="checkbox"/>	N/a <input type="checkbox"/>

Legacies	In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP). The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution. Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet.
