Purposes and Aims

Our charity's purposes as set out in the objects contained in the company's memorandum of association are to:

□ benefit the public by promoting wellbeing of every individual, and support communities who are in need of either emotional or physical support. Our aims fully reflect the purposes that the charity was set up to further.

Ensuring our work delivers our aims

We review our aims, objectives and activities each year. This review looks at what we achieved and the outcomes of our work in the previous 12 months. The review looks at the success of each key activity and the benefits they have brought to those groups of people we are set up to help.

The review also helps us ensure our aim, objectives and activities remained focused on our stated purposes. We have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aim and objectives and in planning our future activities. In particular, the trustees consider how planned activities will contribute to the aims and objectives they have set.

The focus of our work Our main objectives for the year continued to be the promotion of wellbeing in society.

Equal access to our support is an important issue for us. In addition to our current monitoring of access to our services by gender, disability and sexual orientation. We believe equal access to our services is vital to our success and that successful outcomes must be shared by all communities that use our support services.

**Summary of the main achievements of the charity during the year****Covid19**

Due to the pandemic, we could not meet as we used to do and it was not possible to meet face to face as per normal. Instead, we have supported young people with paintings and colour books. This was well received. We supported individuals with shopping and food handouts.

Our next project is to continue to support wellbeing in the communities as well as branching out and supporting the homeless such as with "Soup kitchen" etc as well as providing basic training for free such as First Aid, Food Safety, Health and Safety etc to empower each individuals.

God bless everyone
