FOR ENGLAND AND WALES

Trustees' Annual Report for the period

From 01/08/2020 **Period start date**
To 31/07/2021 **Period end date**

Charity name: Aid Infinity

Charity registration number: 1184792

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	The objects of the charity are as follows: The prevention or relief of poverty both nationally and internationally The relief of those in need by reason of youth, age, ill-health, disability or financial hardship. To provide relief after natural disasters. To advance education; and to help young people, especially but not exclusively through leisure time activities, so as to develop their capabilities that they may grow to full maturity as individuals and members of society.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	We have undertaken projects in Bangladesh, Lebanon and Yemen. The donations and funding have been used to provide relief to those who need it the most. Due to the conflict in Myanmar many Rohingya refugees have fled to Bangladesh, and we have focussed on providing support in response to this. In Yemen where the people have been suffering hardship due to the civil war, there was a demand for aid and relief, and we have aimed to address this. In Lebanon there was an explosion affecting many people who lost family/providers and friends.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	The trustees have considered the guidance issued by the Charity Commission regarding public benefit.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	At Aid Infinity we have successfully provided aid and support internationally for countries including Bangladesh and Yemen. We have seen the impact that both significant projects have had. Bangladesh is country in central Asia and it is a developing poor nation. Due to the conflict in Myanmar a large number of Rohingya refugees fled to Bangladesh in fear of persecution and genocide. They are a minority group who has faced discrimination, violence and extreme poverty for decades. Lebanon was in immediate need of support, and we raised and provided much needed funds to help those affected by the unfortunate explosion in Beirut.
