Independent examiners' report on the unaudited accounts to the trustees of the Acharya Shri Vidyasagar Digambar Jain Charitable Trust London UK

I report to the trustees of the Acharya Shri Vidyasagar Digambar Jain Charitable Trust London UK (the Charity) on the accounts for the year ended 31 August 2024, which comprise the Statement of Financial Activities, the Balance Sheet and the related notes.

This report is made solely to the Charity's trustees, as a body. My work has been undertaken so that I might state to the trustees those matters I am required to state to them in an independent examiners' report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Charity and the Charity's trustees as a body, for my work, for this report or for the opinion I have formed.

As described in the statement of trustees' responsibilities in the Trustees' Report, the Charity's trustees are responsible for the preparation of accounts and they consider that the charity is exempt under section 144 of the Charities Act 2011 (the 2011 Act) and exempt under part 16 of the Companies Act 2006 and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under Charities Act and is eligible for independent examination, it is my responsibility to:

- Examine the accounts under section 145 of the 2011 Act;
- To follow the application Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- To state whether particular matters have come to my attention

Basis of independent examiners' report

My examination was carried out in accordance with the General Directions given by the Charity Commission. My examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiners' statement

In connection with my examination, no matter has come to my attention:

1. which gives me reasonable cause to believe that in, any material respect, the requirements:

Notes to the accounts

Year ended 31st August 2024

1 Accounting policies

a. Basis of accounting

The accounts have been prepared in accordance with the Statement of Recommended Practice Accounting and Reporting by Charities: statement of recommended practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102 effective 01 January 2015); (Charities SORP FRS102), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102), and the Charities Act 2011 and the Companies Act 2006.

The Charity is exempted from preparing cash flow statement due to adoption of the exemption available (update 1B Feb 2016) to the charities with income less than £500,000.

Assets and liabilities are initially recognised as historical cost or transaction value unless otherwise stated in the relevant accounting policy or note.

b. Going concern

The trustees consider that there are no material uncertainties about the charitable company's ability to continue as a going concern and meet ongoing costs, bank and other loan payments.

The trustees do not consider that there are any sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next reporting period.

c. Company status

The charitable company has no share capital. Under the terms of CIO, the Trustees of the charity are also the members and are liable to contribute a sum not exceeding £1 in the event that the company is wound up whilst they are a member or for one year thereafter. The number of trustees at present is 9.

d. Public benefit entity

The Acharya Shri Vidyasagar Digambar Jain Charitable Trust London UK meets the definition of a public entity under FRS102.

Concessionary loans

The charity has received interest free loans from certain trustees and other members which have been fully repaid as of the end of the financial year reporting. The loans have been treated as public benefit concessionary loans under the definition in the Financial Reporting Standard FRS102. These loans are reported at the amount received. The loans have been discounted to their present value and the liability in subsequent years is not recognised at amortised cost using the effective interest rate method.

e. Fund accounting

Unrestricted funds are incoming resources receivable or generated for the furtherance of the objectives of the Charity without a specified purpose and are available as general funds. Resources expended which meet these criteria are charged to the funds, together with a fair allocation of staff and support costs.

Notes to the accounts

Year ended 31st August 2024

1 Accounting policies (continued ...)

Restricted funds are used for the specific purposes laid down by the donor or sponsor. Resources expended which meet these criteria are charged to the funds.

f. Tangible fixed assets

Fixed assets are stated at cost less accumulated depreciation. The Charity considers that the existing freehold building is maintained in a good state at the end of the year after renovations and the life of the building considered to be long. As it was not possible to segregate the value of building from the freehold no depreciation has been charged on freehold land and residual building value.

Depreciation is charged on remaining asset cost over its estimated useful economic life on a straight-line basis as follows:

Fixtures & Fittings – 20% (5 years)

At each reporting date, the charity reviews the carrying value of its tangible assets to determine whether there is an indication of an impairment loss and values estimated to recoverable amounts.

g. Debtors

Debtors are recognised at the settlement amount due after allowing for any discounts and as per the terms agreed. Prepayments are valued at the amounts prepaid for services and accrued income are valued at the amounts due per terms agreed and there is certainty of receipt.

h. Cash and cash equivalents

Cash at bank and cash in hand includes bank balance kept in current and deposit accounts.

i. Income

Income is recognised in the period when the charity has entitlement to the funds, any performance conditions attached to the income have been met, it is probable that the income will be received and that the amount can be measured reliably and is not deferred.

Income received in advance of the provision of a specified service is deferred until the criteria for income recognition are met.

Income comprises of funds received from donations, events and activities and are included either as unrestricted funds and used for general purposes of the charity or donation received for purpose specified by the donor as restricted funds. They are recognised in the Statement of Financial Activities in the Period.

The value of services provided by volunteers has not been quantified and included in the accounts.

j. Interest receivable

Interest on funds held in bank accounts is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank.

Notes to the accounts

Year ended 31st August 2024

k. Expenditure

Expenditure incurred is recognised in the period once there is a legal constructive obligation to make a payment to a third party. It is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure includes attributable VAT which cannot be recovered and is classified under the following activity heading:

- Costs of raising funds relate to the costs incurred by the charitable company in including third parties to make a voluntary contribution to it, as well as the cost of any activities with a fundraising purpose and their directly attributable or allocated associated support costs.
- Expenditure on charitable activities include the costs of charitable activities that is undertaken to further the purpose of the charity and their directly attributable or allocated associated support costs.

Expenditure is allocated to the particular activity where the cost relates directly to that activity. Both staff (none for the financial year) and support costs have been allocated to each activity (see Note 5 for allocation).

l. Management and Maintenance costs

These are management and maintenance costs and comprise expenditure not directly attributable to the generated funds, charitable or fund-raising activities of the charity, but relate to expenditure incurred in the management of the charity and maintenance of the temple building.

m. Taxation

The Charity is exempt from taxation on its charitable activities, as it is a registered charity.

2 Critical accounting estimates and judgements

There are no significant areas of judgement or key sources of estimation uncertainty arising from the preparation of accounts.
