Summary of the main achievements of the charity during the year

The lockdown has severely restricted fund-raising activity this year, but we have still been able to send £3538 for the construction of a road from the main road to the land we helped purchase last year.

The Charity we have sent the money to in India for them to construct the road is the same as before: Mercy Integrated Rural Health Care Ministries – Indian FCRA Registration Number 010190316

The Charity in India has asked us not to send any more money to them until they are free enough from Lockdown to start building work on the land previously purchased, and we intend to do that from reserves as soon as they give us the go ahead
