Memorandum and Article of Association.

WALTHAM FOREST LIONS CLUB is a registered charity.

Trustee Selection Method

The basis of selecting new trustees is by way of identifying people who regularly attend events and functions organized by the Trust, show an interest in and volunteer to help out during these activities. These people are then invited to attend Trustees meetings as observers.

They are then given more details of the Trust's aims and objectives. Upon satisfaction that these are in line with their ideology of charity work and after due consideration of the person's eligibility, personal competence, specialist knowledge and skills they are proposed as new trustees by the existing ones at the subsequent meeting where they are appointed by the current Board members.

Prior to their appointment, new trustees are introduced to the Charity's Policies and adherence to clauses D, E & T of our Constitution are ensured. Charity procedures are covered, where they become aware of the scope of their responsibilities under the Charities Act. They are then attached to an existing trustee who they assist on the projects and activities run by the charity. After satisfactory feedback from existing trustees, they are appointed as board members and then given the task to deal with project/activity on their own and are regularly monitored through meetings.

Statement of Trustees responsibilities

Decision making

To decide who and to what amount food aid is liable for a potential recipient.

Risk review

The management committee has conducted a review of the major risks, which the charity is exposed to and systems have been established to mitigate those risks. Significant external risks to funding have been reduced by the development of a strategic plan, which will allow for development only when the funds are in hand or have been guaranteed. Internal risks are minimized by the implementation of procedure for authorization of all transactions and projects and to ensure consistent quality of delivery for all operational aspects. These procedures are periodically reviewed to ensure that they still meet the needs of the charity.

YEAR ENDED 30TH JUNE 2023

1. ACCOUNTING POLICIES

Basis of accounting

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008), and the requirements of the Statement of Practice 'Accounting and Reporting by Charities' issued in March 2005 (SORP 2005)

Incoming resources

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

- Voluntary income is received by way of grants and is included in full in the statement of financial activities when receivable. Grants, where entitlement is not conditional on the delivery of a specific performance by the charity, are recognized when the charity becomes unconditionally entitled to the grant.
- Donations are the main source of income for the Charity. Those classified as Zakat, Fitra and Sadaqat are for the specific purpose of distribution to the poor and are treated as restricted funds.
- Gifts in kind – properties and other fixed assets donated to the charity are included as voluntary income at market value at the time of receipt.
- Donated services and facilities are included as voluntary income at their estimated value to the charity when received, and under the appropriate expenditure heading depending on the nature of service or facilities provided, at the same value and time.
- Income from 'gift aid' reclaims is recognized for donations received prior to the year end for which 'gift aid' certificates apply.

Funding accounting

Funds held by the charity are either:

- Unrestricted general funds – these are which can be used in accordance with the charitable objects at the discretion of the trustees.
- Designated funds – these are funds set aside by the trustees out of unrestricted general funds for specific future purposes or projects.
- Restricted funds – these are funds that can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Risk review

The management committee has conducted a review of the major risks, which the charity is exposed to and systems have been established to mitigate those risks. Significant external risks to funding have been reduced by the development of a strategic plan, which will allow for development only when the funds are in hand or have been guaranteed. Internal risks are minimised by the implementation of procedure for authorisation of all transactions and projects and to ensure consistent quality of delivery for all operational aspects. These procedures are periodically reviewed to ensure that they still meet the needs of the charity.

NOTES TO THE FINANCIAL STATEMENTS

YEAR ENDED 30TH JUNE 2021

1. ACCOUNTING POLICIES

Basis of accounting

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008), and the requirements of the Statement of Practice 'Accounting and Reporting by Charities' issued in March 2005 (SORP 2005)

Incoming resources

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

- Voluntary income is received by way of grants and is included in full in the statement of financial activities when receivable. Grants, where entitlement is not conditional on the delivery of a specific performance by the charity, are recognised when the charity becomes unconditionally entitled to the grant.
- Donations are the main source of income for the Charity. Those classified as Zakaat, Fitra and Sadaqat are for the specific purpose of distribution to the poor and are treated as restricted funds.
- Gifts in kind – properties and other fixed assets donated to the charity are included as voluntary income at market value at the time of receipt.
- Donated services and facilities are included as voluntary income at their estimated value to the charity when received, and under the appropriate expenditure heading depending on the nature of service or facilities provided, at the same value and time.
- Income from 'gift aid' reclaims is recognised for donations received prior to the year end for which 'gift aid' certificates apply.

Funding accounting

Funds held by the charity are either:

- Unrestricted general funds – these are which can be used in accordance with the charitable objects at the discretion of the trustees.
- Designated funds – these are funds set aside by the trustees out of unrestricted general funds for specific future purposes or projects.
- Restricted funds – these are funds that can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

NOTES TO THE FINANCIAL STATEMENTS

YEAR ENDED 30TH JUNE 2021

1 ACCOUNTING POLICIES (continued)

Resources expended

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which relates:

- Costs of generated funds comprise the costs associated with attracting voluntary income and the costs of trading for fundraising purposes.
- Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.
- Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include the audit fees and costs linked to the strategic management of the charity.
- All costs are allocated between the expenditure categories of the SoFA on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly; others are apportioned on an appropriate basis.

Fixed assets

All tangible fixed assets are initially recorded at cost. Additions costing more than £200 are capitalised.

Depreciation

Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows:

Freehold Property	- Depreciation over 50 years
Fixtures, Fitting & Equipment	- 20% on reducing balance method
Motor Vehicles	- 25% on reducing balance method

Restricted Funds

Restricted funds are those funds on which these are externally imposed restrictions and these are legally binding on the trustees in terms of how the funds may be used. Zakat, Fitra and Sadaqat donations have been included in this category. It is policy of the charity not to use these funds for the construction of the Centre.
