

Annual Return for BETHEL BAPTIST CHURCH FARNHAM
(Registration number: 1184983)

There has been no activity this period as the CIO has no assets and is not functioning at the moment.

The Trustees along with our lawyers Edward Connor, have submitted a Scheme to the Charities Commission to amend some of our documents and Deeds and we are awaiting their response. Once these changes are agreed, we will proceed with the process of transferring the assets from the CUA to the CIO.
