

Annual Return for BETHEL BAPTIST CHURCH FARNHAM
(Registration number: 1184983)

There has been no activity in 2023 as the CIO had no assets and was not functioning in this period .

In 2022 the Trustees along with our lawyers Edward Connor, submitted a Scheme to the Charities Commission to amend some of our documents and Deeds. These were approved by the Charities Commission in November 2022 & February 2023. During 2023 we proceeded with implementing the Scheme and transferring the assets from the CUA to the CIO. This was completed on 31st January 2024 and therefore next year we will be submitting our first Annual Return as a CIO.
