### **Statement of Trustees' Responsibilities**

The trustees are responsible for preparing the report and accounts in accordance with applicable law and UK Accounting Standards.

The law applicable to charities in England and Wales requires the trustees to prepare accounts for each financial year which give a true and fair view of the state of affairs of the Society and of the incoming resources and application of resources for that period.

In preparing the accounts the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- Observe the methods and principles of the charities SORP
- make judgements and estimates that are reasonable and prudent;
- Follow applicable accounting standards, subject to any material departures disclosed and explained in the financial statements and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the company will continue its activities.

The trustees are responsible for keeping adequate accounting records which disclose with reasonable accuracy at any time the financial position of the Society and enable them to ensure that the accounts comply with the Charity Act 1993, the Charity (Accounts and Report) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the Society and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
