Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>During the year work focused on completing the garden infrastructure. This started in April 2021 with the installation of mains electricity to the site, bringing an end to use of portable generators for power. We were fortunate to have a qualified electrician volunteer to complete the wiring to the buildings on site. Later in the year we were successful in obtaining a grant from Southern Water to fund the sewer connection for the disabled toilet on site. A network of water pipes were also laid providing towns water supply to the far end of the site. Disabled ramps were also built and installed into the Community Hub building and the Gazebo, making these areas accessible.</p> <p>A donated kitchen was installed within the shipping container to host our 'grow cook and eat' project and a kitchenette in the Community Hub building so that users can enjoy a hot drink.</p> <p>As a team we were delighted to be finalists in the Ashford in Bloom competition for the best Communal Garden. We were also featured in the 'Ashford For You' magazine which led to several new volunteers joining the team. We hosted the Mayor of Ashford in January 2022 which was followed up with his chosen charity using our facilities for their 'Wellbeing day'.</p> <p>At Halloween we held our first large community event, a Halloween 'Spookacular' with over 100 local families attending the free event.</p> <p>Finally we registered to be a beneficiary of the new Ashford Community Lottery providing another [albeit small] income stream for the charity.</p>
