- V. Mercy Charity.

Text to Donate Facility for the New Year 2020 launched and piloted.

NOVEMBER 2019 - Application/Request received from Pastoral Support and Family Support Officer of the Federation of St Elphege's Schools, Surrey, to support a family in crisis, as a matter of urgency, with no support to assist her with logistics, which was her moving from her temporary accommodation to another permanent accommodation which is very close to the school.

Mercy Charity is aware of family as we have previously supported this vulnerable single mum with four children in the month of July 19. Although, the move will ease the burden of the family reducing their time spent on travel to school.

However, Mercy Charity Trustees believe there should be a process in place when council rehouses lone parents as Ms A and as a way forward we will require Ms A to provide an official quote from the removal company. This is crucial for our records and for reference. As Trustees were deliberating on this case, the school have since made some other arrangements for the Applicant to cover the logistic costs
