Names of the trustees for the charity, if any (for example, any custodian trustees)

Name	Dates acted if not for whole year

Section A**Reference and administration details (continued)**

Names and addresses of advisers (optional information)

Type of adviser	Name	Address

Name of chief executive or names of senior staff members (optional information)

Section B**Structure, governance and management**

Description of the charity's trusts

Type of governing document
(eg trust deed, constitution)How the charity is constituted
(eg trust, association, company)Trustee selection methods
(eg appointed by, elected by)

Additional governance issues (optional information)

You **may choose** to include additional
information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
 - relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

Section C

Objectives and activities

Summary of the objects of the charity set out in its governing document

To advance education, through provision of academic support and resources for young people
To promote links between schools and industry
To develop and facilitate career preparation, work experience and improve employability skills
To advance any other purpose which is recognised as exclusively charitable under the laws of England and Wales and Scotland.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Support young people in education through:

- The provision of tutors to provide academic support to pupils preparing for exams;
- Partnerships with schools; and
- The encouragement of pupils, raising aspirations and confidence in addition to academic support.

Additional details of objectives and activities (optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

The Maths Society (TMS) is committed to improving the academic outcomes of young people from disadvantaged backgrounds. Our approach is evidence-based, using baseline assessments and progress checks to monitor the impact of our tutoring.

TMS published its 2019-20 Impact Report. The country was still in lockdown and schools closed. The report celebrates the charity's achievements from the previous year – both before and after the pandemic struck – and also highlights the significant impact Covid-19 has had on education and the disadvantaged pupils.

Key achievement:

From September 2020 to present, TMS supported 108 disadvantaged pupils, in 27 schools across NW London, in and around Harrow.

The charity's incredible tutors delivered 998 tutoring sessions to pupils in this time.

During the time of delivery, pupils made an average of +24% progress from their initial assessment, conducted at the start of their programme, to their progress assessment in February.

Even before the crisis, disadvantaged pupils were, on average, already 18 months behind their non-disadvantaged peers by the end of secondary school. Projections suggest school closures will widen this gap, reversing all progress made to narrow it since 2011. Studies suggest it could widen by as much as 75%.

Launching our online delivery proved vital in the following months. In 2020, TMS had all our online programmes underway. With the school closures in early 2021, the charity was able to quickly adapt its provision so that all our pupils were on the online programmes. We were up and running in a matter of weeks, providing valuable tutoring support to pupils.

Section E**Financial review**

Brief statement of the charity's policy on reserves

The trustees aim to maintain free reserves in unrestricted funds at a level which equates to approximately three months of unrestricted charitable expenditure. The trustees consider that this level will provide sufficient funds to respond to applications for bursaries and ensure that support and delivery costs are covered.

The reserves policy is reviewed annually where specific factors affecting the level of reserves are looked at, primarily contractual obligations for tutors, with changes being made as necessary.

Details of any funds materially in deficit

Further financial review details (optional information)

You **may choose** to include additional information, where relevant, about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The total income for the period was £2005 -

The total expenditure for the period was £16475 leading to a net surplus of £3529.

80% of the expenditure is spent on supporting the key objectives of The Maths Society
Expenditure included the following:

- Tutor fees; including production of tutoring resources, DBS checks
- Office costs, including rent and admin

Section F**Other optional information**

Going concern

The Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future.

Section G**Declaration**

The trustees declare that they have approved the trustees' report above

Signed on behalf of the charity's trustees
