Independent Examiner's Report to the Trustees of Square Peg Activities Limited

Year ended 31 August 2024

I report to the trustees on my examination of the financial statements of Square Peg Activities Limited ('the charity') for the year ended 31 August 2024.

Responsibilities and basis of report

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements

Year ended 31 August 2024

1. General information

The charity is a public benefit entity and a private company limited by guarantee, registered in United Kingdom and a registered charity in England and Wales. The address of the registered office is 37 Gate Lane, Sutton Coldfield, B73 5TR, England.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements in conformity with generally accepted accounting principles requires the Director to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of turnover and expenses during the reported period. Actual results in the future could differ from those estimates. In this regard, the Director believes that there are no key judgements or estimates necessary.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

3. Accounting policies *(continued)*

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

Square Peg Activities Limited

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 31 August 2024

3. Accounting policies *(continued)*

Tangible assets *(continued)*

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses, except to which it offsets any previous revaluation gain, in which case the loss is shown within other recognised gains and losses on the statement of financial activities.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Fixtures and fittings	- 25% straight line
Equipment	- 25% straight line

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

Financial instruments

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Square Peg Activities Limited

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 31 August 2024

3. Accounting policies *(continued)*

Financial instruments *(continued)*

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

Defined contribution plans

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refund.

When contributions are not expected to be settled wholly within 12 months of the end of the reporting date in which the employees render the related service, the liability is measured on a discounted present value basis. The unwinding of the discount is recognised as an expense in the period in which it arises.

4. Limited by guarantee

The company is limited by guarantee and has no share capital. Every member of the company undertakes to contribute to the assets of the company, in the event of a winding up, such an amount as may be required not exceeding £1.

Although there has been some challenges during the past 12 months, the Board of Trustees are delighted at how the charity has still managed to grow and evolve.

We have complete faith in the management team and can see that they are recruiting some fantastic support staff. The board is working on plans to support with improving structure and implementing new reporting methods as well as increasing our knowledge on governance.

Additionally we are looking to recruit more trustees who can bring specialist expertise to the charity to support its growth

It was our aim to increase provision for disabled adults

- We ran 17 sessions for disabled adults
- 71 adults have attended with or without carers, we're following their lead on activities

CLUBS

Our clubs are aimed at special interests, meaning that children can attend after school clubs as mainstream children do, providing them the equality of opportunity they deserve. Two of which are highlighted below:

Lego Club has been re-established and is currently used by up to 15 children each week. Although there is lots of Lego fun, the children are also able to use the gardens and sensory room giving them a variety of opportunity.

Home Education Club has grown so much that we have had to increase it to two sessions per week.

Youth Club is a new project which has grown from strength to strength. It is our first drop and go session for children age 11-18. We have already had to increase numbers from 10-14 as it is so popular.

Gaming Club attracts different families every month and is a great way for children to game in a social environment

Pre-school Group is for children with or suspected to have a disability, we also welcome their siblings

Outcome

Youth Club

Create a group for over 11's where children are dropped off and they can have their own space.

- The group is thriving and we've already had to expand
- The kids choose all their activities and bring tuck money in to help with independence

Second Home Ed Club

The group has expanded so it was time to start a second session

- A new Friday Storytime session has been set up which is a great addition to the Tuesday free play group.

The year in review

The year has continued to see all our staple activities with a couple of additions. We have increased numbers of attendees to a maximum of 30 during school holiday activities as we have had more staff to cover the sessions meaning we can support more children than ever before.

We continue to work closely with local SEN colleges and provide their students Work Experience in a variety of roles including admin, gardening, play work and painting/decorating. We treat all our volunteers and work experience students with the same respect and conditions as staff so interview and reference them to ensure the standard is as required.

The two play staff who joined us last year were still with us and return in whichever school holidays they can manage around their university commitments. The children enjoy the familiarity of having regular staff members so this is something that we have learned we will continue in the future. We still recruit volunteers from 6th form colleges and schools which is great for the children to have younger people there to support them

FUTURE PLANS

The plans for moving premises have been revisited and it has been decided that the time isn't right for a big move, that is would be too costly and disruptive. This has been put on hold until another plan can be formulated that would be more cost effective and relevant.

There are plans for more recruitment to be undertaken in the next few months. A new Business Improvement Manager will be recruited to take the role of operations and also to move us into the digital age and to bring fresh ideas. This will allow the current Operational Director to focus on what she does best, funding.

Summer Highlight

Summer holidays are always our biggest undertaking. It is looked forward to by children, parents and staff. It's a mammoth planning and implementing exercise but is so worth the effort. Disappointingly this year funding from the local council was cut by 43% so we had to dig deep to deliver more home grown activities with less trips and visiting entertainment than we usually provide. Summer 2024 saw a host of new families attend along side our regulars creating new friendships and community.

Winter Highlight

The theme for this Christmas was The Grinch where the colour green was very evident in all areas of the centre. Outside was the marquee area that represented "Whoville" where the children could throw snowballs and enjoy the outdoor fun. We provided a magical Santa experience for 84 children over two full days. This remains one of our most loved activities.

Finances

2023/2024

Total Income £187,922

Donations £15,394

Trusts & Foundation £170,952

Funding

Other revenue £1,576

Total Expenditure £153,167

RESERVES POLICY: We aim to hold unrestricted free reserves sufficient to cover 6 months operating costs which are currently £77,000

The Charity and Trustees are currently investigating further ways to develop sustainable funding streams. It is the duty of the Trustees to monitor reserves available to be able to fund the activities of the charity and they regularly review the reserves required to meet known and estimated expenditure in furtherance of the charity's objectives and for its administration

RESTRICTED FUNDS

Restricted funds which are received from Trusts or Foundation funders can only be applied to defined activities. Restrictions can either arise because of a condition set by a donor/funder on how income may be applied or because an appeal raises funds for a defined area of concern/activity. Restricted Funds carried forward from 2023/2024 are £41,537

Risk management

The trustees have a duty to identify and review the risks that the charity is exposed to and to ensure appropriate controls are in place to provide reasonable assurance against fraud or error. Key risks to Square Peg Activities have been identified and recorded on the Risk Register, alongside appropriate mitigation plans. The charity will report back to the trustees at all board meetings and keep them informed of any new risks identified. Based on the register, the top three principal risks to the charity have been identified as being:

ISSUE: Lack of skill in operating good governance

SOLUTION: Chair of Trustees to upskill her own knowledge and disseminate to the other trustees.

-This goal has is in the process of being met. The Chair is undergoing training as well as bring knowledge gained in her role as trustee of a larger charity.

ISSUE: Lack of volunteers

SOLUTION: Employ a new member of staff to be responsible for building a team of and managing volunteers

-This goal has been met by the recruitment of the Delivery and Outreach Coordinator whose role is partly to reach out to schools and colleges to recruit volunteers. To date this has been very successful.

ISSUE: Lack of business acumen for proposals to move premises

SOLUTION: recruit a pro-bono business mentor to support the preparation of a robust business plan

-This goal has been met. We have been fortunate to gain the pro-bono services of Cranfield Trust who donated a mentor for six months to help build the business plan, this has been completed

ISSUE: Lack of networking with external organisations

SOLUTION: recruit a new member of staff to take responsibility for networking

Again the Delivery and Outreach Coordinator is meeting this goal with her networking amongst other providers at local events.

Statement of Public Benefit

Under the Charities Act 2011, charities are required to demonstrate that their aims are for the public benefit. The two key principles which must be met in this context are, first, that there must be an identifiable benefit or benefits; and, secondly, that the benefit must be to the public, or a section of the public. Charity trustees must ensure that they carry out their charity's aims for the public benefit, must have regard to the Charity Commission's guidance, and must report on public benefit in their Annual Report. Square Peg Activities Limited Board of Trustees regularly monitors and reviews the success of the organisation in meeting its key objective of providing appropriate leisure activities for children with disabilities and their families. The trustees confirm, in the light of the guidance, that these aims fully meet the public benefit test and that all the activities of the charity, described in the Trustees' annual report, are undertaken in pursuit of these aims

Independent Examiner's Report to the Trustees of Square Peg Activities Limited

Year ended 31 August 2023

I report to the trustees on my examination of the financial statements of Square Peg Activities Limited ('the charity') for the year ended 31 August 2023.

Responsibilities and basis of report

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements

Year ended 31 August 2023

1. General information

The charity is a public benefit entity and a private company limited by guarantee, registered in United Kingdom and a registered charity in England and Wales. The address of the registered office is 37 Gate Lane, Sutton Coldfield, B73 5TR, England.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements in conformity with generally accepted accounting principles requires the Director to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of turnover and expenses during the reported period. Actual results in the future could differ from those estimates. In this regard, the Director believes that there are no key judgements or estimates necessary.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

3. Accounting policies *(continued)*

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

Square Peg Activities Limited

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 31 August 2023

3. Accounting policies *(continued)*

Tangible assets *(continued)*

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses, except to which it offsets any previous revaluation gain, in which case the loss is shown within other recognised gains and losses on the statement of financial activities.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Fixtures and fittings	-	25% straight line
Equipment	-	25% straight line

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

Financial instruments

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

3. Accounting policies *(continued)*

Financial instruments *(continued)*

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31/08/2021.

**Responsibilities and
basis of report**

As the charity's trustees (who are also directors of the company for the purposes of company law), you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement [~~The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of [insert name of applicable listed body]]. Delete [] if not applicable.~~

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination, other than that disclosed below, which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 386 of the Companies Act 2006; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities

~~I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.~~
