TRUSTEES' REPORT **FOR THE PERIOD 28 AUGUST 2019 TO 31 AUGUST 2020**

OBJECTIVES AND ACTIVITIES

Significant activities

During the charity's first year we have established our objectives and undertaken the following activities:

1 - EVENTS

Live Music Events at The Universal God Centre (The UGC)

Most weekends whenever possible we have held live music events at the UGC- to help provide music to the community about the concepts of love, peace, kindness, tolerance, respect, forgiveness, hope, gratitude etc. while also raising money for other charities through donations from those who attend. It also helps to provide opportunities for the community to share their talents and gifts with others to help in our cause while providing them with the opportunity to be 'creative' and 'inspire' others in doing so.

Charity Fundraising Projects (At The UGC)

We have held various events and been involved in a variety of charity fundraising projects at the UGC for the benefit of our community. Some examples include- children's birthday party to help raise money for Oxfam projects in Africa (£150), 'little bags of kindness' project by providing space for volunteers in the community to be involved with making over 1000 lunch bags for children during half term holidays, the homeless project where we worked with the Shrewsbury ARK charity to raise over £1500 worth of new clothes and food bags for the homeless during the winter period. Some of our music events have helped raise funds for other charities such as medicines sans frontier (£200). Children from various schools have also been in helping to be 'creative' and sell their items to help raise money for various local charities in the community such as 'SHARE', 'THE RED CROSS', 'AGE UK' and 'OXFAM'. This has helped to encourage children to take part in charity fundraising by using their gifts and talents and they have in order to help others.

We hope that in the year 2021 and going forward we can help support even more charities both locally and to help reach a wider group of people who are in need.

Working with other charities

The space at the center is available for use by other charities in the community who wish to hold charity fundraising events or workshops for the benefit of the public and for their own purposes.

Interfaith Events (At The UGC) and on social Media via 'Zoom'

Dr Simon Nightingale (a retired consultant Neurologist and Humanist) has been chairing several regular free monthly Interfaith events at The Universal God Centre as part of the charity 'Universal God: Message of Peace'- open to all individuals from different backgrounds, and religious beliefs to join and share their perspectives and understandings of some very useful concepts relevant to the aims and objectives of the charity. During the difficult COVID-19 period we have offered these events online via 'zoom' which has also worked very well. Attendees included people from Buddhist, Humanist, Muslim, Jewish, and Christian backgrounds and the feedback has been very positive.

Talks from persons of different religious backgrounds e.g. 'compassion' talk by Buddhist Monk. 'Rosh Hoshana' event educating about the Jewish festival. Christmas 'Peace Day' event to celebrate Christmas.

During the Jewish 'Rosh Hoshanna' festival the UGC provided a free meal as part of a banquet for our community as part of an educational event to teach about the Jewish teachings which are relevant to the charitable aims and objectives.

We have started doing talks at the UGC about the concepts which unite humanity from different perspectives including a recent talk by a monk called 'Tom Stacey' about compassion from a Buddhist perspective. We hope to do more of these talks from different perspectives in 2021.

UNIVERSAL GOD: MESSAGE OF PEACE

TRUSTEES' REPORT **FOR THE PERIOD 28 AUGUST 2019 TO 31 AUGUST 2020**

OBJECTIVES AND ACTIVITIES

Weekly Prayer services (open to all)- interactive.

Up until the COVID-19 period we have offered free weekly prayer and meditation services for the benefit of the general public on Fridays- where anyone can join to learn teachings from Abrahamic Scriptures about the concepts of humanity relevant to the charity and share their thoughts and experiences and understanding. This has been followed by the Islamic Friday prayer service- open to all who want to either observe or participate from different backgrounds. We hope to restart this group prayer service and also offer more services each weekend in the year 2021 when possible.

Children's wellbeing workshops

Fortnightly children's mindfulness and well-being workshops started in November 2020 at the UGC and will recommence hopefully in the new year. This will be led by therapists who are trained in working with children and part of proceeds/donations will go to charity. Workshops will provide children with the opportunity to be creative and share their work with others while educating about the concepts of gratitude, loving kindness, compassion, forgiveness, awareness, respect etc. Workshops will provide an opportunity for children to learn methods of self-reflection, meditation and mindfulness as a way of dealing with common emotional challenges that many children are facing during this difficult time such as anxiety, low mood, bereavement issues, post traumatic stress symptoms etc.

Adult Well-being workshops

We have held many well-being workshops at the UGC for the benefit of the public- mostly free (and asking for kind donations which go to charity). Organised and run by June Maegher (therapist and healer, and also trustee for the charity) along with other therapists with special interest in mindfulness, wellbeing, meditation, reiki, healing therapies.

The UGC will be a sponsor for the large 'Well-Being' Event at the Quarry park in Shrewsbury organized by our manager June Maegher which will be offering our community a variety of different ways to seek help for emotional, mental, spiritual and physical wellbeing. Dr Lale Tuncer (Trustee for the charity) will be doing a talk on the concept of 'Gratitude' for this event.

Mental Health support workshops for TMBSS and FCA

Before lockdown the UGC offered weekly workshops to help children with mental health problems and behavioural issues for TMBSS between the ages of 11 and 16. Workshops involved educating about concepts such as bullying and encouraged children to take responsibility for their behaviour while allowing them to utilize the space at the centre for their own well-being. We hope to restart this in the new year if possible.

The Foster Care Agency (FCA) utilised the space at the UGC on a monthly basis up until lockdown in the 2019-2020 period where the foster carers could meet up and discuss and share thoughts, ideas, concerns and expectations with each other and benefit from the therapies available at the centre for their own mental and spiritual well-being. Dr Lale Tuncer has offered a free PowerPoint presentation to the carers specifically concentrating on mental well-being from both a medical and spiritual perspective directed both at carers and for the benefit of the children that they look after.

Therapy services provided

We offer a variety of free and paid therapies for the public at the UGC both one to one and group therapies including mindfulness, meditation, yoga, reiki, reflexology, counselling. All therapists who utilise the space donate 20% of their earnings towards the charity or hire the space for their own service provision.

TRUSTEES' REPORT **FOR THE PERIOD 28 AUGUST 2019 TO 31 AUGUST 2020**

OBJECTIVES AND ACTIVITIES

Provision of Creative opportunities

We are offering space at the UGC for the homeless/vulnerable in our community on a weekly basis to take part in creative workshops such as writing poetry, art, and music and then sharing this with others. Creative writing clubs are free and open to all members of the public.

Real-Life Stories Events

We welcome and provide space for 'real-life stories' events for people from all different backgrounds to be able to share their reflections on personal journeys and life experiences that are relevant to the concepts of the charity with others in order to help inspire and help give purpose and meaning to their negative experiences.

Weekly mother and baby groups

The charity allows the use of space on a weekly basis for free- for mother and baby groups to help support those in our community who struggle with postnatal issues such as depression and anxiety.

Providing volunteer opportunities for the community

We have been actively seeking and providing opportunities for voluntary charity work at the UGC for help during events and services offered to our community. Volunteers have given excellent feedback about how their experience as a volunteer has helped with their own mental and spiritual well-being.

2 - MARKETING

Use of Social Media (FB, Instagram, Twitter)

The Charity has an Instagram page which helps to educate, inspire and promote the teachings of the Abrahamic Faith- from original sources (Scriptures) to help educate about the concepts of love, peace, kindness, gratitude, forgiveness, compassion, perseverance, hope, joy, integrity, truthfulness, faith, humility and respect. The Instagram page has almost 1500 followers so far and is growing. @god.universal

The Charity has set up a Facebook page for 'The Universal God Centre' and also a 'UGC Events' page to help advertise any events that we are doing at the Centre. The page has almost 1,000 followers so far. This page is also used to share any photos and videos that are taken at the centre and to advertise any online zoom events that have been taking place during the lockdown period for COVID-19.

A Twitter page has been set up for the charity and we hope to be developing this in the near future as well.

Leaflets/Posters/Flyers

We have designed and made some leaflets and posters which are available at the Universal God Centre for service users to take for free, to help inform them about the aims and objectives of the charity. We often make posters and flyers to help to advertise upcoming events at the Centre for the benefit of the community.

TRUSTEES' REPORT **FOR THE PERIOD 28 AUGUST 2019 TO 31 AUGUST 2020**

OBJECTIVES AND ACTIVITIES

Charity Website

The charity website, universalgodmessageofpeace.org, educates about the teachings of love, compassion, kindness, peace, tolerance, respect, integrity, forgiveness, gratitude, hope, faith, perseverance, patience, truthfulness, integrity, joy- by combining a general understanding of these concepts based on the teachings from Abrahamic Scriptures. There is a section on Mental, emotional, spiritual and physical well-being from an Abrahamic perspective. It also has a section looking at the scientific perspective of life and humanity based on writing from Dr Andrew Dore (Former Trustee) The writing is currently based on the perspective and understanding of the Founder and trustee Dr Lale Tuncer but we hope to bring in new perspectives and develop this website further so that it becomes more open to others to share. The charity website also gives readers insight into our up and coming events and projects.

Radio

Dr Lale Tuncer and Ms. June Maegher have both been on BBC Radio Shropshire a few times during the year 2019-2020 talking about the charity, its aims and objectives, events that we have been involved in such as the homelessness project, and space provision for the 'little bags of kindness' project as well as to talk about the different services we offer such as mindfulness, yoga, meditation, reflexology, reiki, and availability of other services for the benefit of the community such as a multi-faith prayer room and space to use for community charity work.

Dr Lale Tuncer has also been on radio several times to do a 'pause for thought' session discussing some concepts such as love and compassion from a humanity perspective that are relevant to the charity aims and objectives.

Public benefit

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the charity commission relating to public benefit and in particular to its supplementary public benefit guidance.

FINANCIAL REVIEW

Financial position

The financial position of the charity in it's first period has clearly been significantly impacted by the COVID-19 pandemic and the resulting closure of the centre. It was anticipated that the income generated by the charity's activities would have supported the rent costs as well as the refurbishment, but instead this has been funded by donations. Furthermore the charity has taken out a Bounce Back loan to support the charity in the short term, which the Trustees anticipate will be repaid as soon as possible.

Reserves policy

The charity was intending to establish a small reserve in it's first year, which has not been possible due to the impact of COVID-19. Going forward the intention is to build up reserves to cover 2-3 months running costs.

Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. For this reason they continue to adopt the going concern basis in preparing the financial statements.

UNIVERSAL GOD: MESSAGE OF PEACE

TRUSTEES' REPORT FOR THE PERIOD 28 AUGUST 2019 TO 31 AUGUST 2020

FUTURE PLANS

Due to the COVID-19 period, some of the planned projects which we hoped we would set into place by the end of 2020 have been delayed due to risk of spread of infection, periods of temporary closure and government COVID-19 policies. However during this period, the trustees have been working on developing alternative methods to help us achieve our aims and objectives such as use of zoom and social media for talks and meetings instead of use of space at the UGC, and for developing the charity website so that our service users can access information this way.

Plans for future development include:

Continuation and development of all the above described activities that the charity has been involved with so far.

Working closely with 'OMEGA' charity end of life care to help offer vulnerable elderly groups support with loneliness, depression, anxiety, spiritual well-being support, counselling etc. OMEGA will be using the space at the centre for events aimed at supporting this group of people in our community and their families.

Doing more community charity fundraising projects to help support other local charities for the benefit of the community and also to raise awareness and promote the act and importance of charitable giving as a way of sharing with others, helping others but also for our own mental and emotional wellbeing.

Spiritual Well-being Days- which can be tailored to meet the needs of specific groups of people e.g. health care workers, carers, businessmen, fire-service, police, teachers etc.

Space hire for Baby Naming ceremonies and celebratory events

Development of a video service which helps to provide service users support with emotional, mental and spiritual well-being through one to one and group therapy sessions involving discussion about the concepts of soul therapy (from an Abrahamic perspective)- and the concepts of kindness, love, compassion, forgiveness, gratitude, respect, humility, patience, hope, etc. and support with helping to overcome negative feelings of anger, hate, envy, greed, lust etc. that can sometimes cause problems in our lives. The support and advice will be based on an 'Abrahamic' perspective and based upon teachings of the Abrahamic Scriptures and traditions but will be accessible to people from all backgrounds and traditions. The aim of this project will be to help people especially with common symptoms of depression and anxiety and post traumatic stress/ bereavement etc. and will be tailored to suit their personal needs by doctors who have special interest in these areas. This will be a free service with a welcomed donation which will go to the charity 'Universal God: Message of Peace.' Grants will be applied for to help fund this service once we have done a trial pilot study and received evidence that it is beneficial to others and helping the charity with achieving its aims and objectives.

Real Life Stories - events where members of the community can themselves volunteer to share wisdom and knowledge that they have learnt from their own stories and life experiences with others to help change negative emotions and experiences into something positive that helps others in our community. These may be done via zoom and can be integrated with other charities from anywhere in the world in order to reach out to as many people as possible.

The 'School Project' - offering local schools the opportunity to organise classroom visits for up to 30 children at a time to take part in well-being workshops including mindfulness, meditation, yoga, creative workshops, real-life stories, talks, etc. Grants may be applied for this project so that we can offer it to schools free of charge or we may ask for a donation contribution from parents/schools.

Relationship counselling group workshops

Bereavement counselling workshops- very much needed at the moment due to the COVID-19 pandemic

Educational Film events- for both adults and children

UNIVERSAL GOD: MESSAGE OF PEACE

TRUSTEES' REPORT FOR THE PERIOD 28 AUGUST 2019 TO 31 AUGUST 2020

Art Therapy classes for both adults and children

More live music events- involving different types of music from different cultures and traditions to help celebrate diversity in language and race.

Poetry and creative writing projects- every Thursday from the 7th January 2021(if allowed due to COVID-19) - the homeless and vulnerable members of our community are free space to get together and be creative together and share their work with others. We will be working closely with 'The Shrewsbury ARK' for this project who will be organising and running it at the Universal God Centre.

The Rainbow Recovery Project- working with people recovering from mental illness/ or addiction/ bereavement by providing an opportunity for them to do some voluntary work in the community as part of their 'healing' and sense of 'purpose' and by providing creative opportunities for them to express themselves and 'recover' through 'giving' to others in our community while offering support with common mental health symptoms. This project will be led by Julie Simpkin, a mental health nurse in Shropshire and will be free of charge.

More Prayer services open to all members of the public in our multi-faith prayer room on a weekly basis to either participate in or observe for educational purposes so that our community and service users can learn about and hopefully unite in the concepts of 'humanity' from different spiritual backgrounds and traditions with the aim of promoting peace and harmony between people of different beliefs. Any service offered will concentrate on promoting religious harmony through encouragement of the concepts of love, peace, forgiveness, respect, gratitude, humility, kindness etc. and by discouraging actions that are harmful to humanity and life. There will be no proselytizing or preaching allowed, although persons of different faiths or backgrounds will be able to pray or perform rituals/services according to their own religious teachings for educational purposes as long as it does not break the rules of the centre or cause any harm or offence to service users. The Centre asks that the seven Noahide commandments are respected at all times during prayer services in order to help keep the peace between those of the Abrahamic traditions. Please refer to the Policy and Procedure handbook for the Universal God Centre for more information about rules and regulations.

We will be working to develop further - the website content to help support online those individuals with mental health and emotional health problems who cannot access the UGC - this information will be free and accessible for all people across the globe in multiple languages.

Development of our social media sites for further promotion of the concepts that help to promote peace and harmony between people of different faiths and backgrounds, and in order to share creative videos and music that helps to inspire others and unite humanity.

Wellbeing and self development course. June Meagher and Dr Lale Turner are creating a self development course which will be available online to those interested in personal development. The course which will be offered on a donation basis to ensure access to all, will have 3 levels:

1. Beginners
2. Intermediate
3. Advanced

Although the course will be online there will be opportunities to meet at the centre to discuss the course content e.g. gratitude, anger, greed and other topics.

POST COVID recovery for the community. Many members of the community have been isolated for months and, in some cases for over a year. We will be offering them a safe and spacious place for them to integrate back into the community again once restrictions are fully lifted.

Wellbeing in the Workplace - June and Lale have devised a Wellbeing in the Workplace workshop which will be offered to all local and regional businesses to help them help their staff and create a better working environment.

TRUSTEES' REPORT **FOR THE PERIOD 28 AUGUST 2019 TO 31 AUGUST 2020**

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity was registered as a Charitable Incorporated Organisation (CIO) on the 28th August 2019 and its governing document is based on the CIO Foundation Model.

Recruitment and appointment of new trustees

All new appointed trustees must have a specified role for the charity that will be of benefit for the charity in terms of helping to achieve its aims and objectives.

If trustees vote in favor of recruiting another trustee to the board with adequate reason for the best interests of the charity, any of the trustees may suggest opening the position to someone they may know that they think would be beneficial for the charity and its beneficiaries. Prior to appointing new trustees, there will be an introductory process whereby the new person is introduced to the board of trustees in a meeting and roles discussed and any questions addressed. This will be like an informal interview. After the meeting trustees will vote either to appoint or not appoint the potential new trustee. If the majority agree to appoint the new trustee, and if the individual is happy to proceed, a copy of the governing document, policy and procedure handbook, business plan, trustee declaration form and other relevant document will be emailed over to the individual and he or she will be given 2 weeks to complete and sign relevant documents. During this period the individual may choose that he or she is not interested to take on this role.

If trustees agree (majority vote) a formal recruitment process can be put into place to try to recruit more trustees, along with a formal interview process for recruitment.

No external body or person is allowed to recruit on behalf of the charity any new trustees to the board without the consent of the trustees majority vote.

Induction and training of new trustees

If an individual is happy to take on the role of trustee, signs and completes the forms, and then later changes his or her mind they may resign at any given point (written resignation addressed to either the Charity Commission or to the board of trustees) who will then forward to the Charity Commission on their behalf as long as the charity board has at least 3 members on the trustee board after they resign; This is because our Governing document requires that there are a minimum of three trustees on the board at any given time.

The new trustee will decide on what role he or she would like to take on (must be a role that the majority of the other trustees agree would be beneficial for the aims and objectives of the charity) and will be encouraged to share his or her ideas on how to carry out this role with the charity director (Dr Lale Tuncer) who will be working closely with new trustees in helping them to achieve their objectives. Any major decisions will be discussed at the quarterly trustee meetings. In the meantime trustees can share thoughts and ideas with each other either privately or in a group via email as long as the discussions are in the best interests of the charity and comply with the governing rules/policy/procedures.

All trustees will be invited to take part in quarterly trustee board meetings, where the director will take minutes and share with everyone after the meeting. Any member who has questions/issues/concerns that need to be addressed by all other trustees are welcomed to bring these to the meetings.

If a trustee has any specific issue or concern which they would like to discuss or have support with, will be able to have personal one to one supervision sessions with either Lale Tuncer or another trustee of their choice from the board at any given time.

TRUSTEES' RESPONSIBILITY STATEMENT

The trustees (who are also the directors of Universal God: Message of Peace for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland"

UNIVERSAL GOD: MESSAGE OF PEACE

TRUSTEES' REPORT
FOR THE PERIOD 28 AUGUST 2019 TO 31 AUGUST 2020

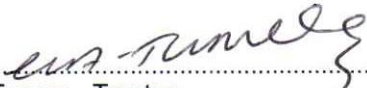

TRUSTEES' RESPONSIBILITY STATEMENT - continued

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
