To act as a resource for young people by providing advice, assisting and organising programmes of education and other activities as a means of:**

- *a) Developing their skills, capacities and capabilities;*
- *b) Advancing education;*
- *c) Relieving unemployment’.*

**Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**

#### **Young People 4 Young People**

Youth Link saw the need to support NEET (Not in Education, Employment or Training) teenage vulnerable girls with psychosocial support, early childhood development, nutrition education and sexual reproductive health & rights and farming. In total there were 36 beneficiaries that the Youth Link team worked with directly and indirectly 250 beneficiaries benefited from the services. Our 36 beneficiaries were mostly mothers or pregnant teens. Since Covid-19 has reversed a lot of the great work performed to restore communities by many NGOS in Uganda. There is now again, a great deal of work to be done to implement new initiatives that revitalise communities and provide hope, seen as so many have lost it.

Through our partnership work collaborating with parasocial workers from the local medical centres to offer counselling and utilising the team skills from the previous financial years' Covid-19 project, we actively responded to the relief of poverty and financial hardship by providing resources in the form of childcare, products, medical care and farming start up kits empowering our beneficiaries to be self-sufficient and become leaders of entrepreneurship through sustainable farming practices.

In collaboration with Ignaga District, Youth Link Networks was able to donate Afripads to 200 girls to stop period poverty and reduce numbers on absenteeism. The team was also able to assist with planting over 1,000 trees to mitigate climate change.

Finally, Youth Link Networks was able to conduct HIV and STI testing and screening services, alongside condom distribution and Sexual Reproductive Health & Rights (SRHR) dissemination.

We can confirm that all Trustees have read, understood, and adopt the guidance issued by the Charity Commission on public benefit declaration.

**Additional details of objectives and activities (Optional information)**

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.
