The Foundation tests all its activities against the objectives set out in the trust deed dated 02nd September 2019. The trustees meet annually to review the previous year, examine the accounts and plan the year ahead.

Recruitment and appointment of new trustees

The same trustees have been in post since the inception of the Foundation and no additional recruitment has been necessary since. The trustees were selected on the basis that they had a long standing commitment to the causes set out in the objectives, and had no conflicts of interest with the activities of the charity.

Apart from the first trustees, every trustee must be appointed by a resolution passed at the properly convened meeting the charity trustees.

In selecting individuals for appointment as trustees, the charity trustees must have regard to the skills, knowledge and experience needed for the effective administration of the CIO.

Organisational structure

The trustees meet at least six times a year, during which the trustees agree the broad strategy and areas of activity for the Trust, including consideration of fund-raising activities, investment, reserves and performance.

Risk management

The trustees have reviewed all major risks to which the charity is exposed and systems have been established to mitigate these risks.

OBJECTIVES AND ACTIVITIES

Objectives and aims

The objects of the charity are to further such charitable purposes (charitable under English law) as the trustees see fit from time to time, aiming to help those in need, whether that is providing assistance directly or through third parties.

The charity is not restricted to those who they assist. The trustees wish to help/support any independent individual who is worthy of the organisations help, whether they assist the individual/group of individuals/organisation directly or through other larger charities/voluntary bodies who have identified an area of need or to donate funds/goods organisation in general for them to use towards charitable purposes.

Donation Making Policy

The trustees consult regularly to discuss the making of donations.

FINANCIAL REVIEW

Reserves policy

The Charity currently has free reserves equal to the value of the Charity's unrestricted funds.

Investment policy and objectives

During the year ended 31st July 2025 the Trust received income of £2,828 and expended £4,748 on charitable and governance activities.

The Trustees present their annual report together with the unaudited financial statements of THE TALWAR FOUNDATION for the year 01/08/2024 to 31/07/2025. Since the Company qualifies as small under section 382 of the Companies Act 2006, the Strategic report required of medium and large companies under the Companies Act 2006 (Strategic Report and Directors' Report) Regulations 2013 has been omitted.

The trustees are responsible for preparing the Report of the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The Charity is a Charitable Incorporated Organisation with no voting members other than its Charity Trustees, constituted under an "Association" Model Constitution dated 02nd September 2019 and is a Registered Charity, number 1185132

The Foundation tests all its activities against the objectives set out in the trust deed dated 02nd September 2019. The trustees meet annually to review the previous year, examine the accounts and plan the year ahead.

Recruitment and appointment of new trustees

The same trustees have been in post since the inception of the Foundation and no additional recruitment has been necessary since. The trustees were selected on the basis that they had a long standing commitment to the causes set out in the objectives, and had no conflicts of interest with the activities of the charity.

Apart from the first trustees, every trustee must be appointed by a resolution passed at the properly convened meeting of the charity trustees.

In selecting individuals for appointment as trustees, the charity trustees must have regard to the skills, knowledge and experience needed for the effective administration of the CIO.

Organisational structure

The trustees meet at least six times a year, during which the trustees agree the broad strategy and areas of activity for the Trust, including consideration of fund-raising activities, investment, reserves and performance.

Risk management

The trustees have reviewed all major risks to which the charity is exposed and systems have been established to mitigate these risks.

OBJECTIVES AND ACTIVITIES

Objectives and aims

The objects of the charity are to further such charitable purposes (charitable under English law) as the trustees see fit from time to time, aiming to help those in need, whether that is providing assistance directly or through third parties.

The charity is not restricted to those who they assist. The trustees wish to help/support any independent individual who is worthy of the organisations help, whether they assist the individual/group of individuals/organisation directly or through other larger charities/voluntary bodies who have identified an area of need or to donate funds/goods organisation in general for them to use towards charitable purposes.

Donation Making Policy

The trustees consult regularly to discuss the making of donations.

FINANCIAL REVIEW

Reserves policy

The Charity currently has free reserves equal to the value of the Charity's unrestricted funds.

Investment policy and objectives

The Trust's current investment strategy is to hold all monetary assets with our bank, using short-term fiduciary placements to maximise interest received on deposits held.

During the year ended 31st July 2022 the Trust received income of £4835 and expended £8271 on charitable and governance activities.

The Trustees present their annual report together with the unaudited financial statements of THE TALWAR FOUNDATION for the year 01/08/2022 to 31/07/2023. The Annual report serves the purposes of both a Trustees' report and a directors' report under company law. The Trustees confirm that the Annual report and financial statements of the charitable company comply with the current statutory requirements, the requirements of the charitable company's governing document and the provisions of the Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019).

Since the Company qualifies as small under section 382 of the Companies Act 2006, the Strategic report required of medium and large companies under the Companies Act 2006 (Strategic Report and Directors' Report) Regulations 2013 has been omitted.

The trustees are responsible for preparing the Report of the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities In England and Wales requires trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the Incoming resources and application of resources of the charity for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently; observe the methods and principles in the Charity SORP;
- make judgements and estimates that are responsible and prudent;
- state whether applicable accounting standards have been followed, subject to any departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Talwar Foundation

They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other Irregularities.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The Charity is a Charitable Incorporated Organisation with no voting members other than its Charity Trustees, constituted under an "Association" Model Constitution dated 02nd September 2019 and is a Registered Charity, number 1185132

The Foundation tests all its activities against the objectives set out in the trust deed dated 02nd September 2019. The trustees meet annually to review the previous year, examine the accounts and plan the year ahead.

Recruitment and appointment of new trustees

The same trustees have been in post since the inception of the Foundation and no additional recruitment has been necessary since. The trustees were selected on the basis that they had a long standing commitment to the causes set out in the objectives, and had no conflicts of interest with the activities of the charity.

Apart from the first trustees, every trustee must be appointed by a resolution passed at the properly convened meeting the charity trustees.

In selecting individuals for appointment as trustees, the charity trustees must have regard to the skills, knowledge and experience needed for the effective administration of the CIO.

Organisational structure

The trustees meet at least six times a year, during which the trustees agree the broad strategy and areas of activity for the Trust, including consideration of fund-raising activities, investment, reserves and performance.

Risk management

The trustees have reviewed all major risks to which the charity is exposed and systems have been established to mitigate these risks.

OBJECTIVES AND ACTIVITIES

Objectives and aims

The objects of the charity are to further such charitable purposes (charitable under English law) as the trustees see fit from time to time, aiming to help those in need, whether that is providing assistance directly or through third parties.

The charity is not restricted to those who they assist. The trustees wish to help/support any independent individual who is worthy of the organisations help, whether they assist the individual/group of individuals/organisation directly or through other larger charities/voluntary bodies who have identified an area of need or to donate funds/goods organisation in general for them to use towards charitable purposes.

Donation Making Policy

The trustees consult regularly to discuss the making of donations.

FINANCIAL REVIEW

Reserves policy

The Charity currently has free reserves equal to the value of the Charity's unrestricted funds.

Investment policy and objectives

The Trust's current investment strategy is to hold all monetary assets with our bank, using short-term fiduciary placements to maximise interest received on deposits held.

During the year ended 31st July 2021 the Trust received income of £150 and expended £2,120 on charitable and governance activities.

The Trustees present their annual report together with the unaudited financial statements of THE TALWAR FOUNDATION for the year 01/08/2020 to 31/07/2021. The Annual report serves the purposes of both a Trustees' report and a directors' report under company law. The Trustees confirm that the Annual report and financial statements of the charitable company comply with the current statutory requirements, the requirements of the charitable company's governing document and the provisions of the Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019).

Since the Company qualifies as small under section 382 of the Companies Act 2006, the Strategic report required of medium and large companies under the Companies Act 2006 (Strategic Report and Directors' Report) Regulations 2013 has been omitted.

The trustees are responsible for preparing the Report of the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities In England and Wales requires trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the Incoming resources and application of resources of the charity for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently; observe the methods and principles in the Charity SORP;
- make judgements and estimates that are responsible and prudent;
- state whether applicable accounting standards have been followed, subject to any departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other Irregularities.

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustee for particular future project or commitment.

Incoming resources

All income is included in the statement of financial activities when entitlement has passed to the charity, it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.
