Brief financial review of the year

Income trends

Circuit income of £300,973 was primarily received from assessments paid by the circuit churches and contributions but associated organisation towards their staff remuneration cost. Interest received increased significantly compared to last year. Most income received was in line with budgeted Income.

Expenditure trends

Total expenditure was £ 416,396. Stipend costs were mainly covered through the assessments from churches. £120,000 of the expenditure was for a building on Lord's Street – Biddulph as a replacement of the Park View Church, Biddulph. 22.8% of the revenue expenditure part of the expenditure was the Circuit's contribution to the Stoke Chester District, of which a significant part is used to fund the work of the wider Methodist Church. Other expenditure includes manse maintenance running cost and training cost for the year.

Fund balances

The Circuit's net current assets on 31 August 2023, excluding designated funds, were £276,639 giving over 4 months of cover for expenditure.

Financial Plans for 2023/24

Circuit financial plans for the coming year have been prepared on the basis that there will be 2 full-time ordained staff, 1.5 lay pastors, and other paid lay- workers with the anticipated cost of living stipend increases combined. In addition, there was a budgeted increase of 12.13% on district assessment.

Structure, Governance, and Management

The governing document for the Circuit is the Deed of Union (1932) and the Methodist Church Act (1976). Detailed governance arrangements are outlined within the Constitutional Practice and Discipline of the Methodist Church by order of the annual conference (CPD).

Day-to-day management of the Circuit is undertaken by the Circuit Leadership team along with the Local Preachers' meeting, the Circuit Finance and Property Committee, and the Circuit Policy Committee.

Trustee Training

A range of guidance produced by Methodist Connexion to support the effective running of the Circuit, specifically the leaflet 'The Role of a Trustee in The Methodist Church,' is given to all new Circuit meeting members as an induction to their role as trustees. The district provided grants towards a training activity over the year.

Related Parties

The Circuit is part of the Chester and Stoke on Trent District and is also accountable to the Methodist Conference.

The Stoke on Trent Mission Circuit is made up of the following churches:

Gateway Methodist Church

Mount Pleasant Methodist Church

Oasis Community Church

Packmoor Methodist Church

Potters Church

Swan Bank Methodist Church

The Village Church

Wesley Hall Methodist Church

Whitehill Methodist Church

Risk Management

The major risks have been identified and recorded by the Circuit meeting, Circuit Leadership Team, and the Circuit Finance and Property Committee, with professional advice taken as required.

There is a regular annual review process undertaken and recorded.

Income and expenditure are being monitored in total and are compared with the approved annual budget on a quarterly and yearly basis to detect trends as part of the risk management process to avoid unforeseen calls on reserves.

Safeguarding

Every person has value and dignity, which comes directly from the creation of males and females in God's own image and likeness. Christians see this potential as fulfilled by God's re-creation of us in

Christ. Among other things, this implies a duty to value all people as bearing the image of God and, therefore, to protect them from harm.

Methodist Connexional practice outlines commitment to the following principles:

- The care and nurture of, and respectful pastoral ministry with, all children, young people, and adults
- The safeguarding and protection of all children, young people, and adults when they are vulnerable.
- The establishment of safe, caring communities which provide a loving environment where there is informed vigilance as to the dangers of abuse.
- We will carefully select and train all those with any responsibility within the church, in line with Safer Recruitment principles, including the use of criminal records disclosures and registration with the relevant vetting and barring schemes.
- We will respond without delay to every complaint made which suggests that an adult, child, or young person may have been harmed, cooperating with the police and local authority in any investigation.
- We will seek to work with anyone who has suffered abuse, developing with them an appropriate ministry of informed pastoral care.
- We will seek to challenge any abuse of power, especially by anyone in a position of trust.
- We will seek to offer pastoral care and support, including supervision and referral to the proper authorities, to any member of our church community known to have offended a child, young person, or vulnerable adult.
- In all these principles, we will follow legislation, guidance, and recognised good practice.

The Stoke on Trent Mission Circuit commits itself to ensure the implementation of the Connexional Safeguarding Policy, government legislation, guidance, and safe practice in the Circuit and in the churches.

The Stoke on Trent Mission Circuit is committed to providing support, advice, and training for lay and ordained people that will ensure people are clear and confident about their roles and responsibilities in safeguarding and promoting the welfare of children and adults who may be vulnerable.

Reserves Policy

The Reserves Policy for the Circuit is to hold a minimum sum equivalent to 4 months' average expenditure. This should be sufficient to meet any unforeseen item of major expenditure on manses and/or to be able to continue, in the short term, funding planned activities in the event of any inability to raise the full Circuit Assessment from churches. Refer to the financial review section above.

Notes to the Accounts

1 Basis of accounting

The financial statements have been prepared under the Charities Act 2011 in accordance with the 2014 version of Accounting and Reporting by Charities: Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with FRS102 – the Charities SORP (FRS102) and taking note of the Update Bulletin 1 issued in 2016.

2 Funds

The funds held constitute: General Funds held for any purpose of the Circuit, which is Unrestricted. The Circuit Model Trust Fund has wide purposes defined in Standing Orders and is categorised as unrestricted. Restricted funds are held for a narrower purpose. There are no Endowment funds. Details of each material fund are disclosed in the final note to these accounts. Any funds may be represented by more than just cash.

3 Accounting policies

Basis

These accounts have been prepared based on historical cost, except those investments are shown at their market value at the end of the year, on the accrual basis, to show a true and fair view of the Circuit's financial position and activities.

Incoming Resources

Income is recognised in the Statement of Financial Activities (SOFA) when the Circuit becomes entitled to the resources, the trustees are reasonably certain they will receive the resources, and the monetary value can be measured with sufficient reliability.

Resources Expended

Expense is recognised when there is a reduction in economic benefit. Provisions for expense are also recognised when the Circuit has a present legal or constructive obligation, and it is probable that there will be an outflow of economic benefit, which can be reliably measured.

Grants

Grants made by the Circuit from its own funds are recognised in full at the time of the agreement or when the Circuit accepts that there is a legal or operational obligation to make the payment.

VAT

Since the Circuit is not VAT registered, all input VAT is charged with the expenses to which it refers.

Tangible fixed assets for use by the Circuit

Tangible fixed assets are capitalised if they can be used for more than one year and cost at least £200. The freehold manses are revalued at their estimated market value at the end of the year. No depreciation has been calculated on the land and building, as trustees consider any depreciation would not be material. The properties have been reviewed for impairment and trustees believe no impairment has occurred. Impairment of the manses is recognised when there are reasons to believe that their recoverable amounts are less than the carrying value. The recoverable amount is the higher of the fair value, less cost to sell, and the value in use of the manses.

Investment Properties

Investment properties - no property is currently deemed to not be held for the long-term purposes of the Charity.

Investments

Investments are valued in the balance sheet at market value at the year-end. Investment income is included in the accounts when receivable, and any gains or losses on revaluation at the year-end are shown in the SOFA.

Debtors

Debtors were made up of prepayment expenses and accrued income. The prepaid expenses include one month's ministers' stipends paid in advance and any other prepaid expenses. The accrued income relates to accrued contributions due from churches and other associated organisations.

Creditors due under one year

These are recognised when there are present obligations for the circuit to transfer economic resources as a result of past events.

Independent Examiner's Report to the Trustees of the

Stoke on Trent Mission Circuit

Charity Number: 1185146

Responsibilities and basis of the report

I report to the trustees on my examination of the accounts of the Stoke on Trent Mission Circuit for the year ended 31 August 2023, set out on pages 7 to 18. As the Circuit's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Circuit's accounts carried out under section 145 of the Act and, in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent Examiner's Statement

The Circuit's gross income exceeded £250,000, and I am qualified to undertake the examination by being a qualified member of The Institute of Chartered Accountants in England and Wales.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in any material respect:

- the accounting records were not kept in accordance with section 130 of the Act; or
- the accounts do not accord with the accounting records; or
- the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view, which is not a matter considered as part of an independent examination.
- the trustees' annual report is not consistent with the accounts.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
