Jennyfield Evangelical Church

REPORT OF THE TRUSTEES

FOR THE YEAR ENDED 31 DECEMBER 2024

The Trustees have pleasure in submitting the Report and Accounts for the year ended 31 December 2024.

Aims and purposes

The charity, which is a church, is governed by a trust deed and is constituted as a charitable incorporated organisation. The charity's principal objects, as set out in its governing document, are:

1. The advancement of the Christian faith in accordance with the Basis of Faith primarily, but not exclusively, within Jennyfield, Harrogate and the surrounding neighbourhood.
2. Such other charitable purposes as shall, in the opinion of the charity trustees, put into practice the Christian faith in accordance with the Basis of Faith, including but not limited to:
 - a. The prevention and relief of need, hardship and sickness
 - b. The advancement of education
 - c. The provision of facilities in the interests of social welfare for recreation or other leisure time occupation of individuals who have need of such facilities by reason of their youth, age infirmity or disability, financial hardship or social circumstances with the object of improving their conditions of life

provided that the advancement of such purposes must be undertaken in a manner that is consistent with the Doctrinal Directives and Ethical Statements as may be adopted and amended by the Church from time to time in accordance with the provisions of the Church Handbook.

Objectives and activities

The church provides three main identifiable benefits to the public or sections of the public that flow from the church fulfilling its purposes:

1. Those who come to know and continue in the love of God report that accepting the love of God in Jesus Christ was the best decision that they ever made and knowing this love gives them strength in their everyday lives.
2. Advancing the Christian faith promotes a moral framework. This moral framework is outlined in the bible, the Old Testament being interpreted by the New Testament. A summary of the framework is the command for people to love God with their heart, soul, mind and strength and to love one's neighbour as oneself. Church members are encouraged to live out their faith within the community and to put this moral framework into practice in their everyday lives with everyone they interact with and so this benefits the members of the public who interact with the members of the congregation each day.
3. It is for the public good that the main beliefs of the Christian faith are made known in society, even if people disagree with the Christian message, because this enables people to make informed choices concerning religious belief and contributes towards a free society where different ideas are widely known by the public.

Jennyfield Evangelical Church advances these objectives by the preaching of the Gospel, public worship within the church building, organised bible studies, prayer meetings, evangelistic events and meeting needs within the community.

Summary of the charity's main activities and achievements

To further the above objects and vision, the charity's main activities and achievements were as follows:

Education

The church provides education about the Christian religion through:

Sunday morning (10:30am) and evening (6:00pm) services held in the church building.

Sunday morning junior church (10:30am) held in the church building.

Sunday evening bible study group for teenagers held in a leader's home.

Tuesday Club (6:30pm term time) for children in schools years 1 to 5 in the church building.

Midweek bible study in home groups at the church and private homes.

Pastoral care

The church provides pastoral care to members of the church and members of the wider community through:

Two weekly toddler groups (Tuesday 9:30am and 1:30pm) for parents and carers held in the church.

A monthly coffee morning for the over 60s.

Hosting Trussell Trust foodbank weekly on Wednesdays.

Achievements and performance

Our Sunday services continue to see increased numbers attending with greater regularity whilst we have continued to broadcast our services "live" for those who are unable to attend in person due to health or mobility difficulties as well as being available for "catch-up" for those who may have not been able to attend on any given week via our YouTube channel.

Junior church is attended by children of those attending the morning service and has varied in attendance levels of between 6 and 18 children of primary school age. Our "live streaming" has also meant that we can make the service available to those parents looking after younger infants in the creche via an iPad.

Tuesday club has continued to run with an increase in numbers attending from the estate and surrounding area coming into the church for games, quizzes and bible teaching. For many of the children they are hearing the bible stories from the Old and New Testaments for the first time. The midweek homegroups have also continued.

The tots groups (Tuesday morning and afternoon) continues to prove successful so that it has been necessary continue to cap numbers to try to be able to meet demand from childminders, parents and grandparents from the estate and surrounding areas.

The monthly coffee morning (previously luncheon club) provides the opportunity to meet together for a social time and short Christian message.

Trussell Trust provide a foodbank at the church premises each week which is supported by a number of volunteers from the church community.

After prayerful consideration the church had advertised for a pastor in 2023 and received a number of applications. Following a robust selection and interview process, Tim Sunderland was invited and accepted the position of full-time pastor, commencing in August 2024.

In planning the activities the Trustees have applied the guidance on public benefit issued by the Charity Commission.

Financial review

During the year income increased by £14,212, to £62,151, and expenditure increased by £23,600, to £45,674. As a result the cash held by the charity increased by £16,477, to £87,456, all of which is unrestricted and can be used for any charitable purpose.

Reserves policy

The trustees have determined that the charity should aim to hold unrestricted cash of no less than £64,000 (which equates to about 12 months of unrestricted expenditure) so that the charity could continue to operate should income and / or expenditure vary adversely. At the year end, the charity held unrestricted cash of £87,456 and the charity is complying with its reserves policy.

Governance

Responsibility for setting policy and for making operating decisions rest with the trustees who meet regularly to monitor the activities of the charity. New trustees are recruited and appointed trustees by a majority vote of church members.

Responsibilities of trustees

Charity law requires us as Trustees to prepare financial statements for each accounting year which record the receipts and payments of the charity for the year.

We are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable us to ensure that the financial statements comply with the Charities Act 2011.

We also have a responsibility to safeguard the assets of the charity and to take reasonable steps to prevent fraud or any other irregularities.
