UMM KAMRAN MEMORIAL WELFARE ASSOCIATION

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 31 AUGUST 2023

The trustees present their annual report and financial statements for the year ended 31 August 2023.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the CIO's constitution, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)".

Objectives and activities

The CIO's objects are:

To promote the benefit of people living in Pakistan by:

- (a) the advancement of education and training
- (b) the relief of poverty, sickness and distress; and
- (c) the promotion of good health

The policies adopted in furtherance of these objects and there has been no change in these during the year.

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the CIO should undertake.

Achievements and performance

This is our third year as a registered charity, and our aim and goals remain the same since we first started in 2005: to remain focused on helping the poor and needy.

Funds raised during the year were used for the following:

- Building houses, especially for those affected by localised floods in Sindh
- Providing sewing machines to women in need, empowering them to be self-sufficient
- Offering medical assistance by paying for consultations, medicines, etc.
- Supplying furniture, crockery, clothing, and catering for marriages, enabling people to partake in this social and religious activity who, without our support, would not be able to perform it
- Providing disability aids, such as wheelchairs, walking sticks, and modified bicycles, enabling recipients to be mobile and gain some independence
- Funding and supporting educational needs, such as fees, course materials, and IT equipment
- Continuing to provide daily hot meals to destitute families; this year, we had a 74% increase in requests for support from last year, and provided 43,500 cooked meals
- Distributing thousands of meat packets to families who are unable to afford red meat
- Installing water pumps, making it easier to access clean drinking water in remote areas of Sindh
- Providing financial assistance to supplement monthly household income, pay rent, and purchase medicines
- Distributing thousands of warm blankets, shoes, jackets, and hats during the winter period to bring some relief from the cold
- Distributing tarpaulins, mosquito nets, and other medical and hygiene products during the rainy season
- Distributing over a thousand clothes, shoes, and other gifts to mainly children and some adults during the Eid celebration

We provide food parcels throughout the year to displaced families in different parts of Pakistan. We have had a 58% increase in our distribution, resulting in the provision of 9,500 parcels (each parcel consists of eleven items). The bulk of our food parcel distribution is during the month of Ramadan and during emergencies.

In conjunction with the above, we have families who are provided food parcels on a regular monthly basis. There has been a growth of 33%, totalling 160 families. Overall, throughout the year, a total of 38,000 people benefited from our support of food parcels.

UMM KAMRAN MEMORIAL WELFARE ASSOCIATION

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2023

Financial review

It is the policy of the CIO that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six month's expenditure. The trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the CIO's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year.

The trustees have assessed the major risks to which the CIO is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

Structure, governance and management

Umm Kamran Memorial Welfare Association is constituted as a Charitable Incorporated Organisation registered with the Charity Commission on 9 September 2019 under charity number 1185223. It is governed by its constitution.

The Trustees who served during the year and up to the date of signature of the financial statements were:

Mr A B Siddiqui

Mr S M K Ali

Mr M W Ali

None of the Trustees have any beneficial interest in the CIO.

The Trustees' report was approved by the Board of Trustees.

UMM KAMRAN MEMORIAL WELFARE ASSOCIATION

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF UMM KAMRAN MEMORIAL WELFARE ASSOCIATION

I report to the trustees on my examination of the financial statements of Umm Kamran Memorial Welfare Association (the CIO) for the year ended 31 August 2023.

Responsibilities and basis of report

As the trustees of the CIO (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 (the 2006 Act).

Having satisfied myself that the financial statements of the CIO are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the CIO's financial statements carried out under section 145 of the Charities Act 2011 (the 2011 Act). In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the CIO as required by section 386 of the 2006 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
- 4 the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

UMM KAMRAN MEMORIAL WELFARE ASSOCIATION

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 AUGUST 2023

1 Accounting policies

Charity information

Umm Kamran Memorial Welfare Association is a private company limited by guarantee incorporated in England and Wales. The registered office is 27 Wealdstone Place, Springfield, Milton Keynes, MK6 3JF, United Kingdom.

1.1 Accounting convention

The financial statements have been prepared in accordance with the CIO's [governing document], the Companies Act 2006, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019). The CIO is a Public Benefit Entity as defined by FRS 102.

The CIO has taken advantage of the provisions in the SORP for charities not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the CIO. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, [modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value]. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the CIO has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors or grantors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the CIO.

1.4 Income

Income is recognised when the CIO is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the CIO has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the CIO has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

UMM KAMRAN MEMORIAL WELFARE ASSOCIATION

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2023

1 Accounting policies

(Continued)

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

Liabilities are recognised when resources are expended. All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category.

1.6 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the CIO's contractual obligations expire or are discharged or cancelled.

1.7 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the CIO is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

UMM KAMRAN MEMORIAL WELFARE ASSOCIATION

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2023

2 Critical accounting estimates and judgements

In the application of the CIO's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

14 Related party transactions

None of the trustees (or any persons connected with them) received any remuneration or benefits from the charity during the year.

Mr A. B. Siddiqui is one of the trustees of the charity and a partner of Reddy Siddiqui LLP, a firm which was engaged as an independent examiner for the accounts. However, the partner who undertook the task did not have any connection with the charity. Reddy Siddiqui LLP was paid a nominal fee of £100+vat for their services.
