Trustees' report for the year ended 31st July 2022

The trustees present their annual report and financial statements for the year ended 31st July 2022. The trustees have adopted the provisions of the Statement Practice Accounting and Reporting by Charities issued in March 2005 in preparing the annual report and financial statement of the charity.

The objects of the charity are:

1. To advance the Christian faith for the public benefit in such ways and in such parts of the United Kingdom as the trustees from time to time may think fit.
2. To relieve sickness and financial hardship and to promote and preserve good health by the provision of funds, goods or services of any kind, including through the provision of counselling and support in such parts of the United Kingdom as the trustees from time to time think fit; and
3. To advance education for the public benefit in such ways and in such parts of the United Kingdom as the trustees from time to time may think fit.

The trustees meet regularly to manage the charity affairs. The charity has many volunteers during the year.

Transactions and financial position

The statement of financial activities shows a net profit of £0.

Fixed Assets

There were no fixed assets in the year ended 31st July 2022

Fund available

The present level of funding is adequate to support the continuation of the charity principal activities now in operation for the medium term, and the trustees consider the financial position of the charity to be satisfactory.

Risk Management

The trustees actively review the major risks which the charity faces on a regular basis and believe that maintaining reserves at current levels, combined with an annual review of the controls over key financial systems, will provide sufficient resources in the event of adverse conditions. The trustees have also examined other operational and business risks faced by the charity and confirm that they have established systems to mitigate the significant risks.

Trustees' report for the year ended 31st July 2022

Charity law requires the trustees to prepare the financial statements for each financial year with give a true and fair view of the state of affairs of the charity at the year end and its incoming resources and resources expended during that year. In preparing those financial statements, the trustees are required to:

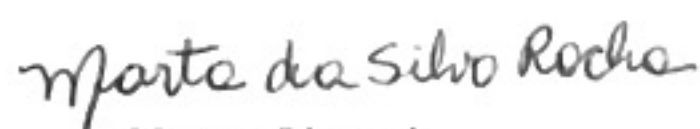

- Select suitable accounting policies and then apply them consistently;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable accounting standards and statements of recommended practice have been followed subject to any departures disclosed and explained in the financial statements; and
- Prepare the financial statements on the going concern basis unless it is appropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2006. They are also responsible for safeguarding the assets of the charity and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent Examiner's Report
To the trustees Assembly of God Sowers of Good News Ministries

I report on the accounts of the church for the year ended 31st July 2022 set out on the following pages which have been prepared based on the accounting policies shown in the corresponding pages

Respective responsibilities of trustees and examiner

The trustees of the church are responsible for the preparation of accounts. They consider that the audit requirement under section 43(2) of the Charities Act 1993 (the 1993 Act), does not apply. It is my responsibility to

- Examine the accounts under section 43(3) of the 1993 Act
- Follow the procedures laid down in the General Directions given by the Charity Commissioners made under section 43(7)(b) of the Act 1993 Act
- State whether particular matters have come to my attention

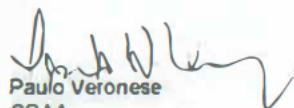

Base of Independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the church and a comparison of the accounts presented with those records. It also includes consideration of the unusual items or disclosures in the accounts and seeking explanations from you as trustees concerning any such matters.

The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

Based on my examination, no matters has come to my attention which gives me reasonable cause to believe that in any material respect, accounting records have not been kept in accordance with section 41 of the 1993 Act, or that the accounts presented do not accord with those records, or comply with the accounting requirement of the 1993 Act. No matter has come to my attention in connection with my examination to which, in my opinion, attention should be drawn to enable a proper understating of the accounts to be reached.

ASSEMBLY OF GOD SOWERS OF GOOD NEWS MINISTRIES
NOTES TO THE ACCOUNTS
FOR THE YEAR ENDED
31st July 2022

1. Accounting Convention

The financial statements are prepared under the historical cost convention and follow the recommendations in 'Accounting and Reporting by Charities: Statement of Recommended Practice' issued in March 2005 (SORP 2005) and the Charities Act 2006.

The charity has taken advantage of the exemption in FRS01 from the requirement to produce a cash flow statement because it is a small charity.

2. Accounting policies

Recognition of incoming resources

These are included in the Statement of Financial Activities (Sofa) when:

- The charity becomes entitled to the resources;
- The trustees are virtually certain they will receive the resources; and
- The monetary value can be measured with sufficient reliability.

Incoming resources with related expenditure

Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the Sofa.

Grants and donations

Grants and donations are only included in the Sofa when the charity has unconditional entitlement to the resources.

Tax reclaims on donations and gifts

Incoming resources from tax reclaims are included in the Sofa at the same time as the gift to which they relate.

Gifts in kind

Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised.

Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity.

Gifts in kind for use by the charity are included in the Sofa as incoming resources when receivable.

Investment income

This is included in the accounts when receivable.

Liability recognition

Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.

Governance costs

Costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.

NOTES TO THE ACCOUNTS

31st July 2022

Grants with performance conditions

Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the Sofa once the recipient of the grant has provided the specified service or output.

Grants payable without performance conditions

These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.

Support Costs

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

Investments

Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value.
