Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	The purpose of Lambeth Street Pastors is to advance the Christian faith in accordance with the Street Pastor License Agreement with the "Ascension Trust" through: (i) the provision of public pastoral care services to help people on the streets and other public places, giving guidance, support and signposting which assist in preserving public order, avoid anti-social behaviour, relieve sickness and preserve health, and by (ii) enlightening others about Christianity through raising awareness and understanding of ecclesiastical relevance to community and public life, mobilizing the church ecumenically to unity of worship and to advance the Christian faith by carrying out the mission and outreach work of the gospel. To develop the capacity and skills of socially disadvantaged groups in our community in such a way that they are better able to identify, and help meet, their needs and to participate more fully in society; in particular but not exclusively through raising awareness, promoting, sustaining and increasing individual and collective knowledge, skills and expertise, through the practical development of individual capabilities, competences, skills and understanding through formal training, informal talks and capacity building in voluntary services, according to Christian principles and the Street Pastor Urban Trinity principle of church, police and local government working together for the benefit of the community.

activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	and 1.19	with members of the public during the day (e.g. working with schools) and at night (helping vulnerable people outside of pubs, nightclubs, wine bars etc). Once the government restrictions for dealing with the pandemic were issued, our face to face work was cancelled for the bulk of 2020. However we accomplished the following pre and post pandemic in the period from Sept 19-Dec 20: Street Pastor patrols - in Brixton, Clapham and Vauxhall pre and post pandemic. This work includes keeping the peace where we spot heated confrontations taking place; helping inebriated people to get home safely; taking extremely intoxicated people to a safe hub we ran in partnership with St John's ambulance to help them recover sufficiently to get home safely; handing out flip flops to clubbers with sore feet; providing a listening ear for people who are distressed or depressed and need someone to talk to and removing discarded glass bottles from outside pubs, wine bars and clubs to prevent them from being used as deadly weapons in a fight. Journey Makers - our Street Pastors partnered with this organisation in a government funded project to help passengers at Clapham Junction navigate the new covid layout for the station. Once the project was through, Lambeth Street Pastors received £3,057.55 from the fund. School Pastors - creating programmes for young people in Lambeth schools which including mentoring, school assemblies and 1:1 assistance; the creation of Kick Academy, the aim of which is to instil in young people biblical values through sports and dance while providing a safe space in which to build healthy friendships. To remain connected to the community and continuously develop new skills that will ultimately benefit residents and businesses in the Lambeth area, the following seminars, meetings and training were either completed or attended during the lockdown: STORM Suicide Prevention training SLAM Mental Health Seminar SLAM Suicide Prevention for faith groups AT Prayer Training delivered by Coordinator AT Prayer Gathering London Coordinator's meeting with Revd Les Isaac A Morning with AT and Charity Commission FTIL London Faith and Belief Community Awards Celebration Synergy Re-launch FTIL meetings with the Borough Commander Duke of Edinburgh Award Consultation

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	We were pleased that during such a tumultuous season we were able to retain our volunteers and to find ways to stay connected with our community despite lockdown. A couple of projects were tapped into via Zoom to continue our work of caring and sharing for some of the most vulnerable amongst us. Before and after lockdown, the Lambeth Street Pastors have continued to show commitment to the well being of all those they come across in the Lambeth area. After the first lockdown lifted the Street Pastors switched from patrolling amongst the Night Time Economy (NTE) and started patrolling during the day, which proved to be just as productive. As there was so much fear during the first wave of the pandemic, those who connected with Street Pastors (after some of the restrictions were lifted) were grateful to have listening ears to share their anxieties with. Main achievements: Lambeth School Pastors: (Pre and post lockdown) The aim of Lambeth School Pastors (LSPs) is to encourage peace within schools and the local community. Their presence helps to reduce antisocial behaviour but more importantly provides the LSPs with the opportunity

		to build relationships with the students and earn the right to speak positively into their lives. Such is the success that the LSPs are having with students that they have been invited back for the second year in a row to Elmgreen Academy to deliver talks to year 10's studying RE, looking at faith groups and community work. The Coordinator is working on extending the school network of LSPs to include primary schools and work with those who have SEN and those on the verge of exclusion, as well as offering one to one and group mentoring sessions. Street Pastors: (Pre and post lockdown) The team members supported local charities CHIPS by being befrienders supporting families through their phonline support programme and their local Food Bank feeding the local community. Use of Zoom (during lockdown): The Zoom parent support group has been running since April 2020 in partnership with the with Awesome Autism Community Group. - The space was created to give parents a place to have some 'Me Time' and discuss adult issues with mindfulness. - It's a non judgemental space for them to blow off steam and share their burdens and find solidarity and support from others who are in the same situation. - The Coordinator and up to two school pastors attend the group each week. - The main aim of the group is to Encourage, Empower and Educate. - It is an organic space which allows ideas and experiences to be shared.

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	At the end of 2020 we were in a healthy financial position going into 2021, i.e. we had enough money to pay for our Coordinator's salary until the end of 2021. As this is our main expense we make this our primary focus in our financial planning.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	Lambeth Street Pastors doesn't have a specific policy re holding money in our account. All monies donated to the work of Lambeth Street Pastors are held in our bank account. Whatever our balance is at the end of the year we review this to see how much money we need to raise, if any, for the following year to ensure that our financial responsibilities can be met.
