2. TRUSTEES REPORT

The Children held meetings following its formation in 2019 to discuss plans to stage a launch event in the form of a conference to bring together scholars to discuss and debate issues surrounding Orthodox education. However, the advent of the pandemic and the subsequent lockdown has meant these plans have been put on hold, until an international gathering can be arranged with confidence, with funding and with minimal financial risks.

As a consequence, financial activity has been minimal with only an initial donation of GBP100 held for the charity. As a result there is not a requirement for an independent examination of these accounts. The funds held are unrestricted
