## **Chair's Report**

We began the 2023/24 season with 11 Junior Teams (Boys and Girls), 3 Open Age Teams all playing in local leagues. There was a mixture of league positions attained at the end of the season.

Following the appointment of 3 new Directors last year the team has worked well together with new ideas and their prior experience has proved invaluable. At the end of this financial year Martin Smith resigned as a Director and we would like to thank Martin for his dedication and commitment to Bolton County over the last 50 years assuming many roles including player, manager and Director.

We continue to welcome new volunteers and players to the club and are encouraged by the success of our recruitment to our Academy that sees children under 6 begin their footballing careers.

I once again thank everyone involved with our club for their commitment and optimism as we head into the new year. We look forward to continued success and growth in the coming year.

## **Trustees Annual Report including the Directors Report**

The trustees present their report and the unaudited financial statements for the year ended 30 June 2025. Included within the trustees' report is the directors report as required by company law.

### **Structure, governance and management**

Bolton County FC Limited is a registered charity and a Company Limited by Guarantee with the Charity Registration Number 1185286. The governing document of Bolton County FC Ltd is a memorandum and articles of incorporation dated 10 April 2019.

The Trustees, who are also directors under company law, are appointed by ordinary resolution passed at a general meeting. Trustees met three times during the period in question.

Trustees are appointed at general meetings by ordinary resolution.

Members of the charity guarantee to contribute an amount not exceeding £10 to the assets of the charity in the event of winding up. The total number of such guarantees at 30 June 2025 was nine.

The key management personnel are identified as the Trustees and Directors

### **Objectives and Activities for the Public Benefit**

The objects are for the public benefit generally but with particular reference to the inhabitants of Greater Manchester and its surrounding areas:

- To promote community participation in healthy recreation by providing facilities for the playing of association football and other sports capable of improving health;
- To provide and assist in the provision of facilities for sport, recreation and other leisure time occupation of such persons who have need for such facilities by reason of their youth, age infirmity or disability, poverty or social and economic circumstance or for the public at large in the interests of social welfare and with the object of improving their conditions of life; and
- To advance the education of children and young people (including their physical and academic education) by such means as the Trustees may from time to time determine.

The Trustees confirm that they have followed the relevant regulator guidance on public benefit.

### **Review of Activities and Achievements**

During the year, Bolton County FC had 11 junior teams from under 8 to under 18. These junior teams included 9 boys teams and 2 girls teams. The teams participated in FA accredited leagues across Greater Manchester and Lancashire.

In addition, our academy for children under 6 ran successfully and thrived as we endeavour to recruit players to play in the junior teams of the future.

The club has two open age men's teams competing in The Manchester Football League with the first team unfortunately being relegated from the Premier League to Division 1 at the end of the season.

The club also has an open age women's team who compete in the Lancashire FA Women's County League.

All told, approximately 125 young people are participating in coaching/training sessions or games under the banner of Bolton County FC every week, alongside approximately 60 at open age. We have around 40 volunteers who have worked with the club throughout this year.

All teams and individuals have developed and enjoyed not only their football but being part of Bolton County FC.

## **Future Plans**

We continue to aim to grow our junior teams by actively recruiting and promoting our academy for both boys and girls.

The Beer Festival held with a local Cricket Club was a success and we will look to do similar events in the future. Other fundraising Fundraising this year was limited but a Social Committee has been set up and will endeavour to plan more events in the coming years.

As ever, a focus on coach development and utilising skills across teams will improve further the experiences we are able to offer our players.

The club will continue to invest at a suitable level in its current site at Darcy Lever, ensuring the pitches and pavilion are of a high standard.

The activities reported last year to finalise the deal to release covenants it holds on land that it leases to a caravan storage company, in return for significant funds has been completed this year. The majority of the monies received for this have been classed as reserved funds and will continue to grow by earning interest. Options are now being considered to find the best resolution for the club in the future be it significant improvements to its current site or to explore the potential sale of its lease on the Darcy Lever site to a developer, facilitating a potential move to a new home in the future.

Succession planning for important roles within the club will also continue in the coming year to ensure consistency and prevent a lack of skills in certain areas in the future.

We hope to continue to grow and have success with our teams and to have more social and fundraising events that bring everyone together and raise funds to allow us to invest in our teams.

## **Financial review**

For the period in question there was an operating deficit of £830.43. Donations and funds from the sale of the covenant contributed greatly to enable us to run efficiently, making a small loss at the end of the year.

At 30 June 2025, the total funds of the charity were £1,200,720. Of this, £795,230 relates to fixed assets primarily the land and buildings at The County Ground and £401,834 of restricted funds following the monies earned for releasing the covenant on some land.

## **Reserves Policy**

At the end of June 2023 total funds of the charity were £1,200,720. Of this £798,886 is unrestricted funds. However, after deducting fixed assets the unrestricted cash reserves are £3657.03. £401,834 are restricted funds.

The Trustees will review their reserves policy in 2025/2026 to ensure that it is suitable for the charity.

## **Chair's Report**

There was little impact during this year due to the pandemic and this is the first time since it occurred in 2020.

We began the 2023/24 season with 10 Junior Teams (Boys and Girls), 3 Open Age Teams and an U21 Team all playing in local leagues. There were some good league positions attained at the end of the season.

We have appointed 3 new Directors this year who bring a wealth of experience both with Bolton County FC over the years, running both Junior and Senior teams but also wider experiences which will be utilised well.

This followed the resignation of Gareth Lindsay as a Director due to other commitments. We would like to thank Gareth for his contribution over the years from a Junior Manager, Treasurer, Chairman and Commercial Director.

We successfully did a Beer Festival in partnership with a local Cricket Club and this raised good funds as well as being a great social occasion for all to enjoy over the weekend.

We continue to welcome new volunteers and players to the club and are encouraged by the success of our recruitment to our Academy that sees children under 6 begin their footballing careers.

I once again thank everyone involved with our club for their commitment and optimism as we head into the new year. We look forward to continued success and growth in the coming year.

### **Review of Activities and Achievements**

During the year, Bolton County FC had 10 junior teams from under 7 to under 18. These junior teams included 6 boys teams and 4 girls teams. The teams participated in FA accredited leagues across Greater Manchester and Lancashire.

In addition, our academy for children under 6 ran successfully and thrived as we endeavour to recruit players to play in the junior teams of the future.

We continue to aim to grow our junior teams by actively recruiting and promoting our academy for both boys and girls.

The Beer Festival held with a local Cricket Club was a success and we will look to do similar events in the future. Other fundraising ideas are a Quiz Night, Race Night and Easter Raffle.

As ever, a focus on coach development and utilising skills across teams will improve further the experiences we are able to offer our players.

The club will continue to invest at a suitable level in its current site at Darcy Lever, ensuring the pitches and pavilion are of a high standard.

The activities reported last year to finalise the deal to release covenants it holds on land that it leases to a caravan storage company, in return for significant funds still remain incomplete. As mentioned last year, should this deal progress, it will enable the club to seriously consider either significant improvements to its current site or to explore the potential sale of its lease on the Darcy Lever site to a developer, facilitating a potential move to a new home in the future.

Succession planning for important roles within the club will also continue in the coming year to ensure consistency and prevent a lack of skills in certain areas in the future.

We hope to continue to grow and have success with our teams and to have more social and fundraising events that bring everyone together and raise funds to allow us to invest in our teams.

## **Financial review**

For the period in question there was a deficit of £656.10. Both Fundraising and Donations contributed greatly to enable us to run efficiently, making a small loss at the end of the year.

At 30 June 2024, the total funds of the charity were £800,572. Of this, £795,230 relates to fixed assets primarily the land and buildings at The County Ground.

## **Reserves Policy**

At the end of June 2023 total funds of the charity were £799,876. Of this £795,229 is unrestricted funds. However, after deducting fixed assets the cash reserves are £4,647.

The Trustees will review their reserves policy in 2024/2025 to ensure that it is suitable for the charity.

## **Chair's Report**

This is the first year that has not been disrupted by the Global Pandemic in 2020. Despite that there was a feeling of 'settling back in' following the troublesome times of the previous 2 years.

We began the 2022/23 season with 10 Junior Teams (Boys and Girls), 3 Open Age Teams and an U21 Team all playing in local leagues. There were some good league positions attained at the end of the season.

In the final week of this year the club celebrated its 75<sup>th</sup> Anniversary at Bolton Wanderers. 140 current and previous players, volunteers and friends attended and many memories were shared. It was a fantastic evening and wonderful to see so many familiar faces reminiscing and also those currently involved to appreciate the history of the club and renew their energy to guide the club through the start of its next 75 years.

We continue to welcome new volunteers and players to the club and are encouraged by the success of our recruitment to our Academy that sees children under 6 begin their footballing careers.

I once again thank everyone involved with our club for their commitment and optimism as we head into the new year. We look forward to continued success and growth in the coming year.

Stewart Dawes

## **Trustees Annual Report including the Directors Report**

The trustees present their report and the unaudited financial statements for the year ended 30 June 2023. Included within the trustees' report is the directors report as required by company law.

### **Structure, governance and management**

Bolton County FC Limited is a registered charity and a Company Limited by Guarantee with the Charity Registration Number 1185286. The governing document of Bolton County FC Ltd is a memorandum and articles of incorporation dated 10 April 2019.

The Trustees, who are also directors under company law, are appointed by ordinary resolution passed at a general meeting. Trustees met three times during the period in question.

Trustees are appointed at general meetings by ordinary resolution.

Members of the charity guarantee to contribute an amount not exceeding £10 to the assets of the charity in the event of winding up. The total number of such guarantees at 30 June 2022 was seven.

The key management personnel are identified as the Trustees.

### **Objectives and Activities for the Public Benefit**

The objects are for the public benefit generally but with particular reference to the inhabitants of Greater Manchester and its surrounding areas:

- To promote community participation in healthy recreation by providing facilities for the playing of association football and other sports capable of improving health;
- To provide and assist in the provision of facilities for sport, recreation and other leisure time occupation of such persons who have need for such facilities by reason of their youth, age infirmity or disability, poverty or social and economic circumstance or for the public at large in the interests of social welfare and with the object of improving their conditions of life; and
- To advance the education of children and young people (including their physical and academic education) by such means as the Trustees may from time to time determine.

The Trustees confirm that they have followed the relevant regulator guidance on public benefit.

### **Review of Activities and Achievements**

During the year, Bolton County FC had 10 junior teams from under 7 to under 18. These junior teams included 6 boys teams and 4 girls teams. The teams participated in FA accredited leagues across Greater Manchester and Lancashire.

In addition, our academy for children under 6 ran successfully and thrived as we endeavour to recruit players to play in the junior teams of the future.

The club has two open age men's teams and an U21's Team competing in The Manchester Football League with the first team maintaining its place in the premier division.

The club also has an open age women's team who compete in the Lancashire FA Women's County League.

All told, approximately 120 young people are participating in coaching/training sessions or games under the banner of Bolton County FC every week, alongside approximately 60 at open age. We have around 40 volunteers who have worked with the club throughout this year.

All teams and individuals have developed and enjoyed not only their football but being part of Bolton County FC.

## **Future Plans**

We continue to aim to grow our junior teams by actively recruiting and promoting our academy for both boys and girls.

Fundraising picked up throughout this year, with a raffle and silent Auction being held at our 75<sup>th</sup> Dinner. We are beginning to plan events for the coming season including a Beer Festival in association with a local cricket club.

As ever, a focus on coach development and utilising skills across teams will improve further the experiences we are able to offer our players.

The club will continue to invest at a suitable level in its current site at Darcy Lever, ensuring the pitches and pavilion are of a high standard.

The activities reported last year to finalise the deal to release covenants it holds on land that it leases to a caravan storage company, in return for significant funds still remain incomplete. As mentioned last year, should this deal progress, it will enable the club to seriously consider either significant improvements to its current site or to explore the potential sale of its lease on the Darcy Lever site to a developer, facilitating a potential move to a new home in the future.

Succession planning for important roles within the club will also commence in the coming year to ensure consistency and prevent a lack of skills in certain areas in the future.

As we continue to leave the pandemic behind we hope to continue to grow and have success with our teams and to have more social and fundraising events that bring everyone together and raise funds to allow us to invest in our teams.

## **Financial review**

For the period in question there was a surplus of £1462.81. We had less teams paying subscriptions during this year. Fundraising right at the end of the year helped us achieve a surplus at the end of the year

At 30 June 2022, the total funds of the charity were £800,572. Of this, £795,230 relates to fixed assets primarily the land and buildings at The County Ground.

## **Reserves Policy**

At the end of June 2023 total funds of the charity were £800,573. Of this £795,230 is unrestricted funds. However, after deducting fixed assets the cash reserves are £5343.

The Trustees will review their reserves policy in 2023/2024 to ensure that it is suitable for the charity.

## **Trustees' responsibilities in relation to the financial statements**

The trustees (who are also directors of Bolton County FC Limited for the purposes of company law) are responsible for preparing the trustees annual report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- Select suitable accounting policies and then apply them consistently
- Observe the methods and principles in the Charities SORP
- Make judgements and estimates that are reasonable and prudent
- State whether applicable UK Accounting Standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

This report has been prepared in accordance with the provisions applicable to companies subject to the small companies' regime of the Companies Act 2006.

Approved by the trustees on 29<sup>th</sup> March 2024 and signed on their behalf by:

## **Chair's Report**

In the summer of 2021 we felt that the Covid days and restrictions were over, but the Omicron variant once again caused some disruption midway through this year.

We began the 20/21 season with a slightly different set of teams and a good mix of both girls and boys junior teams and 3 open age teams, 2 men's and 1 women's team.

The season progressed but somewhat cautiously in parts due to the latest variants of Covid 19, but a full season was completed with success and achievements amongst our teams, of which I am immensely proud.

We are once again proud of our volunteers, coaches, players and parents who have done everything they can to see the club through another season. I would like to thank all that contribute to the running of the football club especially through recent years with all the challenges that have been evident.

I think it is fair to say that my second year as Chairman of Bolton County has been a better year than the last but still with some trepidation around the pandemic. I look forward to the coming year in the hope that the previous years' challenges are behind us. As ever, I enjoy being out and about with our teams and welcoming new players and volunteers to the club.

I thank everyone involved with our club for their commitment and optimism as we head into the new year. Our club will celebrate its 75<sup>th</sup> year in 2023 and there will be events planned to honour this occasion, which I am very much looking forward to.

Stewart Dawes

## **Trustees Annual Report including the Directors Report**

The trustees present their report and the unaudited financial statements for the year ended 30 June 2022. Included within the trustees' report is the directors report as required by company law.

### **Structure, governance and management**

Bolton County FC Limited is a registered charity and a Company Limited by Guarantee with the Charity Registration Number 1185286. The governing document of Bolton County FC Ltd is a memorandum and articles of incorporation dated 10 April 2019.

The Trustees, who are also directors under company law, are appointed by ordinary resolution passed at a general meeting. Trustees met five times during the period in question.

Trustees are appointed at general meetings by ordinary resolution.

Members of the charity guarantee to contribute an amount not exceeding £10 to the assets of the charity in the event of winding up. The total number of such guarantees at 30 June 2022 was seven.

The key management personnel are identified as the Trustees.

### **Objectives and Activities for the Public Benefit**

The objects are for the public benefit generally but with particular reference to the inhabitants of Greater Manchester and its surrounding areas:

- To promote community participation in healthy recreation by providing facilities for the playing of association football and other sports capable of improving health;
- To provide and assist in the provision of facilities for sport, recreation and other leisure time occupation of such persons who have need for such facilities by reason of their youth, age infirmity or disability, poverty or social and economic circumstance or for the public at large in the interests of social welfare and with the object of improving their conditions of life; and
- To advance the education of children and young people (including their physical and academic education) by such means as the Trustees may from time to time determine.

The Trustees confirm that they have followed the relevant regulator guidance on public benefit.

### **Review of Activities and Achievements**

During the year, Bolton County FC had 12 junior teams from under 7 to under 18. These junior teams included 9 boys teams and 3 girls teams. The teams participated in FA accredited leagues across Greater Manchester and Lancashire.

In addition, our academy for children under 6 ran successfully and thrived as we endeavour to recruit players to play in the junior teams of the future.

The club has two open age men's teams competing in The Manchester Football League with the first team maintaining its place in the premier division.

The club also has an open age women's team who compete in the Lancashire FA Women's County League.

Amongst our achievements are that our Mens First Team reached a cup final, which gave the club a good event to celebrate at the end of the season and our Boys U'14's team won their league.

All told, approximately 150 young people are participating in coaching/training sessions or games under the banner of Bolton County FC every week, alongside approximately 60 at open age. We have around 45 volunteers who have worked with the club throughout this year.

All teams and individuals have developed and enjoyed not only their football but being part of Bolton County FC.

## **Future Plans**

We continue to aim to grow our junior teams by actively recruiting and promoting our academy for both boys and girls.

Fundraising has not been as successful as we hoped during this year, whilst we once again find still dealing with the fallout of the pandemic. We look forward to greater success in this area next year and the social aspect of being part of the club to be fully realised again.

Our plan to celebrate 75 years of Bolton County are underway and we look forward to these events.

As ever, a focus on coach development and utilising skills across teams will improve further the experiences we are able to offer our players.

The club will continue to invest at a suitable level in its current site at Darcy Lever, ensuring the pitches and pavilion are of a high standard.

The activities reported last year to finalise the deal to release covenants it holds on land that it leases to a caravan storage company, in return for significant funds still remain incomplete. As mentioned last year, should this deal progress, it will enable the club to seriously consider either significant improvements to its current site or to explore the potential sale of its lease on the Darcy Lever site to a developer, facilitating a potential move to a new home in the future.

Succession planning for important roles within the club will also commence in the coming year to ensure consistency and prevent a lack of skills in certain areas in the future.

## **Financial review**

For the period in question there was a deficit of £1490.87. We had less teams paying subscriptions during this year and did not achieve the level of fundraising that we had hoped for.

At 30 June 2022, the total funds of the charity were £798,610. Of this, £795,230 relates to fixed assets primarily the land and buildings at The County Ground.

## **Reserves Policy**

At the end of June 2022 total funds of the charity were £798,610. Of this £795,230 is unrestricted funds. However, after deducting fixed assets the cash reserves are £3380.18.

The Trustees will review their reserves policy in 2022/2023 to ensure that it is suitable for the charity.

## **Trustees' responsibilities in relation to the financial statements**

The trustees (who are also directors of Bolton County FC Limited for the purposes of company law) are responsible for preparing the trustees annual report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
