Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The objects of the CIO are to establish and run a community hall and to promote for the benefit of the inhabitants of the Parish of Tansley ("area of benefit") without distinction of sex, sexual orientation, age, disability, nationality, race or political, religious or other opinions the provision of facilities for recreation or other leisure time occupation of individuals who have need of such facilities by reason of their youth, age, infirmity or disablement, financial hardship or social and economic circumstances or for the public at large in the interests of social welfare and with the object of improving the conditions of life of the said inhabitants

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Manage a Community Hall which is available to rent by the hour or a daily rate. It is available from 7-00am until 22-30pm every day of the year.

Tansley Parish Council own the building and the Community Hall Management Committee lease it for a nominal annual fee and manage/run the Hall on a day to day basis.

The hall is for the benefit of local people and is to provide a space for all groups – of any age or interest - to use it for leisure, pleasure, entertainment, education, training and occasional commercial activity.

Charitable use by local residents and groups will take precedent over any commercial activity. The hall is not available to hire for regular block bookings for commercial use. The use of the Hall has to be for the benefit of the Community.

The Hall has now been in operation providing a resource for the people of Tansley for 129 years. One of the main aims is to ensure that any village non-profit making group, particularly those who work with children, are able to use the hall. It is also available for parties, meetings, training events, displays, plays, jumble sales etc - the purpose is to provide a space for local people to use at an affordable rate

All trustees have read and agreed to public benefit guidance issued by the Charity Commission at the formation of the Charity in 2019. All decisions have been taken with the public benefit objectives of the Charity in mind.

Additional details of objectives and activities (Optional information)

Minor maintenance of the property, such as painting and decorating, is carried out by volunteers from the local community, as well as the committee, organised by the committee.

The committee is responsible for creating plans for the development of the property in consultation with the Parish Council.

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;

- contribution made by volunteers.

Summary of the main achievements of the charity during the year

Following to ending of Covid restrictions, most of the regular groups using the hall have resumed their meetings.

The building has been improved by the replacement of the front door funded by the Parish Council.

Following the resignation of the Chair of the Management Committee there was no formal Chair until the AGM in February 2022.

Discussions have started on planning the provision for access and toilets for people with physical disabilities.

Section E**Financial review****Brief statement of the charity's policy on reserves**

During 2019 the committee created the policy to maintain at least £5,000 in reserves to allow for significant emergency maintenance and towards future enhancements to the building to allow access and use for people with physical disabilities.
