WARWICKSHIRE FEDERATION OF WOMEN'S INSTITUTES C.I.O.

Trustees Report

The Trustees present their report and accounts for the year ended 31 March 2023.

Structure, Government and Management

The Federation is constituted and governed under the Constitution and Rules for County Federations as laid down by the National Federation. The principal activity of the Charity is to further the purpose of the Women's Institute movement in Warwickshire and elsewhere.

The Warwickshire Federation of Women's Institutes exists for the benefit of 88 WIs within Warwickshire and is a member of the National Federation of Women's Institutes. It offers to these WIs a mixture of events fulfilling the Values and Objects within the Constitution to educate women.

Method of Recruiting and Appointing Trustees

The management of the charity is the responsibility of the Board of Trustees who are elected biennially and co-opted under the terms of the Trust Deed. Any member of a WI belonging to the Federation is eligible to stand for election to the Board.

Public Benefit

The trustees are satisfied that the charity's objects meet the public benefit purposes for the advancement of community development. The trustees confirm that they have taken into account the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the charity's aims and objectives and in planning future activities.

Risk Management

The Board of Trustees recognise their responsibility to address the potential risks which Warwickshire Federation may encounter. An annual review and Risk Assessment is carried out by the Federation Officers and agreed by the Board of Trustees. The major risks, in particular those relating to the operations and finances of the Trust, have been identified and the Trustees are satisfied with the overall level of risk and that systems are in place to manage or pre-empt those risks. The Federation also ensures that a Risk Assessment is undertaken for individual events and regularly reviews possible risks.

Achievements and Performance

The Warwickshire Federation of Women's Institutes achieved CIO status in September 2019. This was in line with the organisation's Strategic Plan.

The Board of Trustees have continued to plan and run the finances of the organisation in line with our Charitable Objectives to ensure a sound financial footing both now and for the future years. The Strategic Plan for 2022-23 was to manage The Federation's financial position post pandemic and during a period of increased cost of living - seen through the year with increased fuel and food costs and interest rate rises. We continue to try to actively increase our presence within the county by recruitment and retention of members and opening of new WIs.

The unusual events from February 2020 stemming from the Pandemic and its consequent ongoing impact still remains during 2022-23 but thankfully our predecessors had the foresight and fiscal expertise to ensure that our reserves would see us through this financial crisis and we consider this to have been managed well under the circumstances. The Board has actively pursued activities and events to try to bring the WI community together and meeting again. The Federation has received income during the financial year, but not to the amounts seen pre-pandemic, partly from looking at more affordable activities and events during this period of increased cost of living. The Board continues to review expenses at all levels and has undertaken cost cutting measures where appropriate. Unfortunately, 5 WIs closed during the year but many are thriving and we were able to open one new WI which has a strong and enthusiastic membership.

We have recruited two part-time administrators to help build on our past successes, provide service and support to our 3,000 members across the county and deliver more compelling events across a wide range of activities.

We have provided training for our Treasurers and our Independent Financial Advisers and held President's Days to share information and support WIs in learning new ideas from each other.

We have been working hard by attending numerous events within Warwickshire to raise awareness not only of our organisation, but also our campaigns and our inclusive nature.

We believe that our Federation is well placed to build on the support and enthusiasm of our membership as they become more confident in attending activities and events. We will continue to strive to build a bold and inspiring, affordable, varied, relevant and inclusive schedule of events and activities for our members in 2023-24.

INVESTMENT POLICY

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2023

1. Accounting policies

Charity information

Warwickshire Federation of Women's Institutes is a charitable incorporated organisation (CIO) registered in England and Wales. The registered office is Federation House, 1 Corunna Court, Corunna Road, Warwick, CV34 5HQ.

The charity was registered with the Charity Commission on the 19 September 1993 and converted to CIO in September 2019 when the assets and liabilities of Warwickshire Federation of Women's Institute were transferred to the CIO.

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's (governing document), the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved the following Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, modified to include certain financial instruments at fair value. The principal accounting policies adopted are set out below.

WARWICKSHIRE FEDERATION OF WOMEN'S INSTITUTES C.I.O.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2023

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised when received.

1.5 Expenditure

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Expenditure is recognised where there is a legal or constructive obligation to make payments to third parties, it is probable that the settlement will be required and the amount of the obligation can be measured reliably.

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost of valuation, net of depreciation and any impairment losses. Any minor purchases of furniture or equipment are written off to the Statement of Financial Activities and no further depreciation will be provided.

WARWICKSHIRE FEDERATION OF WOMEN'S INSTITUTES C.I.O.
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2023

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Freehold land and buildings	Over 50 years
Office Equipment	Over 4 years

1.7 Fixed asset investments

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Charges in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

A subsidiary is an entity controlled by the charity. Control is the power to govern the financial and operating policies of the entity so as to obtain benefits from its activities.

1.8 Impairment of fixed assets

At each reporting end date, the charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.9 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.10 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument. Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on the net basis or to realise the asset and settle the liability simultaneously.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2023**

Basis financial assets
