Objectives and Activities

| | SORP reference | |
|--|--------------------|---|
| Summary of the purposes of the charity as set out in its governing document | Para 1.17 | To advance in life and relieve the needs of young people living in London through the provision of recreational and leisure time activities provided in the interest of social welfare, designed to improve their conditions in life, to develop their capabilities that may grow to full maturity as individuals and members of society. |
| Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts. | Para 1.17 and 1.19 | <p>The Bellingham Football Project started in July 2021 and finished in July 2022, although it continues to run until now. The project has maintained a steady attendance of 20 – 30 young people. There have often been days when there are 40+ young people, and many of them cannot access the session as there is no capacity. The Bellingham Leisure Centre astroturf is 4G and has professional nine a-side goals, which attracted young people from across the borough and beyond to attend. The numbers remained the same during the school holidays as the young people attending were very committed footballers and did not let the break of routine stop them from coming.</p> <p>In March 2022, we started having three coaches at the session because the young people who attended were very hard to manage, and we wanted to ensure a safe and controlled environment. In June 2022, we added a Wednesday evening session to our timetable as an opening allowed us to offer more free football to young people.</p> <p>The project is still running in January 2023 due to an underspend in funding, as the venue hire was cheaper than the first quote. We plan to apply for more funding to keep the project running.</p>  |

Young people were recruited by handing out flyers at the following secondary schools and colleges:

- Knights Academy
- Bonus Pastor
- Conisborough College
- Sedgehill Academy
- Forest Hill School
- Prendergast Vale Ladywell
- St Mathews Academy
- Bromley College

Posters were posted in Bellingham Leisure Centre and on Facebook, Twitter, and Instagram.

Cameron Orelbar

Cameron is 17 and a student at Sedgehill Academy. He learned about the Bellingham session from his friends and began attending in April 2022. Sports Fun 4 All delivered a free school meals holiday programme in the summer of 2022 and needed extra coaches to come on board and work. Cameron was already coaching for Little Kickers on the weekends and found out about the opportunity through Elias Fazli, a Sports Fun 4 All coach.

Cameron applied for the role and attended a trial coaching session in which he did very well and was selected to work over the summer. Cameron coached for four weeks and works on the Tuesday session at Downham Leisure Centre.

Jayden Basaran

Jayden is 17 and a student at Sedgehill Academy. He attended Sports Fun 4 All in 2016 when we delivered a free football session at Downham Leisure Centre. Jayden then stopped attending, and the session moved venue. Fast forward to 2022, and Jayden has returned to Sports Fun 4 All as a participant at our Bellingham session. This is very powerful for us as an organisation as it shows the journey we have been on and how embedded, we are in SE6 and BR1. To guide his development, he spoke about his journey with Sports Fun 4 All in our YouTube video about the Bellingham session.

Teegan Litchmore

Teegan is 17 and a student at Sedgehill Academy. He attended Sports Fun 4 All in 2016 when we delivered a free football session at Bellingham Green. Teegan then stopped attending as the session stopped. Fast forward to 2022, and Teegan has returned to Sports Fun 4 All as a participant at our Bellingham session. This is very powerful for us as an organisation as it shows the journey we have been on and how embedded we are in SE6 and BR1. To guide his development, he spoke about his journey with Sports Fun 4 All in our YouTube video about the Bellingham session.

Health & Lifestyle

The project met the Health & Lifestyle outcomes by offering weekly football sessions that allowed young people to socialise and reduce isolation after the lockdown. The Sports Fun 4 All coaches created a positive environment for children and young people that offered praise and encouragement, improving their mental and physical wellbeing.

Thriving Communities

The project offered free access to a facility Phoenix residents couldn't afford, helping to build relationships between families and empowering them with the confidence to use sport as a vehicle for change in their community through voluntary football coaching.

Training & Employment

The project improved the soft skills of young people, allowing them to access accredited qualifications and training leading to employment with SF4A.

Christmas HAF 2021

Sports Fun 4 All delivered a Free Holiday Programme at St James Hatcham CE Primary School in New Cross for 30 young people on free school meals.

Easter HAF 2022

Sports Fun 4 All delivered a Free School Meals Holiday Programme in the 2022 Easter holidays. Each week we had between 20 – 30 children attend who were eligible for free school meals. The children received a free hot meal every day and five hours of football coaching by FA qualified coaches. The Programme provided them with a fun, safe and positive environment which they would otherwise have not been able to access.

In a time when the cost of living was going up across the country our holiday programme provided much needed relief to many families who are feeling it the most.

Women's FA Cup Final 2022 @ Wembley Stadium

In May 2022, Sports Fun 4 All took a team of five coaches and 14 young people to watch Manchester City v Chelsea in the Women's FA Cup Final at Wembley Stadium. It was an end to end, exciting match, with City coming out victorious in a 3-2 victory.

The project was made possible by our trusted partner, SEJA, who covered the match tickets, transport, and lunch at a pizza restaurant in Wembley before the game.

The most important part of the day was the young people visiting Wembley Stadium and seeing the famous arch. It was the first time for nearly all the young people, and many coaches had ever visited Wembley. For some young people, it was the first time they had ever attended a football match, and what a place to do it.

Experiences like this are crucial for young people. Taking them out of their local area, which they don't usually do and visiting an iconic venue like Wembley broadens their horizons to realise there are so many opportunities out for them to achieve success in their life. The young people had a fantastic time, and we can't wait for our next visit to a football match.

Summer HAF 2022

We delivered a Free Holiday Programme at Forster Memorial Park, SE6, for four weeks in the summer holidays of 2022, funded by Lewisham Council.

The programme provided football coaching and a hot meal, courtesy of the Meal Team, to the 40 young people in attendance each day.
