In planning our activities for the year we kept in mind the Charity Commission's guidance on public benefit at our trustee meetings.

## Section D

## Achievements and performance

## Section D

## Achievements and performance

### Summary of the main achievements of the charity during the year

In our commencement session (2019/2020), we received scholarship applications from eleven (11) pupils who were nominated from a state-funded primary school in Ibadan, Nigeria. Emmanuel Scholars paid the fees for each pupil to sit the National Common Entrance Examination, as well as the entrance examinations of the selected Secondary School. Three pupils (2 girls and a boy) of the initial 11, who were the only successful candidates at both examinations were selected to become the pioneer Emmanuel Scholars.

The selected Emmanuel Scholars undertook an induction with their parents/guardians and signed the scholarship agreement forms in September 2019.

The students started JSS 1 in September 2019 and have moved to the next academic year. They have settled in and we have been able to provide both educational and pastoral support. We also provided additional educational and financial support during the covid lockdown period.

## Section F

## Other optional information

### Future plans

We intend to increase the number of students funded to at least ten (10) by the end of the next academic year

To that end, we intend to use digital platforms to garner more awareness and hopefully gain more sponsors for the charity.

The charity will host an outreach event "**Emmanuel Fest**" in summer of 2021 to reach out to about 50-100 more students from economically disadvantaged background, apart from the students we are sponsoring. The objective of **Emmanuel Fest** is to widen the reach and impact more disadvantaged children on short term basis every year.
