

Family Forever JP – Trustees Annual Report March 2022

With the charity only recently registered prior to COVID 19 the trustees have not had the opportunity to carry out many activities in this time. They have carried out a low level of fundraising with friends and family in their locality and have helped a small number of families who are suffering distress because of being bereaved from losing a child under 18 years of age, or a child under 18 years of age who has a terminal illness, in particular but not exclusively, by providing short respite breaks.

They are now looking to develop and accelerate their activities in the coming year.
