COUNCIL MEMBERS REPORT**

FOR THE YEAR ENDED 31 DECEMBER 2024

The council members present their annual report and financial statements for the year ended 31 December 2024.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the Church Accounting Regulations 2006, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019).

Objectives and activities

The PCC is committed to enabling as many people as possible to worship at the church and to become part of our parish community at St Anne's.

Then PCC maintains an overview of worship throughout the parish and makes suggestions on how services can involve the many groups that live within the parish. The services and worship put faith into practice through prayer, scripture, music and sacrament.

When planning activities for the year, the Churchwardens and the PCC have considered the Charity Commission guidance on public benefit and, in particular, the specific guidance on charities for the advancement of religion.

In particular, the PCC aims to enable ordinary people to live out their faith as part of our parish community through:

- worship and prayer
- learning about the gospel
- developing their knowledge and trust in Jesus
- provision of pastoral care for people living in the parish
- missionary and outreach work

To facilitate this work it is important that the fabric of St Anne's Church and that of St Mary's Church Hall are both well maintained.

Achievements and performance

The new extension kitchen and toilet facilities have been in full operation and are proving a boon to all churchgoers and clubs and societies who make use of the church. The Quinquennial report issued in 2023 recommended substantial repairs, particularly to the roof and its environs. A project was mounted in the second half of the year and was largely complete by the year-end.

Financial review

Unrestricted income for the year 2024 was £554,222 compared to £64,945 in 2023. It included a very generous legacy of £471,840. Total unrestricted giving was £533,678. The rent from letting St. Mary's was £6,816, an increase of £1,230 on the previous year. Unrestricted Gift Aid recoverable was £10,067, an increase of £1,119 compared to the previous year.

The restricted income for the year 2024 of £14,438, increased by £196. Income to the Music fund of £6,117 increased from the previous year by £271.

Income from investments and interest-bearing accounts of £14,614, included in both the unrestricted and restricted funds, increased by £2,589 compared to the previous year.

Expenditure in the unrestricted fund for the year 2024 was £87,463. Expenditure for the Fabric fund for the year was £131,269. The St. Mary's costs were £5,508 compared to £37,807 in the previous year when the windows were renovated. Expenditure for the Music fund was £4,303. The fund therefore showed a profit for the year of £1,814.

The result of the above-mentioned figures is that income has exceeded expenditure in 2024 by £345,624. These figures are before the inclusion of the revaluation of the investments. Their valuation as at 31st December 2024 has resulted in an increase of £4,955 compared to an increase of £18,529 in 2023. The net result of all the above is that total funds as at 31st December 2024 are £739,966, an increase of £350,581 compared to the previous year.

The weekly unrestricted expenditure amounted to £1,682 in 2024 compared to £2,230 in 2023. This calculation excludes the £100,000 that was taken from general funds for each of the Extension and Quinquennial works.

Reserves policy

It is PCC policy (if possible) to maintain a balance of unrestricted funds which equates to approximately six months unrestricted payments to cover emergency situations that may arise from time to time. For 2024 this is £43,732 (again, excluding the £100,000 mentioned above). The General Fund in note 12 of £464,905 includes fixed assets of £610 together with debtors and creditors of £5,822 and (£3,015), respectively. Taking these figures out leaves an amount of £461,488 of unrestricted funds which more than matches the target at the year-end.

Structure, governance and management

The parochial church council is a charity which is registered with the Charity Commission under the name "The Parochial Church Council of the Ecclesiastical Parish of St Anne Lewes" with charity number 1185509.

The trustees who served during the year and up to the date of signature of the financial statements were:

INDEPENDENT EXAMINER'S REPORT**

TO THE COUNCIL MEMBERS OF ST ANNE'S PAROCHIAL CHURCH COUNCIL

I report to the council members on my examination of the financial statements of St Anne's Parochial Church Council (the charity) for the year ended 31 December 2024.

Responsibilities and basis of report

As the council members of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 (the 2011 Act).

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act. In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Since the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

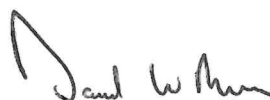

Your attention is drawn to the fact that the charity has prepared financial statements in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn.

I understand that this has been done in order for financial statements to provide a true and fair view in accordance with Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2024**

1 Accounting policies

Charity information

St Anne's Parochial Church Council is committed to enabling as many people as possible to worship at the church and to become part of our parish community at St Anne's.

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's governing document, the Charities Act 2011, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities not to prepare a Statement of Cash Flows.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The financial statements include all transactions, assets and liabilities for which the PCC is responsible in law. They do not include the accounts of church groups that owe their affiliation to another body, nor those which are informal gatherings of church members.

1.2 Going concern

At the time of approving the financial statements, the council members have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the council members continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds - general funds which can be used for PCC ordinary purposes.

Designated funds - monies set aside by the PCC out of unrestricted funds for specific future purposes or projects.

Restricted funds - a) income from trusts or endowments which may be expended only on those restricted objects provided in the terms of the trust or bequest; b) donations or grants received for a specific object or invited by the PCC for a specific object. The funds may only be expended on the specific object for which they were given. Any balance remaining unspent at the end of the year is carried forward as a balance on that fund.

(Continued)

1.4 Income

All income and endowments are accounted for without deduction for any costs of receivability, are recognised when there is evidence of entitlement, receipt is probable, and the amount can be measured reliably.

Donations and legacies

Collections are recognised when received.

Planned giving receivable is recognised when there is evidence of entitlement, receipt is probable, and the amount accords with the Gift Aid declaration or other record of intention to donate.

Gift aid recovered is recognised when the income to which it is attached is recognised.

Grants and legacies are recognised when the formal offer in writing of the funding, is received by the PCC.

Charitable activities

Sales of magazines and study notes are recognised when received.

Rents from property are recognised in accordance with the rental agreements, when receipt is probable.

Other trading activities

Trading activities are where income is receivable in return for selling goods or providing services. Income from trading is recognised either: a - when received, or b - in the case of concerts, at the date of the event. Advance bookings are included in creditors until the concert has taken place.

Investment income

Dividends are accounted for when due and payable. Interest entitlements are accounted for as they accrue.

All other income

All other income is recognised in accordance with the above overall policy.

Gains and losses on investments

Realised gains are recognised when the investments are sold.

Unrealised gains and losses are accounted for on revaluation at 31 December.

1 Accounting policies

(Continued)

1.5 Expenditure

Expenditure is accounted for on an accruals basis and accounted for gross.

Grants

Grants and donations are accounted for when paid over, or when awarded where the award creates a binding obligation on the PCC.

Church Activities

The diocesan parish contribution is accounted for on an annual basis, reflecting the allocation set by our Deanery. Any parish contribution unpaid at 31 December is provided for in these accounts as an operational (though not a legal) liability and is shown as a creditor in the balance sheet.

1.6 Tangible fixed assets

Consecrated and beneficed property of any kind is excluded from the accounts by s.10(2) of the Charities Act 2011.

Movable church furnishing held by the Vicar and Churchwardens on special trust for the PCC and which require a faculty for disposal, are accounted as inalienable property unless consecrated. They are listed in the church's inventory which can be inspected but are not included in the financial statements. For other property acquired where there is insufficient cost information available, the cost of such assets are not stated in the financial statements.

All expenditure on consecrated or beneficed buildings and individual items costing under £1,000 are written off in the year they were incurred.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Fixtures and fittings	10% straight line
-----------------------	-------------------

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

1.7 Fixed asset investments

Investments are initially recognised at fair value which is normally the transaction price excluding transaction costs. Subsequently they are measured at fair value with changes recognised in 'net gains / (losses) on investments' in the SOFA of the shares are publicly traded or their fair value can otherwise be measured reliably.

1.8 Impairment of fixed assets

Assets not measured at fair value are reviewed for any indication that the asset may be impaired at each balance sheet date.

If there are indicators of impairment, the recoverable amount is estimated and compared to the carrying amount. Where the carrying amount exceeds its recoverable amount, an impairment loss is recognised in expenditure through the statement of financial activities.

1.9 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.10 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

1.11 Judgements and key sources of estimation uncertainty

In the application of the charity's accounting policies, management are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

Depreciation

Tangible fixed assets are depreciated over their useful lives taking into account residual values where appropriate. The actual lives of the assets and residual values are assessed annually and may vary depending on a number of factors. In re-assessing the assets lives, factors such as technological innovation, product life cycles and maintenance programmes are taken into account. Residual values consider such things as future market conditions, the remaining life of the asset and projected disposal values.

17 Unrestricted funds

(Continued)

The Church Halland Clergy House designated funds represent the proceeds from the sale of properties in previous years. The funds are invested with the CBF.

In previous years, funds were raised for the provision of a Church Tower room. These were recorded as restricted funds. Following subsequent improvements to the church, there was no longer a requirement for a Church Tower room and the PCC, having obtained permission from the surviving donors and Church House, agreed to reclassify these funds as unrestricted funds. The designated funds are held by the PCC to finance routine future maintenance costs to the extent that these cannot be met by unrestricted donations.

The restricted fabric fund was the result of a bequest by Mr King-Smith, to which the Church Roof + Tower fund was added in 2008 to maintain and improve the fabric of the church. The funds are invested with the CBF. The Chancel Trust fund exists as a result of a bequest in previous years to maintain the Chancel. The fund is invested with the CBF. Funds have been received during the year explicitly requested to be used at the discretion of the incumbent.

COUNCIL MEMBERS REPORT**

FOR THE YEAR ENDED 31 DECEMBER 2024

The council members present their annual report and financial statements for the year ended 31 December 2024.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the Church Accounting Regulations 2006, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019).

Objectives and activities

The PCC is committed to enabling as many people as possible to worship at the church and to become part of our parish community at St Anne's.

Then PCC maintains an overview of worship throughout the parish and makes suggestions on how services can involve the many groups that live within the parish. The services and worship put faith into practice through prayer, scripture, music and sacrament.

When planning activities for the year, the Churchwardens and the PCC have considered the Charity Commission guidance on public benefit and, in particular, the specific guidance on charities for the advancement of religion.

In particular, the PCC aims to enable ordinary people to live out their faith as part of our parish community through:

- worship and prayer
- learning about the gospel
- developing their knowledge and trust in Jesus
- provision of pastoral care for people living in the parish
- missionary and outreach work

To facilitate this work it is important that the fabric of St Anne's Church and that of St Mary's Church Hall are both well maintained.

Achievements and performance

The new extension kitchen and toilet facilities have been in full operation and are proving a boon to all churchgoers and clubs and societies who make use of the church. The Quinquennial report issued in 2023 recommended substantial repairs, particularly to the roof and its environs. A project was mounted in the second half of the year and was largely complete by the year-end.

Financial review

Unrestricted income for the year 2024 was £554,222 compared to £64,945 in 2023. It included a very generous legacy of £471,840. Total unrestricted giving was £533,678. The rent from letting St. Mary's was £6,816, an increase of £1,230 on the previous year. Unrestricted Gift Aid recoverable was £10,067, an increase of £1,119 compared to the previous year.

The restricted income for the year 2024 of £14,438, increased by £196. Income to the Music fund of £6,117 increased from the previous year by £271.

Income from investments and interest-bearing accounts of £14,614, included in both the unrestricted and restricted funds, increased by £2,589 compared to the previous year.

Expenditure in the unrestricted fund for the year 2024 was £87,463. Expenditure for the Fabric fund for the year was £131,269. The St. Mary's costs were £5,508 compared to £37,807 in the previous year when the windows were renovated. Expenditure for the Music fund was £4,303. The fund therefore showed a profit for the year of £1,814.

The result of the above-mentioned figures is that income has exceeded expenditure in 2024 by £345,624. These figures are before the inclusion of the revaluation of the investments. Their valuation as at 31st December 2024 has resulted in an increase of £4,955 compared to an increase of £18,529 in 2023. The net result of all the above is that total funds as at 31st December 2024 are £739,966, an increase of £350,581 compared to the previous year.

The weekly unrestricted expenditure amounted to £1,682 in 2024 compared to £2,230 in 2023. This calculation excludes the £100,000 that was taken from general funds for each of the Extension and Quinquennial works.

Reserves policy

It is PCC policy (if possible) to maintain a balance of unrestricted funds which equates to approximately six months unrestricted payments to cover emergency situations that may arise from time to time. For 2024 this is £43,732 (again, excluding the £100,000 mentioned above). The General Fund in note 12 of £464,905 includes fixed assets of £610 together with debtors and creditors of £5,822 and (£3,015), respectively. Taking these figures out leaves an amount of £461,488 of unrestricted funds which more than matches the target at the year-end.

Structure, governance and management

The parochial church council is a charity which is registered with the Charity Commission under the name "The Parochial Church Council of the Ecclesiastical Parish of St Anne Lewes" with charity number 1185509.

The trustees who served during the year and up to the date of signature of the financial statements were:

INDEPENDENT EXAMINER'S REPORT**

TO THE COUNCIL MEMBERS OF ST ANNE'S PAROCHIAL CHURCH COUNCIL

I report to the council members on my examination of the financial statements of St Anne's Parochial Church Council (the charity) for the year ended 31 December 2024.

Responsibilities and basis of report

As the council members of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 (the 2011 Act).

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act. In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Since the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

Your attention is drawn to the fact that the charity has prepared financial statements in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn.

I understand that this has been done in order for financial statements to provide a true and fair view in accordance with Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2024**

1 Accounting policies

Charity information

St Anne's Parochial Church Council is committed to enabling as many people as possible to worship at the church and to become part of our parish community at St Anne's.

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's governing document, the Charities Act 2011, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities not to prepare a Statement of Cash Flows.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The financial statements include all transactions, assets and liabilities for which the PCC is responsible in law. They do not include the accounts of church groups that owe their affiliation to another body, nor those which are informal gatherings of church members.

1.2 Going concern

At the time of approving the financial statements, the council members have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the council members continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds - general funds which can be used for PCC ordinary purposes.

Designated funds - monies set aside by the PCC out of unrestricted funds for specific future purposes or projects.

Restricted funds - a) income from trusts or endowments which may be expended only on those restricted objects provided in the terms of the trust or bequest; b) donations or grants received for a specific object or invited by the PCC for a specific object. The funds may only be expended on the specific object for which they were given. Any balance remaining unspent at the end of the year is carried forward as a balance on that fund.

(INCLUDING ST MARY'S)
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2024

1 Accounting policies

(Continued)

1.4 Income

All income and endowments are accounted for without deduction for any costs of receivability, are recognised when there is evidence of entitlement, receipt is probable, and the amount can be measured reliably.

Donations and legacies

Collections are recognised when received.

Planned giving receivable is recognised when there is evidence of entitlement, receipt is probable, and the amount accords with the Gift Aid declaration or other record of intention to donate.

Gift aid recovered is recognised when the income to which it is attached is recognised.

Grants and legacies are recognised when the formal offer in writing of the funding, is received by the PCC.

Charitable activities

Sales of magazines and study notes are recognised when received.

Rents from property are recognised in accordance with the rental agreements, when receipt is probable.

Other trading activities

Trading activities are where income is receivable in return for selling goods or providing services. Income from trading is recognised either: a - when received, or b - in the case of concerts, at the date of the event. Advance bookings are included in creditors until the concert has taken place.

Investment income

Dividends are accounted for when due and payable. Interest entitlements are accounted for as they accrue.

All other income

All other income is recognised in accordance with the above overall policy.

Gains and losses on investments

Realised gains are recognised when the investments are sold.

Unrealised gains and losses are accounted for on revaluation at 31 December.

(INCLUDING ST MARY'S)
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2024**

1 Accounting policies

(Continued)

1.5 Expenditure

Expenditure is accounted for on an accruals basis and accounted for gross.

Grants

Grants and donations are accounted for when paid over, or when awarded where the award creates a binding obligation on the PCC.

Church Activities

The diocesan parish contribution is accounted for on an annual basis, reflecting the allocation set by our Deanery. Any parish contribution unpaid at 31 December is provided for in these accounts as an operational (though not a legal) liability and is shown as a creditor in the balance sheet.

1.6 Tangible fixed assets

Consecrated and beneficed property of any kind is excluded from the accounts by s.10(2) of the Charities Act 2011.

Movable church furnishing held by the Vicar and Churchwardens on special trust for the PCC and which require a faculty for disposal, are accounted as inalienable property unless consecrated. They are listed in the church's inventory which can be inspected but are not included in the financial statements. For other property acquired where there is insufficient cost information available, the cost of such assets are not stated in the financial statements.

All expenditure on consecrated or beneficed buildings and individual items costing under £1,000 are written off in the year they were incurred.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Fixtures and fittings	10% straight line
-----------------------	-------------------

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

1.7 Fixed asset investments

Investments are initially recognised at fair value which is normally the transaction price excluding transaction costs. Subsequently they are measured at fair value with changes recognised in 'net gains / (losses) on investments' in the SOFA of the shares are publicly traded or their fair value can otherwise be measured reliably.

1.8 Impairment of fixed assets

Assets not measured at fair value are reviewed for any indication that the asset may be impaired at each balance sheet date.

If there are indicators of impairment, the recoverable amount is estimated and compared to the carrying amount. Where the carrying amount exceeds its recoverable amount, an impairment loss is recognised in expenditure through the statement of financial activities.

1 Accounting policies

(Continued)

1.9 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.10 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

1 Accounting policies

(Continued)

1.11 Judgements and key sources of estimation uncertainty

In the application of the charity's accounting policies, management are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

Depreciation

Tangible fixed assets are depreciated over their useful lives taking into account residual values where appropriate. The actual lives of the assets and residual values are assessed annually and may vary depending on a number of factors. In re-assessing the assets lives, factors such as technological innovation, product life cycles and maintenance programmes are taken into account. Residual values consider such things as future market conditions, the remaining life of the asset and projected disposal values.

17 Unrestricted funds

(Continued)

The Church Halland Clergy House designated funds represent the proceeds from the sale of properties in previous years. The funds are invested with the CBF.

In previous years, funds were raised for the provision of a Church Tower room. These were recorded as restricted funds. Following subsequent improvements to the church, there was no longer a requirement for a Church Tower room and the PCC, having obtained permission from the surviving donors and Church House, agreed to reclassify these funds as unrestricted funds. The designated funds are held by the PCC to finance routine future maintenance costs to the extent that these cannot be met by unrestricted donations.

The restricted fabric fund was the result of a bequest by Mr King-Smith, to which the Church Roof + Tower fund was added in 2008 to maintain and improve the fabric of the church. The funds are invested with the CBF. The Chancel Trust fund exists as a result of a bequest in previous years to maintain the Chancel. The fund is invested with the CBF. Funds have been received during the year explicitly requested to be used at the discretion of the incumbent.

COUNCIL MEMBERS REPORT**

FOR THE YEAR ENDED 31 DECEMBER 2024

The council members present their annual report and financial statements for the year ended 31 December 2024.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the Church Accounting Regulations 2006, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019).

Objectives and activities

The PCC is committed to enabling as many people as possible to worship at the church and to become part of our parish community at St Anne's.

Then PCC maintains an overview of worship throughout the parish and makes suggestions on how services can involve the many groups that live within the parish. The services and worship put faith into practice through prayer, scripture, music and sacrament.

When planning activities for the year, the Churchwardens and the PCC have considered the Charity Commission guidance on public benefit and, in particular, the specific guidance on charities for the advancement of religion.

In particular, the PCC aims to enable ordinary people to live out their faith as part of our parish community through:

- worship and prayer
- learning about the gospel
- developing their knowledge and trust in Jesus
- provision of pastoral care for people living in the parish
- missionary and outreach work

To facilitate this work it is important that the fabric of St Anne's Church and that of St Mary's Church Hall are both well maintained.

Achievements and performance

The new extension kitchen and toilet facilities have been in full operation and are proving a boon to all churchgoers and clubs and societies who make use of the church. The Quinquennial report issued in 2023 recommended substantial repairs, particularly to the roof and its environs. A project was mounted in the second half of the year and was largely complete by the year-end.

FOR THE YEAR ENDED 31 DECEMBER 2024

Financial review

Unrestricted income for the year 2024 was £554,222 compared to £64,945 in 2023. It included a very generous legacy of £471,840. Total unrestricted giving was £533,678. The rent from letting St. Mary's was £6,816, an increase of £1,230 on the previous year. Unrestricted Gift Aid recoverable was £10,067, an increase of £1,119 compared to the previous year.

The restricted income for the year 2024 of £14,438, increased by £196. Income to the Music fund of £6,117 increased from the previous year by £271.

Income from investments and interest-bearing accounts of £14,614, included in both the unrestricted and restricted funds, increased by £2,589 compared to the previous year.

Expenditure in the unrestricted fund for the year 2024 was £87,463. Expenditure for the Fabric fund for the year was £131,269. The St. Mary's costs were £5,508 compared to £37,807 in the previous year when the windows were renovated. Expenditure for the Music fund was £4,303. The fund therefore showed a profit for the year of £1,814.

The result of the above-mentioned figures is that income has exceeded expenditure in 2024 by £345,624. These figures are before the inclusion of the revaluation of the investments. Their valuation as at 31st December 2024 has resulted in an increase of £4,955 compared to an increase of £18,529 in 2023. The net result of all the above is that total funds as at 31st December 2024 are £739,966, an increase of £350,581 compared to the previous year.

The weekly unrestricted expenditure amounted to £1,682 in 2024 compared to £2,230 in 2023. This calculation excludes the £100,000 that was taken from general funds for each of the Extension and Quinquennial works.

Reserves policy

It is PCC policy (if possible) to maintain a balance of unrestricted funds which equates to approximately six months unrestricted payments to cover emergency situations that may arise from time to time. For 2024 this is £43,732 (again, excluding the £100,000 mentioned above). The General Fund in note 12 of £464,905 includes fixed assets of £610 together with debtors and creditors of £5,822 and (£3,015), respectively. Taking these figures out leaves an amount of £461,488 of unrestricted funds which more than matches the target at the year-end.

Structure, governance and management

The parochial church council is a charity which is registered with the Charity Commission under the name "The Parochial Church Council of the Ecclesiastical Parish of St Anne Lewes" with charity number 1185509.

The trustees who served during the year and up to the date of signature of the financial statements were:

INDEPENDENT EXAMINER'S REPORT**

TO THE COUNCIL MEMBERS OF ST ANNE'S PAROCHIAL CHURCH COUNCIL

I report to the council members on my examination of the financial statements of St Anne's Parochial Church Council (the charity) for the year ended 31 December 2024.

Responsibilities and basis of report

As the council members of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 (the 2011 Act).

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act. In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Since the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

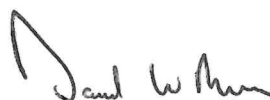

Your attention is drawn to the fact that the charity has prepared financial statements in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn.

I understand that this has been done in order for financial statements to provide a true and fair view in accordance with Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2024**

1 Accounting policies

Charity information

St Anne's Parochial Church Council is committed to enabling as many people as possible to worship at the church and to become part of our parish community at St Anne's.

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's governing document, the Charities Act 2011, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities not to prepare a Statement of Cash Flows.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The financial statements include all transactions, assets and liabilities for which the PCC is responsible in law. They do not include the accounts of church groups that owe their affiliation to another body, nor those which are informal gatherings of church members.

1.2 Going concern

At the time of approving the financial statements, the council members have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the council members continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds - general funds which can be used for PCC ordinary purposes.

Designated funds - monies set aside by the PCC out of unrestricted funds for specific future purposes or projects.

Restricted funds - a) income from trusts or endowments which may be expended only on those restricted objects provided in the terms of the trust or bequest; b) donations or grants received for a specific object or invited by the PCC for a specific object. The funds may only be expended on the specific object for which they were given. Any balance remaining unspent at the end of the year is carried forward as a balance on that fund.

1 Accounting policies

(Continued)

1.4 Income

All income and endowments are accounted for without deduction for any costs of receivability, are recognised when there is evidence of entitlement, receipt is probable, and the amount can be measured reliably.

Donations and legacies

Collections are recognised when received.

Planned giving receivable is recognised when there is evidence of entitlement, receipt is probable, and the amount accords with the Gift Aid declaration or other record of intention to donate.

Gift aid recovered is recognised when the income to which it is attached is recognised.

Grants and legacies are recognised when the formal offer in writing of the funding, is received by the PCC.

Charitable activities

Sales of magazines and study notes are recognised when received.

Rents from property are recognised in accordance with the rental agreements, when receipt is probable.

Other trading activities

Trading activities are where income is receivable in return for selling goods or providing services. Income from trading is recognised either: a - when received, or b - in the case of concerts, at the date of the event. Advance bookings are included in creditors until the concert has taken place.

Investment income

Dividends are accounted for when due and payable. Interest entitlements are accounted for as they accrue.

All other income

All other income is recognised in accordance with the above overall policy.

Gains and losses on investments

Realised gains are recognised when the investments are sold.

Unrealised gains and losses are accounted for on revaluation at 31 December.

1 Accounting policies

(Continued)

1.5 Expenditure

Expenditure is accounted for on an accruals basis and accounted for gross.

Grants

Grants and donations are accounted for when paid over, or when awarded where the award creates a binding obligation on the PCC.

Church Activities

The diocesan parish contribution is accounted for on an annual basis, reflecting the allocation set by our Deanery. Any parish contribution unpaid at 31 December is provided for in these accounts as an operational (though not a legal) liability and is shown as a creditor in the balance sheet.

1.6 Tangible fixed assets

Consecrated and beneficed property of any kind is excluded from the accounts by s.10(2) of the Charities Act 2011.

Movable church furnishing held by the Vicar and Churchwardens on special trust for the PCC and which require a faculty for disposal, are accounted as inalienable property unless consecrated. They are listed in the church's inventory which can be inspected but are not included in the financial statements. For other property acquired where there is insufficient cost information available, the cost of such assets are not stated in the financial statements.

All expenditure on consecrated or beneficed buildings and individual items costing under £1,000 are written off in the year they were incurred.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Fixtures and fittings	10% straight line
-----------------------	-------------------

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

1.7 Fixed asset investments

Investments are initially recognised at fair value which is normally the transaction price excluding transaction costs. Subsequently they are measured at fair value with changes recognised in 'net gains / (losses) on investments' in the SOFA of the shares are publicly traded or their fair value can otherwise be measured reliably.

1.8 Impairment of fixed assets

Assets not measured at fair value are reviewed for any indication that the asset may be impaired at each balance sheet date.

If there are indicators of impairment, the recoverable amount is estimated and compared to the carrying amount. Where the carrying amount exceeds its recoverable amount, an impairment loss is recognised in expenditure through the statement of financial activities.

1.9 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.10 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

1.11 Judgements and key sources of estimation uncertainty

In the application of the charity's accounting policies, management are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

Depreciation

Tangible fixed assets are depreciated over their useful lives taking into account residual values where appropriate. The actual lives of the assets and residual values are assessed annually and may vary depending on a number of factors. In re-assessing the assets lives, factors such as technological innovation, product life cycles and maintenance programmes are taken into account. Residual values consider such things as future market conditions, the remaining life of the asset and projected disposal values.

17 Unrestricted funds

(Continued)

The Church Halland Clergy House designated funds represent the proceeds from the sale of properties in previous years. The funds are invested with the CBF.

In previous years, funds were raised for the provision of a Church Tower room. These were recorded as restricted funds. Following subsequent improvements to the church, there was no longer a requirement for a Church Tower room and the PCC, having obtained permission from the surviving donors and Church House, agreed to reclassify these funds as unrestricted funds. The designated funds are held by the PCC to finance routine future maintenance costs to the extent that these cannot be met by unrestricted donations.

The restricted fabric fund was the result of a bequest by Mr King-Smith, to which the Church Roof + Tower fund was added in 2008 to maintain and improve the fabric of the church. The funds are invested with the CBF. The Chancel Trust fund exists as a result of a bequest in previous years to maintain the Chancel. The fund is invested with the CBF. Funds have been received during the year explicitly requested to be used at the discretion of the incumbent.
