

SEVEN KINGS LIONS CLUB – (CIO)

Trustees Annual Report the Year Ending 30th June 2022

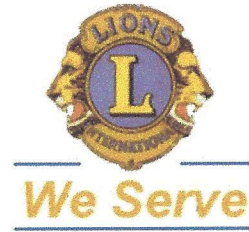

We are non-profit voluntary charity club, Seven Kings Lions Club (CIO) was registered with the Charities Commission number 1185513 on 26th September 2019 and has 3 trustees and 7 volunteers.

We raise donations through different sources i.e. Just Giving, Go Fund Me, Networking Events etc. Our main projects that are:

- Giving Tree is an initiative that we started in 2014. Each year at Christmas we identify disadvantaged children in the borough to whom we provide a gift that they wish for and may not otherwise receive. See report below £1,280.72.
- Kiva, where we provide business enterprises and personal support to individuals on a global basis as an interest free loan allowing them to better their lives.
- Supply Message in a Bottle and Message in a Wallet which give the medics access to medical prescriptions for a patient in emergency either at home or in a wallet.
- This year our club played pivotal role, where we supplied substantial amounts of food and beverages, which were distributed to the 3Food4U food hub as well as other distribution hubs. See report below £17,500.00. 15-20 hours per month are spent just on the activity of collection and distribution of donated ready meals to ensure 100's of meals are delivered each week to those in needs.
- Year 2022 had been a another year of challenge to raise donations, to support the good cause, regardless of these the club has raised £10,000.00 from National Lottery, £5,000.00 from West Essex Mind and £2,500.00 Arnold Clark Auto. We would like to thank these donors for their generous support which has provided, much needed to further excel 3Food4U.

Clubs charity accounts are presented and thoroughly scrutinised at our Business meetings. Accounts for the year ending 30 June 2022 are approved by members as shown below in the report.
