Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	To act as a resource for youth in Zambia and such other parts of the world as the charity trustees may from time to time think fit, by providing advice and support to those organising programmes of physical, educational and other activities; assisting in the provision of shelter, education, training, and healthcare, in particular through the support of the Agape Love Family Home, Zambia.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	Based on continued constraints amongst some of the trustees, the work of Friends of Agape Love Family Home (FOALFH) has continued to be limited. One of the members of the board who offered to make her land available, has completed building a 3-bedroom house with the moral support of FOALFH. Once furnished, it shall be made available to Agape Love Family Home for use as shelter for vulnerable/orphaned children in Lusaka Zambia. The main role of FOALFH in 2024 was to provide moral and other support while the construction of the home was underway, helping to ensure that it is fit for purpose, and meets local health and safety requirements. Individuals who are friends of Agape Love Family Home have made financial pledges to support the charity.

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	To act as a resource for youth in Zambia and such other parts of the world as the charity trustees may from time to time think fit, by providing advice and support to those organising programmes of physical, educational and other activities; assisting in the provision of shelter, education, training, and healthcare, in particular through the support of the Agape Love Family Home, Zambia.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	The main activities during the period consisted of fundraising via: • Talks by at least one of the Trustees at several community meetings to raise awareness about the needs of vulnerable children in Zambia and to share the vision of FOALFH • A creative activity for the public to participate in (portrait-drawing session) facilitated by local artists; donations for the charity were received. Based on constraints faced during the global pandemic which started in Spring 2020, our activities were limited during this period. Based on our risk assessments, we took this approach for the benefit of the public and intended beneficiaries.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	The Trustees have been made aware of the vision, purpose and constitution of the FOALFH and are aware of the Charity Commission guidance and requirement that our purpose, activities and our reporting of such activities must all be for the public benefit.
