Objectives and activities

Key objectives

The objectives of the charity are:

- 1) To advance the Christian faith for the benefit of the public in accordance with the Statements of Faith, particularly but not exclusively, through the provision of Christian education, prayer meetings and pastoral support.
- 2) To relieve sickness and poverty and to promote general health and wellbeing through the provision of funds, goods or services of any kind, including counselling and practical advice and support.
- 3) To advance education of the general public in the area of Christian faith.

Achievement and Performance

The Church's task of making disciples of all nations is expressed in the corporate worship, prayer and other activities of the Church aimed at helping individuals grow in understanding and expression of their faith leading to a deeper knowledge of God.

When planning our activities, the Trustees and elders have considered the Commission's guidance on public benefit and, the specific guidance on charities for the advancement of religion. We strive to empower ordinary people to live out their faith in demonstrable love for God (in worship and obedience to Scripture) and neighbour (in practical service to others).

Worship and prayer

The Church has provided regular times of corporate worship, prayer and fellowship for its members and the public. Regular celebration of the sacrament of the Lord's supper has been a central part of Life in Christ church UK regular worship.

The focus for the year has primarily been consolidation in the faith of existing members and equipping for the successful, long-term realisation of the central vision of the Church.

The vision of the Church remains to see lives transformed by Christ, the founder and perfecter of the faith, confidently sharing and powerfully impacting their native environment with their faith. Life in Christ Church UK is committed to developing missional communities firmly founded on scriptural principles with a vision to serve their local communities.

To this end and in addition to the regular weekly services conducted, several targeted

teaching and training events have also been delivered throughout the year especially in the areas of ministry and leadership development. A weeklong conference with guest speakers

from other Churches in the UK have been conducted in the current financial year aimed at encouraging, equipping and empowering members. Ample opportunities have also been made available for increased bonding and building of relationships among members helping them to gel into the body the church represents. These have consisted of regular weekly local gatherings in people's homes for mutual encouragement and relationship building as well as church wide activities and outings.

Pastoral care

Alongside all the above, pastoral care has been a mainstay of the Church demonstrating love and care for the individual. Life in Christ Church UK continues to provide ongoing pastoral care and support for its members and those it reaches out to.

The regular local gatherings in homes and the different ministry teams with their respective leaders represent the first tier of pastoral care. Mutual care and support are actively promoted and facilitated at this level. In addition, everyone in leadership responsibility is actively encouraged and supported to create and maintain a close life-based relationship with at least one other member of the Church with a view to journeying together with them on the path of discipleship, for mutual encouragement and accountability.

Where the pastoral need exceeds the provisions listed above, the core leaders of the Church and other senior ministers assigned by them are on standby to provide care and support.

Notes to the Accounts.

(a) Basis of preparation

1. Accounting Policies

These accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts. The accounts have been prepared in accordance with:

The Statement of Recommended Practice Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014

the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and with Charities Act 2011

1.1 Changes to accounting estimates.

No changes to accounting estimates have occurred in the reporting period.

1.2 Material prior year errors

No material prior year error has been identified in the reporting period (3.47 FRS 102 SORP).

2. INCOME

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received, and the amount of income receivable can be measured reliably.

Donations are recognised when the Trust has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that those conditions will be fulfilled in the reporting period.

The charity has not yet received any legacy. However, if there is a Legacy gift, it will be recognised on a case-by-case basis following the granting of probate when the administrator/executor for the estate has communicated in writing both the amount and settlement date. In the event that the gift is in the form of an asset other than cash or a financial asset traded on a recognised stock exchange, recognition is subject to the value of the gift being reliably measurable with a degree of reasonable accuracy and the title to the asset having been transferred to the charity.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank.
