SALFORD Baby Bank
FROM DAUGHTERS OF SALFORD

FOUNDERS THOUGHTS

As we wrap up another year, our hearts are once again filled with gratitude for the generosity and support we have received from every corner of the country. During these challenging times, we have seen a wealth of continued support but also sadly an increase in referrals and desperate need within our community.

Daughters of Salford, continue to be filled with compassion in uncertain times and are committed to being a practical crisis resource for those raising young families in this remarkable city.

Since our establishment in 2020, we have had the privilege of helping over 2,673 households by distributing more than 9,386 crisis packages. This accomplishment would not have been possible without our dedicated and inspiring volunteers, along with our outstanding trustees. I have invited one of our Trustees to share her thoughts as we reflect on the last year,

Yours Faithfully **ANGELA OUATTARA**

TRUSTEE - REFLECTIONS

It continues to be a real privilege to be a Trustee and to be involved with our Salford Baby Bank Project. The sad reality is that demand for our packages has increased year on year and we continue to meet genuine need at a critical moment. A new baby brings both joy and challenges for every family. It's hard to think that on top of the challenges some families face the burden of homelessness or have worries about money and whether they can meet the needs of their baby. Its humbling to realise the significant difference our packages make to families at these times of crisis or difficulty; whether this is ensuring a baby has a safe place to sleep by providing a cot or Moses basket or other items essential for a babies day to day care. Our team of volunteers and fellow trustees are brilliant. We are all in agreement that all babies should have their needs met and that all families should have access to the essential items that allow them to care for themselves and their babies well. We know from our own experiences that if they have those items it will help provide the best start for their children. There have been many individuals, churches, groups and companies that understand both the need and our aims and have supported our work this year. It's been great to join together with them and I believe it's a great example of how different parts of our community have come together for babies in Salford and their families.

Yours Faithfully **ABBIE COOPER**

PREVENTION OF HARM

When Daughters of Salford established it's board of trustees they came together because they were all passionate about the experiences of women and their families within Salford.

The primary aim was and continues to be to prevent further harm to those families struggling in present times, whether that is through the cost of living crisis or homeless crisis. We are committed to ensure that ALL children and ALL families have access to crisis provisions and as a board of trustees, we are all committed to collaborating with partners who share our goal of addressing health inequalities for women and their families.

A Preventive Approach at Salford Baby Bank;

Our Baby bank project is clinically led by Angie who has been a Registered Midwife for over 25yrs. In accordance with Daughters primary aim we are mindful of the adverse childhood experiences that can affect health and well-being later in life. Salford Baby bank specifically address the first 1,001 days of a child's life. Providing essentials for pregnant women and babies in nappies is critical, and we strive to approach all referrals with a preventive lens. We triage all referrals with the desired outcome that we support families with the practical items they need to avoid risk by providing safety equipment, prevent avoidable health issues and restore dignity.
Our care packages are designed to be practical and tailored to meet the needs of families in crisis, helping to restore dignity. Our safety care packages ensure that every baby has the opportunity to be clean, fed and also sleep safely, no matter where they lay their head within our city.

FOUNDERS THOUGHTS

As another year passes we have once again been overwhelmed by the generosity and support from across the country. In these difficult days we have seen no shortage of referrals or the depth of need within our community. Our commitment at Daughters of Salford is to remain a practical response to crisis needs for those raising young families across this great city of Salford.

Since our launch in 2020 we have had the privilege to support over 1,951 households with over 6,566 crisis packages. This would not have been possible without our incredible team of dedicated and inspirational volunteers and brilliant trustees. I have asked our vice Chair to share her thoughts at the close of another year at Daughters.

VICE CHAIR'S REFLECTIONS

As we reflect on this past year, we are truly grateful to those who have supported us in so many different ways.

We are thankful to funders like the National Lottery, Salford CVS and many individuals who have helped us fund the work, especially supporting families experiencing a cost of living crisis.

We are also thankful to our referrers for trusting us to deliver a good service to their clients, our amazing volunteers for giving their precious time in doing door step deliveries of packages to families and to our hard working Co-ordinator for dealing with referrals and working behind the scenes.

As you can see it really is a team effort but there's always room for more help so please do get in touch if you'd like to help in any way!

Yours Faithfully

PREVENTION OF HARM

Daughters of Salford are determined to work together with those who are committed to work in partnership to address the health inequalities for women and families within our city. We know that the prevention of harm is vital and the need to meet families with practical resources is growing as the pandemic exacerbates the health divide.

Salford Baby Bank looks at referrals with prevention in mind. Our team is clinician led and attentive to the adverse childhood experiences which can impact health and well being in later life. The first 1001 days in a child's life are crucial and we aim to approach all referrals with eyes of prevention. All our care package provisions are practical and meet families needs in crisis and help to restore some dignity. Our safety care packages ensure all babies can sleep safe wherever they lay to sleep within our city.

Salford Baby Bank data continues to inform the work of Shared Health Foundation, and the wider depth of work that Baby Bank contributes to supporting homeless families in temporary accommodation. With regards to the provision of Cots in Temporary Accommodation, and the risks associated have been escalated beyond what we could have ever imagined.

Shared Health Foundation have continued to participate and inform Government Ministers and members of the All Parliamentary Political Group for families in temporary accommodation, bring attention to standards and also had an increasing awareness around the provision of safer sleep equipment for babies.

This year Shared Health have seen a change to recommendations around provision of cots, submitted a petition to No 10 and seen Amnesty International take up the call for every baby to have a safe space to sleep in Temporary accommodation. In the words of Dr Laura Neilson “Even if you’re little, you can do a lot”

FOUNDERS THOUGHTS

As we continue to rise from the ashes of a global pandemic and see the atrocities of war continue against Ukraine. Across the UK and around the world the depths of suffering are tangible and deep within all our communities. As the cost of living and housing crisis continues in the UK we have seen no let up in the need for our most vulnerable families across Salford.

We are humbled by the support from our continued partnerships with other organizations and the strength and commitment to support us serve the most vulnerable families within our city. We have all got a lot busier as the lockdowns have lifted but we want to give special thanks to our friends at Salford Food Bank and The Castle Community Centre, Eccles who continue to support us so closely.

The continued support from our fantastic baby bank angels who volunteer their time means we are still able to offer a delivery service for our provisions. Our board of Trustees are so proud that we have managed to support families across this amazing city in moments of crisis.

Whilst we are needed Daughters of Salford are committed to continue responding to professionals on the ground who work with families in crisis and financial hardship. We continue to pray that the economic, housing and political situation in the UK will improve.

appg Households in Temporary Accommodation

We continue to develop the project of Salford baby bank in collaboration with Shared Health in Oldham.

The Healthy gems Hub has been born out of Salford but is developing a clinical model embedded in public health. In Oldham we predominantly work alongside homeless families but also others who are vulnerable in the community that are pregnant or have a child in nappies.

Clinicians and professionals committed to reducing the impact of health inequalities in areas of deprivation work together to support families to thrive.

We also work alongside local authority and unfortunately have seen the numbers of families in emergency and temporary accommodation sore.

The projects have dovetailed and are a real on the ground solution, reaching those in desperate hardship.

Working with Shared Health we have continued to participate and inform ministers and members of the APPG for families in temporary accommodation. As we continue to bring attention to standards in TA, we have also had an increasing awareness around the provision of safer sleep equipment for babies. This year we have published with the Lullaby trust to create a resource for families in emergency situations and have begun to deep dive with NCMD.

SHIMEER- SALFORD BABY BANK CO-ORDINATOR

I ENJOY WORKING AT BABY BANK, WHILST IT IS A SAD REALITY THAT PEOPLE ARE IN A LOT OF NEED, I DO HAVE A LOT OF JOB SATISFACTION AS WE ARE HELPING PEOPLE OVERCOME THE HARDSHIPS THEY FACE.

IN ADDITION TO PROVING SUPPORT FOR WOMEN WITH BABIES, WE OFTEN PROVIDE SUPPORT TO PREGNANT WOMEN WHO ARE PREPARING FOR THEIR BABY'S ARRIVAL. THEY ARE IN NEED OF ALL THE BASICS, SUCH AS MOSES BASKETS AND PUSHCHAIRS. RECENTLY, WE ARE NOT GETTING MANY PUSHCHAIR DONATIONS, ALTHOUGH DEMAND IS INCREASING. OFTEN WE GET REQUESTS FOR DOUBLE PUSHCHAIRS, BUT UNFORTUNATELY WE DO NOT RECEIVE THESE AS OFTEN AS IN THE PAST.

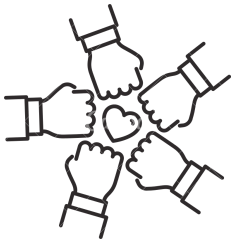

RECENTLY, WE ARE GETTING A LOT OF CLIENTS FROM M3, WHO ARE IN A TEMPORARY ACCOMMODATION AND DO NOT HAVE MUCH AT ALL. A HIGH PROPORTION OF THESE LADIES ARE ASIAN, WHO OFTEN HAVE LIMITED ENGLISH, OR SPEAK ENGLISH AS SECOND LANGUAGE, WHICH CAN MAKE IT DIFFICULT TO COMMUNICATE WHEN THERE ARE CLARIFICATIONS ON AN APPLICATION.

DUE TO THE COST-OF-LIVING INCREASES, MANY CLIENTS ARE REQUESTING MORE THAN THE INITIAL EMERGENCY CARE. SOME CLIENTS ARE REQUESTING SUPPORT ABOUT EVERY 2 WEEKS, ALTHOUGH WE ONLY OFFER PROVISION ONCE A MONTH. WE HAVE ALSO SEEN CLIENTS REQUIRING SUPPORT FOR A LOT LONGER THAN THE STANDARD 8 WEEKS OF PROVISION. ADDITIONALLY, WE ARE SEEING MANY CLIENTS AND PROFESSIONALS COMING TO COLLECT MORE OFTEN AS LIMITED VOLUNTEERS MEAN WE CANNOT ALWAYS DELIVER.

THEY ARE MANY NEW PROFESSIONALS REFERRING NEW CLIENTS, SO IT APPEARS WORD OF BABY BANK IS SPREADING ORGANICALLY. AT THE BEGINNING OF THE YEAR, WE WERE VERY BUSY, ALTHOUGH THIS HAS EASED OVER THE SUMMER. LAST YEAR, IT WAS ALSO VERY BUSY OVER CHRISTMAS AND NEW YEAR.

THIS YEAR, WE HAVE DEVELOPED A REGULAR ARRANGEMENT WITH SALFORD FOOD BANK, WHERE THEY HAVE BEEN DELIVERING DONATIONS. THIS HAS BEEN WORKING VERY WELL AS WE DON'T NEED TO RING THEM UP OR GO TO THEM TO COLLECT AS BEFORE.

SALFORD BABY BANK ARE ALWAYS LOOKING FOR VOLUNTEERS & DRIVERS. IF YOU FEEL YOU COULD SPARE JUST 1 HOUR PER WEEK TO SUPPORT OUR LOCAL COMMUNITY GET IN CONTACT!

SALFORD Baby Bank
FROM DAUGHTERS OF SALFORD

FOUNDERS THOUGHTS

What an extraordinary second year it has been! Not only for us at Salford Baby Bank but the whole world. As we rise from the ashes of a global pandemic, continue to see the atrocities of war against Ukraine and witness the depths of suffering which remain, deep in all our communities here and around the World.

I am humbled by the support from our continued partnerships with other organisations and the strength and commitment to support the most vulnerable families here in Salford. We have all got a lot busier as the lockdowns have lifted but we want to give special thanks to our friends at Salford Food Bank and The Castle Community Centre, Eccles who continue to support us so closely. You are amazing and our heartfelt thanks continues.

Our volunteers continue to strive to bring dignity to those who feel they have lost all hope. The brief visits, words of kindness and compassion accompany the beautiful packages they craft daily which continue to be delivered with specific family needs in mind. We are committed to help alleviate often desperate suffering and hardship. Our wonderful volunteers continue to ensure as far as possible all babies have enough milk and a safe place to sleep and rest their heads.

This year we have had the privilege to join the response to the needs of Afghan and Ukrainian refugees who have fled homes. We have supported refugees when they arrive with essential practical items in their new safe place to dwell as well as those who already call this amazing city of Salford home.

In total we have provided 1,678 packages to 469 families of which 81 were homeless families in temporary accommodation. With no paid members of staff, our Board of Trustees are tremendously proud and thankful for the dedication of our amazing team.

We are committed to continue to provide for the sons and daughters of Salford as we enter our third year at Salford Baby Bank. We believe this is a new season and as we transition, we hope to bring further support and care for those in our community who call Salford home and find themselves in crisis. Thank you for all the continued support and good will we continue to feel as we establish ourselves more permanently at St Luke's Church here in Langworthy & Weaste.

Yours Faithfully

ANGELA OUATTARA

PREVENTION OF HARM

Daughters of Salford are determined to work together with those who are committed to work in partnership to address the health inequalities for women and families within our city. We know that the prevention of harm is vital and the need to meet families with practical resources is growing as the pandemic exacerbates the health divide.

Salford Baby Bank looks at referrals with prevention in mind. Our team is clinician led and attentive to the adverse childhood experiences which can impact health and well being in later life. The first 1001 days in a child's life are crucial and we aim to approach all referrals with eyes of prevention. All our care package provisions are practical and meet families needs in crisis and help to restore some dignity. Our safety care packages ensure all babies can sleep safe wherever they lay to sleep within our city.

UPDATES AWARENESS

WE CONTINUE TO DEVELOP THE PROJECT OF SALFORD BABY BANK IN COLLABORATION WITH SHARED HEALTH IN OLDHAM. THE HEALTHY GEM HUB HAS BEEN BORN OUT OF SALFORD BUT IS DEVELOPING A CLINICAL MODEL EMBEDDED IN PUBLIC HEALTH AND COMMITTED TO PROVIDING INDIVIDUALISED CARE FOR THOSE WOMEN AND CHILDREN MOST AFFECTED BY TRAUMA IN OUR COMMUNITIES. THIS IS SUPPORTED BY CLINICIANS AND PROFESSIONALS WHO ARE DESPERATE FOR CHILDREN TO THRIVE AND COMMITTED TO ENSURING HEALTH OUTCOMES ARE NOT FURTHER IMPACTED BY POVERTY.

WORKING ALONGSIDE LOCAL AUTHORITY HOUSING TEAMS WE HAVE SEEN THE NEED FOR PROVISIONS STAY MUCH THE SAME THIS YEAR AS FAMILIES WHO ARE HOMELESS AND IN TEMPORARY ACCOMMODATION SOAR. THE PROJECTS HAVE DOVETAILED AND REALLY REACH THOSE IN DESPERATE HARDSHIP.

WORKING WITH SHARED HEALTH FOR MY DAY JOB HAS BEEN A HUGE PRIVILEGE AS THE WORK TO LAUNCH THE ALL PARLIAMENTARY PARTY GROUP FOR HOMELESS FAMILIES IN TEMPORARY ACCOMMODATION. OUR TEAM SPOKE TO MP'S IN WESTMINSTER TO RAISE AWARENESS OF THE LIVES EXPERIENCES OF PREGNANT MUMS, EARLY YEARS AND ALL FAMILIES LIVING IN TEMPORARY ACCOMMODATION.

WHAT A WHIRL WIND AND AN EXTRAORDINARY SEASON TO LAUNCH A CHARITY. I AM IMMENSELY PROUD AND HUMBLED BY THE DEDICATION OF OUR TEAM AND THE DETERMINATION TO BRING DIGNITY AND HOPE TO THE MOST VULNERABLE SONS AND DAUGHTERS IN OUR AMAZING HOME CITY. TOGETHER WE ARE ENSURING THAT WE PRACTICALLY TACKLE SOME OF THE HEALTH INEQUALITIES FACES BY OUR FAMILIES IN CRISIS IN SALFORD.

GEMMA PRINCE - TREASURER

THE LAST 2 YEARS HAVE BEEN A ROLLERCOASTER AND HAVE GONE BY SO FAST! IT MAKES ME PROUD TO WORK WITH SOME AMAZING PEOPLE AND I STILL FEEL PRIVILEGED EVERY DAY THAT I CAN HELP MAKE A DIFFERENCE TO FAMILIES ACROSS SALFORD.

LIZ PEPPIATT - VICE CHAIR

BELIEVING THAT 'IT TAKES A VILLAGE TO RAISE A CHILD' THEN IT HAS BEEN A REAL PRIVILEGE TO HELP LITTLE ONES AND THEIR FAMILIES IN THE EARLY DAYS WITH MEETING PRACTICAL NEEDS. WE ARE SO GRATEFUL TO OUR TEAM OF VOLUNTEERS WHO HAVE HELPED IN SO MANY DIFFERENT WAYS, EACH PLAYING THEIR PART OF THE 'VILLAGE'.

ANNA PRATT - SECRETARY

DAUGHTERS OF SALFORD IS A BRILLIANT ORGANISATION TO BE A PART OF. WHILE IT HAS ACHIEVED MORE THAN I THOUGHT POSSIBLE, WHAT I'M MOST PROUD OF IS THE INTEGRITY WITH WHICH IT'S RUN AND IT'S PROFESSIONALISM THAT LOOKS AT THE MOST APPROPRIATE SYSTEM RESPONSE TO CRISIS, AND FOCUSES ON IMPROVING LONG TERM OUTCOMES, NOT JUST SHORT TERM WINS.

Trustee's

JUDY USHER

IT HAS BEEN A PRIVILEGE TO WORK WITH OTHERS WHO HAVE A PASSION TO MAKE A DIFFERENCE IN THE LIVES OF PARENTS AND THEIR BABIES. IT HAS BEEN AMAZING TO BE ABLE TO DROP OFF EQUIPMENT AND OUR VARIOUS PACKAGES AND SEE THE DELIGHT AND RELIEF ON PEOPLE'S FACES

ABBIE COOPER

IT HAS BEEN AN HONOUR TO BE PART OF THE SALFORD BABY BANK PROJECT DURING THE LAST 2 YEARS. MY FELLOW TRUSTEES AND THE VOLUNTEERS ARE ALL KIND AND COMPASSIONATE PEOPLE, AND WE ALL LOVE OUR LOCAL COMMUNITY. IT IS A PRIVILEGE TO BE PART OF A TEAM OF PEOPLE AND TO SEE FIRST HAND LOCAL FAMILIES BEING CARED FOR AND THEIR LIVES IMPACTED BY THE WORK WE DO

ERIN COUSSONS - COMMUNICATIONS

I AM SO PROUD TO WORK WITH THE DAUGHTERS OF SALFORD TEAM AND IT HAS BEEN ONE OF THE MOST REWARDING TEAMS I HAVE EVER BEEN A PART OF. SUPPORTING THE FAMILIES AND COMMUNITY OF SALFORD IS A HUGE PRIVILEGE AND THE RESPONSE TO THE BABY BANK PROJECT HAS BEEN AMAZING. BEING ABLE TO SEE FIRST HAND THE DIFFERENCE WE ARE MAKING TO THE COMMUNITY, SUPPORTING FAMILIES AND BABIES IS INCREDIBLE.

SOCIAL MEDIA & BRANDING

One of my main focuses when joining the Daughters of Salford team was figuring out a way for more people to know and understand what Daughters of Salford and Salford Baby Bank do. In doing this I focused on the branding and establishing our social media.

It initially started off with creating eye catching posts, encouraging people to share our story of what we do and arranging donations. As time went on the initial focus shifted, adding in “how can we use this platform to further support Salford as well as the wider community?”

We created posts for top tips, and life long lessons for parents of families with young children, supporting the likes of weaning and potty training to keeping little minds active and occupied during school holidays.

This is something I am really passionate about and is growing more and more with upcoming collaborations with the local community sharing their expertise.

The overall aim with our social media is to provide support to as many families and parents as possible!

I HAVE CHOSEN TO VOLUNTEER AT SALFORD BABY BANK BECAUSE I WAS BORN AND RAISED IN SALFORD AND I DON'T LIKE TO SEE PEOPLE NOT HAVE THE ADVANTAGES I HAVE. I WANT TO GIVE BACK TO SALFORD WHAT SALFORD GAVE TO ME

ANNA SMITH (15 YRS)

LEILA OUTTARA (9YRS) & SCARLETT PRINCE (9 YRS)

HELLO WE LOVE BEING VOLUNTEERS AT SALFORD BABY BANK BECAUSE IT REALLY MAKES US FEEL GOOD ABOUT OURSELVES THAT WE CAN HELP THOSE IN NEED AND WE CAN BE A PART OF IT. WE ALSO THINK THAT WE HAVE BEEN GIVEN SO MUCH AND WE WOULD LIKE TO GIVE PEOPLE THE SAME

ELLEN

I STARTED BEING A VOLUNTEER DRIVER FOR SALFORD BABY BANK EARLIER THIS YEAR, AFTER RESPONDING TO A PLEA ON FACEBOOK. AS I ALREADY KNOW ANGIE AND GEMMA, I APPROACHED THEM ABOUT HOW I COULD OFFER SOME TIME ON MY DAY OFF. I AM ABLE TO MAKE A COUPLE OF DELIVERIES EACH WEEK AND SEEING THE PEOPLE WHICH THE CHARITY IS HELPING HAS BEEN HUMBLING. I AM PLEASED I HAVE BEEN ABLE TO MAKE A POSITIVE CONTRIBUTE TO THE CHARITY AND HOPE TO CONTINUE TO BE INVOLVED GOING FORWARD.

STEPH

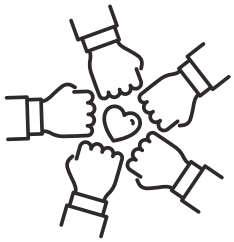

I VOLUNTEER AT SALFORD BABY BANK BECAUSE I GREW UP IN SALFORD AND WORK AT OUR LOCAL HOSPITAL SALFORD ROYAL. I HAVE SEEN MANY FAMILIES SUFFER AND BABY BANK OFFERS REAL PRACTICAL SUPPORT TO FAMILIES IN CRISIS. I LOVE KNOWING WE ARE SUPPORTING LOCAL FAMILIES AND GIVING BACK TO THE COMMUNITY WHICH RAISED ME.

SHIMEER

WHEN I FIRST HEARD ABOUT SALFORD BABY BANK AND THEIR MISSION SOMETHING RESONATED DEEP WITHIN. I HAVE WORKED AS A SCHOOL TEACHER FOR OVER 25 YEARS, I ALSO HAVE 5 CHILDREN AND 10 GRANDCHILDREN! DURING MY TIME AS A PARENT AND A TEACHER, I WAS ABLE TO WITNESS FIRST HAND WHAT IT MEANS TO BRING UP A FAMILY ON A LIMITED BUDGET. I WAS VERY AWARE OF THE PRESSURE FAMILIES CAN FEEL WHEN THEY ARE UNABLE TO ACCESS THE KEY ESSENTIALS. I FIRST BECAME A VOLUNTEER, I WOULD ANSWER EMAILS, PACK UP AND DELIVER SUPPLIES. I AM NOW HONOURED TO HAVE STEPPED INTO THE ROLE OF COORDINATOR. BABY BANK IS SOMETHING THAT IS EXTREMELY CLOSE TO MY HEART AND I'M EXCITED IN MY NEW ROLE WORKING WITH THE TEAM TO ENSURE THAT FAMILIES IN SALFORD ARE EQUIPPED WITH THE ESSENTIALS THEY NEED TO THRIVE.

SALFORD BABY BANK ARE ALWAYS LOOKING FOR VOLUNTEERS & DRIVERS. IF YOU FEEL YOU COULD SPARE JUST 1 HOUR PER WEEK TO SUPPORT OUR LOCAL COMMUNITY GET IN CONTACT!

FROM DAUGHTERS OF SALFORD

FOUNDERS THOUGHTS - AN EXTRA ORDINARY YEAR!

I have been so excited to see the launch of a 20 year vision for Daughters of Salford to be established here in my home City. I am incredibly proud of our contribution to Salford in our founding years activities and the launch of Salford Baby Bank. As the world responded to a pandemic unknown to our generation we launched our first long term project, Salford Baby Bank.

With hearts of gratitude to our board of Trustees and a sequence of miraculous events we were able to stock our stores and have supported 456 families in crisis with 1695 Hygiene, Food & safety Packages at an estimated cost of £33.424.50 which is incredible!

We could not have accomplished this amazing response to our respected NHS and Social Care Staff and their most vulnerable families, without the generosity of our residents in Salford and the commitment from our WONDERFUL Volunteers.

Daughters of Salford have partnered with over 30 inspirational organisations across the city and stood shoulder to shoulder to provide for the most vulnerable families living in deprivation. We have ensured that a response to the needs of parents has been heard and provisions made to ease the suffering. As the waves of the crisis persisted we too were able to continue to respond to referrals, meet the needs of our youngest Sons and Daughters, who often are too young to have a voice. We have provided their mums and dads the essentials so they have the provisions to thrive and sleep safe.

Our Guardian Angel volunteers who prepare the preloved and essential items has grown to 6 and we have 5 Guardian Angel youth volunteers donating their precious time of approximately 600 hours.

I am incredibly proud of our team and how we have responded to some of the injustice we have seen. I feel excited to see what we can achieve together for our community in the next year as Daughters of Salford grows!

Prevention of harm

Daughters of Salford are determined to work together with those who are committed to work in partnership to address the health inequalities for women and families within our city. We know that the prevention of harm is vital and the need to meet families with practical resources is growing as the pandemic exacerbates the health divide.

Salford Baby bank looks at referrals with prevention in mind. Our team is clinician led and attentive to the adverse childhood experiences which can impact health and well being in later life. The first 1001 days in a child's life are crucial and we aim to approach all referrals with eyes of prevention. All our Care Package provisions are practical and meet families needs in crisis and help to restore some dignity. Our Safety Care Packages ensure all babies can sleep safe wherever they lay to sleep within our City.

"Being busy & useful in lockdown has taken me back to my roots and my first volunteering role, again with families. Baby bank has been a lifesaver for me, something to focus on and less time to worry how I am feeling. A fantastic concept. Local people helping each other in really difficult times"

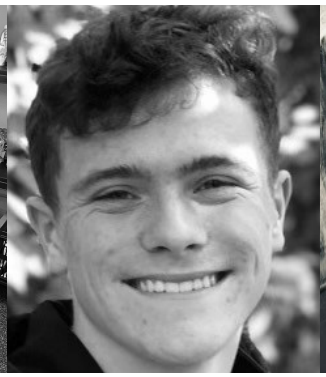

"Doreen makes a great brew, and it's been time to chat outside the house and have some company. Covid has been tough for everyone and I love delivering to our families and making a difference"

Innovation & Partnership in Salford

In February 2021 we were so blessed to be given use of the Kandy Kabin by Alex & Tom as they sell their commercial property. Their mum Sharon was a legend in Salford at the heart of the community and I believe she is looking down on us and smiling. It has meant space to organise and learn what it is to have a space to work out of and we are so grateful for the partnership and new friendship

Innovation & Partnership in Oldham

In August 2020 we secured a partnership with Shared Health Foundation and NHS Properties, using the model of Salford Baby Bank into a social prescribing model in Oldham. Our partnership has a bespoke building and will launch Healthy Gems Hub in May 2021. Working alongside Primary Care our partnership aims to develop the model so it can be replicated and strengthen its impact on health inequalities. Our heart is prevention for our most vulnerable families in our most deprived communities as we practically address crisis with prevention informed provisions and practices.

SALFORD Baby Bank

FROM DAUGHTERS OF SALFORD

What we have learned together...

We have learned that families in financial hardship do not just need nappies for babies. They need formula milk so that they do not need to water it down to last. They need weaning packages so that they can make the food bank donation go further. We have seen mothers using sanitary pads as they have run out of nappies and have no more hygiene essentials to bathe their babies and children. It is therefore essential to limit the risk of infection in our current situation.

We have been humbled by the gratitude of families below the safety net who look visibly relieved by the gifts we bring which do not look like charity and remove maybe a little of the shame. We have learned our community is full to the brim of generous and selfless individuals who reach into their own stores for provisions for those who can not at that point resource the basics for health and hygiene themselves.

We have learned to communicate when language was a barrier through friends and brothers at the mosque, who help those in desperate need, destitute within our city walls. We have learned as we have responded to the widows and orphans of this Covid generation, grief can be momentarily soothed by kindness and compassion.

We have learned to continually look with eyes of prevention to see where we can intervene, prevent hardship, and further reduce preventable harm and health inequalities. We learned safety equipment just became even further away from the grasp of many parents who found themselves expecting and delivering babies in a pandemic. With no work and caught in the homeless process, we learned that even here we can step in and avoid preventable suffering and pain by minimising the risks of accidental death and injury.

We have learned it is the simple things which remove shame and restore dignity - a clean bottom and face, formula feeds made correctly so optimum nutrition is achieved. A Moses basket, Cot or Pram, safe sleep practice if you please whilst a baby gate keeps our siblings safe on the stairs. Warm clothes, a coat and a blanket make cosy the moments when all the gas has run out. A simple 10 minute chat on the doorstep, reassures you your four walls do not define you, restoring hope and assuring you, one day this season of hardship will end.
