DIRECTORS' REPORT

The Directors are pleased to present their Annual Report together with the financial statements for the year ended 31 December 2024.

Structure & Management

Constitution

Elvaston Castle and Gardens Trust is a company limited by guarantee (no. 11114549), incorporated on 15 December 2017. The company was established under a Memorandum of Association which established the objects and powers of the company and is governed under its Articles of Association. On 4 October 2019 Elvaston Castle and Gardens Trust became a registered charity (no. 1185617).

The number of Directors of the Trust shall not be less than seven but shall not be subject to any maximum.

The Directors of the company are also charity Trustees for the purposes of charity law and under the company's Articles are known as members of the Management Committee. Under the requirements of the Memorandum and Articles of Association the members of the Management Committee are elected to serve for a period of three years after which they must be re-elected, no member may serve for more than 12 years.

During such time that Derbyshire County Council provides funding to the Trust, Derbyshire County Council may appoint one Trustee. This Trustee, if appointed, may not hold the post of either Chair or Vice-Chair of the Trust.

All members of the Management Committee give their time voluntarily and received no benefits from the charity. Any expenses reclaimed from the charity are set out in note 4 to the accounts.

Members Liability

Each member of the Trust undertakes to contribute to the assets of the Trust in the event of it being wound up while they are a member, or within one year after they cease to be a member, such as may be required, not exceeding £1, for the debts and liabilities contracted before they ceased to be a member.

The Directors act as the overall management board for the organisation. They have ultimate responsibility for the running, operations, and finances of the trust.

DIRECTORS' REPORT (continued)

Statement on Governance

The Trust's board of Directors meet at least four times a year and are responsible for the strategic direction and policy of the charity. At present the Committee has seven members from a variety of professional backgrounds.

Director Induction and Training

All new Directors are given full copies of meeting minutes, the Articles of Association, and the governing documents prior to their initial meeting. Additionally, new Directors are given time at the first meeting to ask any questions and spend time in conversation with the Chair asking any further questions and familiarising themselves with the charity operations. These conversations cover:

- The obligations of Management Committee members;
- The main documents which set out the operational framework for the charity including the Memorandum and Articles;
- Resourcing and the current financial position as set out in the latest published accounts; and
- Future plans and objectives.

New Directors are also provided with an opportunity to meet with relevant staff and Officers working with the Trust and an in-depth tour of the estate.

New Directors taking up a core post (Treasurer, Chair, or Secretary) are additionally given time with the outgoing role holder to familiarise themselves with the role and ask any questions.

All new Directors are also signposted to the Charity Commission's guide "the Essential Trustee" as a follow up to these sessions. This is distributed to all new Directors along with the Memorandum and Articles.

Risk Management

The Management Committee has conducted a review of the major risks to which the charity is exposed. A risk register is established and is updated at least annually.

Public Benefit Statement

The Directors confirm that they have given due regard to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Trust's aims and objectives and in planning future activities.

The Trust works in partnership with Derbyshire County Council to support the management and development of Elvaston Country Park, which remains free for public access on foot. The Trust is committed to securing a sustainable future for the estate as a vital community asset, serving both the local area and the wider county and region.

Through ongoing development and reinvestment, the Trust continues to create opportunities for training, education, and community engagement, delivering broad social, cultural, and economic benefits. All surplus funds are reinvested into the estate to improve facilities, enhance the visitor experience, and support an inclusive programme of community and heritage events.

In 2024, the Trust focused on expanding its regular volunteer group as part of the Nurturing Nature project, delivered in Elvaston's Local Nature Reserve with funding from the Severn Trent Community Fund. The project engaged local individuals, charities and community groups, offering shared learning, the development of new skills, and improved health and wellbeing through outdoor activity. The project concluded in summer 2024 with the reinstatement of a public nature trail and the launch of an educational booklet.

Building on this success, the Trust will develop and implement a new volunteer strategy for the estate. Working in collaboration with volunteers, the Trust plans to open key areas of the estate's historic core buildings and host a series of heritage and community events, further enhancing public access, engagement, and benefit.

In 2025, the Trust will also launch an oral history project to collect and preserve stories from individuals connected to Elvaston across generations. This initiative will amplify local voices, strengthen community connections to the estate, and contribute to a deeper understanding of its social and cultural history. Alongside this, the Trust is actively working to protect and catalogue the estate's historic archives, ensuring these valuable records are preserved and accessible for future generations. Both projects will support education, research, and public interpretation, significantly enriching the cultural value of the estate and reinforcing its role as a shared community resource.

DIRECTORS' REPORT (continued)

Plans for 2025:

The Trust's strategic priorities for 2025 are as follows:

1. Implement a new volunteering strategy to expand roles, skills and community participation across the estate.
2. Increase fundraising through corporate partnerships and income-generating events to support estate projects.
3. Broaden public access by opening additional historic spaces and developing new tours and experiences.
4. Strengthen partnerships with diverse community groups to enhance inclusion and representation in all activities.
5. Deliver engaging heritage and community events that attract new audiences and deepen local connections.
6. Launch the oral history project to capture and share personal stories connected to Elvaston's history.
7. Advance the cataloguing and preservation of the estate's historic archives for education and public research.
8. Develop innovative educational opportunities to engage schools, families and lifelong learners.

Financial Report for the Year

Investment Policy

The cash balances held by the Trust have not enabled significant investment to take place during 2024 with funds being held on deposit with the bank in interest bearing accounts.

Reserves Policy

The Trust has reserves totalling £32,452 (2023: £16,755) at the end of the year. These are split between the unrestricted and restricted reserves and will be used to fund the development of the Trust into 2025 and beyond to fulfil the Trust's charitable objectives.

Independent Examiner's report to the Trustees of Elvaston Castle and Gardens Trust

I report on the accounts of the company for the year ended 31 December 2024, which are set out on pages 10 to 14.

Respective Responsibilities of Trustees and Examiner

The Trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and have elected for an independent examination to be undertaken.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act
- to state whether particular matters have come to my attention

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the next statement.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 386 of the Companies Act 2006 and
- to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached
