

Annual Report From The Trustees Of
Denver Playing Field Association CIO
Year End 31-01-2021

The CIO has not been actively operational as of yet so there is nothing to report from the past financial year.

The CIO will begin its duties and responsibilities as of 01-01-2022.

During the past year we have been ensuring that we have everything in place to ensure the smooth operation of our responsibilities.

Regards

The Trustees
