THE POLISH AIR FORCE MEMORIAL COMMITTEE

TRUSTEES' REPORT FOR THE YEAR ENDED 31 DECEMBER 2022

The Trustees present their annual report together with the financial statements of the Charity for the year 1 January 2022 to 31 December 2022.

Objectives and activities

a. Policies and objectives

The Polish Air Force Memorial Committee was instigated in June 2010 as part of the arrangements for the closing down of the Polish Air Force Association Charitable Trust. Its objective is to maintain the memory of the Polish Air Force's achievements in the Second World War and to honour Polish airmen by the creation and maintenance of public memorials, also to educate and inform the public about the Polish Air Force and its history including by operating the Polish Air Force museum.

The proposed basis of the Committee was formally agreed by the Commander in Chief of the Polish Air Force (Dec 2010) and by the Chief of Air Staff for the RAF (Feb 2011); their nominees were founding ex-officio co-Presidents and are now offered 'Associate' status.

Achievements and performance

a. Main achievements of the Charity

The principal event of the year remains the annual Commemoration ceremony at the Polish Air Force Memorial and RAF Northolt with senior officers and officer cadets of the Polish Air Force in attendance. During their stay the Committee arranged for the formal unveiling of the monument to Sgt František near the spot where his Hurricane crashed in 1940 and he was killed. An interpretation board was placed nearby. The event was well attended with senior figures from the RAF, the Polish and Czech Embassies present, as well as local residents and a group from František's home town, including a relative who unveiled the monument.

At the request of RAF Northolt, our permanent exhibition on the Station was moved from the Operations Building. After some discussion, and at the Station Commander's generous invitation, a large room was made available in the historic Officers' Mess. The room was redecorated by the Station, re-named the Polish Air Force Room, and our display cases were moved in and filled with a refreshed exhibition. As this room is in the centre of this historic building (home to many in the Polish Air Force during the war) and is also used for occasional senior RAF meetings, a more suitable venue could not have been found. The new Exhibition was formally opened by the Polish Consul, the Ambassador being unable to attend on the day. PAFMC expresses its thanks to RAF Northolt for their generous support and encouragement.

In the course of the year a number of administrative improvements were made, including a new web-site, the creation of a Facebook page and the start of a process to identify and draft necessary policies where not already in place. An e-bay listing was established to enable on-line sales of books and other materials.

Two new Trustees were appointed to fill gaps and maintain a rotation of Trustees.

Close support was maintained with RAF Ingham Heritage Trust under the terms of the Memorandum of Understanding agreed in 2021, assisting Ingham realise its full potential as the principal memorial and museum celebrating the Polish Bomber Squadrons.

THE POLISH AIR FORCE MEMORIAL COMMITTEE

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2022

1. Accounting policies

1.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The Polish Air Force Memorial Committee meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

1.2 Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements.

1.3 Income

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Where the donated good is a fixed asset, it is measured at fair value, unless it is impractical to measure this reliably, in which case the cost of the item to the donor should be used. The gain is recognised as income from donations and a corresponding amount is included in the appropriate fixed asset class and depreciated over the useful economic life in accordance with the Charity's accounting policies.

On receipt, donated professional services and facilities are recognised on the basis of the value of the gift to the Charity which is the amount it would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised in expenditure in the period of receipt.

1.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity.

Expenditure on raising funds includes all expenditure incurred by the Charity to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

All expenditure is inclusive of irrecoverable VAT.

1.5 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

THE POLISH AIR FORCE MEMORIAL COMMITTEE

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2022

1. Accounting policies (continued)

1.6 Tangible fixed assets and depreciation

Tangible fixed assets costing £NIL or more are capitalised and recognised when future economic benefits are probable and the cost or value of the asset can be measured reliably.

Tangible fixed assets are initially recognised at cost. After recognition, under the cost model, tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. All costs incurred to bring a tangible fixed asset into its intended working condition should be included in the measurement of cost.

Depreciation is charged so as to allocate the cost of tangible fixed assets less their residual value over their estimated useful lives, .

Depreciation is provided on the following basis:

Display cases	- Over 3 years
---------------	----------------

1.7 Investments

Fixed asset investments are a form of financial instrument and are initially recognised at their transaction cost and subsequently measured at fair value at the Balance Sheet date, unless the value cannot be measured reliably in which case it is measured at cost less impairment. Investment gains and losses, whether realised or unrealised, are combined and presented as 'Gains/(Losses) on investments' in the Statement of Financial Activities.

1.8 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

1.9 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of Financial Activities as a finance cost.

1.10 Financial instruments

The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

1.11 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.
