

**Trustees Annual Report and Accounts for the year ended 31<sup>ST</sup> November 2020**

Since its registration on the 9th October 2019, Southside Org has not yet commenced to operate any activities, as the Pandemic has had a major impact on the C.I.O.

Southside Org has been active only in planning its future work and seeking funding for it, all of which has been done by its trustees on a voluntary basis, without either remuneration or reimbursement of expenses.

In the period to the 31st November 2020, no third-party funding was received and there has been no financial activity during the year.

There are therefore no financial accounts. It is, however, expected that financial activity will take place in 2020-21.

Signed on behalf of the trustees
