**Activities for achieving objectives and furthering the charity's purposes for the public benefit**

Southside Org has not yet commenced to operate any activities, as the Coronavirus Pandemic has had a major impact on the C.I.O.

Southside Org has been active only in planning its future work and seeking funding for it, all of which has been done by its trustees on a voluntary basis, without either remuneration or reimbursement of expenses.

In the period to the 31st October 2021, no third-party funding was received and there has been no financial activity during the year.

There are therefore no financial accounts during this period. It is, however, expected that financial activity will take place in 2021-22.

**Financial review**

**Reserves policy**

The Charity had yet to commence any operations as at the reporting date and had no income or expenditure. The Trustees aim to produce sufficient reserves in the future through donations and fundraising.

**This report was approved by the Trustees, on 21st December 2021**
