Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

To advance in life and help socially and economically disadvantaged young people aged up to 30 in the United Kingdom by:

- a) Providing mentoring support and activities which develop their skills, capacities and capabilities, assist with their emotional, physical, mental, spiritual and/or social growth, encourage them to fulfil their potential and enable them to participate in society as mature and responsible individuals.
- b) Providing grants of financial assistance to advance education and promote opportunities for learning and training.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

On Saturday 31st August 2024 the third annual Sports Day fundraiser took place to raise funds for the work of the charity. This involved football matches with Highgate School and sponsored run or walk activities.

The charity's first bursary recipient was in attendance to connect with supporters, as they continued their 2-year A Level studies at Highgate School – a private day school in North London – fully funded by the charity. This is to further their educational opportunities of one young person.

Throughout the year the charity supported the bursary recipient and other disadvantaged students with career mentors and personal development, in line with the charity's objectives and for the public benefit.

Trustees have consistently worked to achieve positive impact for the public benefit through the activities of the charity.
