Report of the Directors:

The Directors during the year are as stated above.

Aims and Purposes and Plans for Future

The charity was incorporated to enhance governance for the unincorporated trust The Good Shepherd Mission Hall Charity regulated by a scheme dated 5 June 1953. This trust was involved in protracted negotiations in connection with the West Croydon development. The assets of the trust could not be transferred to this charity until the negotiations had been concluded, which happened in March 2021. Lawyers have been instructed in connection with this transfer, which has yet to take place. As a result, this charity has not started operations, has received no income, and incurred no expenditure since incorporation.

The objects of the charity are to provide accommodation for the assistant curate of St Michael's Croydon, and to promote religious and charitable purposes within the parish of St Michael's. These objects have been fulfilled by the exempt charity throughout the period of this report

Activities and Performance

As stated, this charity has not started operations, has received no income, and incurred no expenditure since incorporation. It has no accounting transactions to record or accounts to file.
