GREENHAM CONTROL TOWER LIMITED

REPORT OF THE TRUSTEES **FOR THE YEAR ENDED 31 OCTOBER 2023**

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 October 2023. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

The purpose of the charity is:

- to preserve and maintain Greenham Control Tower ("the Tower") for the benefit of the public by providing a heritage center including special exhibitions and supporting visitor facilities
- to advance the education of the public by provision of a museum, displays and relevant collections, special exhibitions, talks and activities about the Tower explaining its role in military and aviation history and its local community links.

The main activities during the reporting period have been:

- The provision of guided tours of the Tower, exhibitions relating to the Tower, local clubs and the surrounding common
- Outreach talks to local organizations and radio presentations
- Heritage open day
- Hosting third party group visits such as car owner groups, coach tours etc.

The Trustees are conscious of the need to exercise decisions that recognise the responsibility of providing public benefit in the exhibitions, tours etc. at the Tower.

Decisions recognise our Charity purpose and by providing exhibitions, tours, talks etc. the Trustees are meeting the responsibility of delivering public benefit to local, national, and international visitors.

Greenham Control Tower Limited does not make grants. The charity will assess the value of any proposed exhibition etc. before then applying for funding. Such activity will align to our public benefit responsibilities.

Greenham Control Tower is a Grade II listed building sited on Greenham Common. The site was returned to the local people after being decommissioned as an airbase. All the activities and decisions taken are mindful of the need to ensure that the natural beauty and wildlife of the common are respected.

The Trustees support other local charities in providing work experience for young people.

The Charity is largely operated with volunteers except for a few staff who supervise and staff the café, which is separate legal entity which raises funds for the charity.

Volunteers are at the centre of our operation and provide the full range of visitor experience with the tours, talks and exhibitions.

Volunteer engagement is a critical aspect of our public benefit delivery as our volunteers are local and provide a network with the local community.

Achievements and Performance

Engagement with the local community was secured through various activities.

Exhibitions: The main event of the year was the 'Heritage Open Day', a weekend event that provided guided tours of the airbase and the decontamination suite. Third party groups also hosted a number of visits such as car owner groups, coach parties, WI groups, schools and scouts etc.

Plays: We were able to put on plays for the public based upon the theme of the Tower and the common.

Talks: Group talks to several local societies that provided engagement with the local community.

Guides: Advantage was taken of using the common to provide heritage self-guided walks with maps provided.

Additions to the Tower: Continued development of the cupola to enhance the visitor experience. Installation of screens in the café area that show historical films of the common as well as live camera feeds of the common. Such measures are particularly relevant to those visitors that have mobility issues.

The Charity has recovered well from the impact of COVID with visitor numbers now exceeding pre pandemic levels.

The Charity recently reviews the business plan and formulates agreed objectives for implementation.

Fundraising activities continued throughout the year with various objectives all designed to develop the Tower and enhance visitor experience.

Financial Review

The Charity works with the associated company, Greenham Control Tower Trading Ltd, which operates the café and provides funds for the Charity to operate the Tower. Despite the interruption to activity caused by the pandemic, the financial position of the charity has been resilient. Visitor numbers have returned and exceed pre-pandemic levels. Income for Greenham Control Tower Trading Ltd continues to increase, allowing strong financial support for the Charity.

The Trustees remain confident that prudent management will support the long-term success of the Charity. The Charity objectives is to hold a minimum of 3 months reserves to cover the costs of maintaining the operation of Greenham Control Tower.

As at 31 October 2023 the charity held £24,624.60 in its current account. A further £3,145.28 was held in a deposit account and was designated for exhibitions. There are currently no uncertainties about the Charity continuing as a going concern.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Greenham Control Tower Ltd is a registered charity and a company limited by guarantee which is governed by a Memorandum and Articles of Association. The Board meet monthly to guide strategy, approve policies, and approve proposed exhibitions and funding. The Board also consider any proposed new Trustee appointment which follows an agreed procedure. Any new Trustee appointment requires the approval of the Board. The Board seeks to achieve diversity and a broad range of views through membership.
