STRUCTURE, GOVERNANCE AND MANAGEMENT

The Charity governing document is a CIO – Foundation Constitution registered 23rd October 2019. The Charity is governed by a board on which the trustees are represented. It meets regularly to review, plan activities and monitor the financial position.

OBJECTIVES AND ACTIVITIES

The Objects of the organisation are first to advance the Christian faith in accordance with the statement of beliefs for the benefit in the United Kingdom and in such other parts of the world as the trustees may think fit from time to time . The trustees confirm that they have had due regard to the guidance issued by the Charity Commission on public benefit before deciding what activities the charity should undertake.

ACHIEVEMENTS AND PERFORMANCE

The Organisation continues to hold successful worship services through the year in which individuals were equipped and educated on the principles and doctrines of the Christian faith. This has produced good results in reaching and helping members of the community. Due to the pandemic for some months they held their services exclusively on Zoom.

FINANCIAL REVIEW

The income of the charity is above £2,000. Though this is a small amount for the year the costs have been well managed over this period. The organisation is still in a good position to manage its costs. The main cost of the organisation was paying for the hire of the hall that the organisation used during the year.

PLANS FOR THE FUTURE

The church intends to continue to host its regular services during the year. The intended re-appointment of our present independent examiner at the upcoming trustee meeting is expected to support the financial operations by making it more effective.

RESERVE POLICY

It is the policy of the Charity to maintain unrestricted funds, which are the reserves of the charity at about 3 months of unrestricted expenditure. This provides sufficient funds to cover any emergency expenditures that may arise from time to time. The charity will seek to maintain this level throughout the year.

RISK MANAGEMENT

The charity have assessed all the major risks to which the charity is exposed to, in particular those related to operations and finances of the charity, and are satisfied that systems are in place to mitigate exposure to major risks.

TRUSTEE RESPONSIBILITIES

Under the Charities Act 2011, the trustees are required to prepare a statement of accounts for each accounting year which gives a true and fair view of the state of the church. They are required to:

1. Select suitable accounting policies and apply them consistently.
2. Make judgements and estimates that are reasonable and prudent.
3. State whether the applicable accounting standards have been followed.
4. Prepare financial statements on an ongoing basis.

They are responsible for keeping proper records which disclose with reasonable accuracy the finances of the church at any time and to ensure that such accounts comply with the Charities Act 2011. They also have a responsibility to safeguard the assets of the church and to take reasonable steps to detect fraud or other irregularities.
