**TRUSTEES' REPORT  
FOR THE YEAR ENDED 31 DECEMBER 2024**

---

The trustees present their Annual Report together with the audited financial statements of Covent Garden IP Limited ("the charitable company") for the period from 1 January 2024 to 31 December 2024.

The Annual Report serves the purposes of both a Trustees' Report and a Directors' Report under company law. The trustees confirm that the Annual Report and financial statements of the charitable company comply with the current statutory requirements, the requirements of the charitable company's governing documents and the provisions of the Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019).

Since the charitable company qualifies as small under section 382 of the Companies Act 2006, the Strategic Report required of medium and large companies under the Companies Act 2006 (Strategic Report and Directors' Report) Regulations 2013 has been omitted.

**Structure, governance and management**

- **Governing document**

The charitable company is a company limited by shares and a registered charity. The charitable company is governed by its Memorandum and Articles of Association which have not been amended since incorporation.

In setting objectives and planning for activities, the trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

- **Appointment of trustees**

The directors of the charitable company are its trustees for the purpose of charity law and throughout this report are collectively referred to as the trustees.

As set out in the Articles of Association, new or additional directors are to be appointed by the sole shareholder Property Reserve Inc ("PRI"), a Utah non-profit corporation, providing such persons are willing so to act, either to fill a vacancy or as an additional trustee. Terms and procedures for appointments are set out in the Articles.

The board of trustees meets at least once a year, sometimes remotely.

- **Trustee induction and training**

New trustees undergo orientation training to brief them on their legal obligations under charity and company law, the content of the Memorandum and Articles of Association, the committee and decision-making processes, the business plan and recent financial performance of the charitable company. During the year updates are sent to the trustees on topical issues of which they need to be aware. Further briefings and training are provided at the Annual board meeting.

Trustees are updated and advised on legal issues by Daniel Clifford Law LLP solicitors.

**COVENT GARDEN IP LTD**

**(A company limited by shares and registered charity)**

---

**TRUSTEES' REPORT (CONTINUED)  
FOR THE YEAR ENDED 31 DECEMBER 2024**

---

**Structure, governance and management (continued)**

- Organisation

The charitable company exists to support The Church of Jesus Christ of Latter-day Saints ("the Church"). The trustees are members of the Church.

The Church is directed by the First Presidency supported by The Quorum of the Twelve Apostles and various quorums of the Seventy. Members of these quorums are called General or Area Authorities, three of whom will be assigned to serve as an Area Presidency within a specific geographic area.

Accordingly, advice as to the interests of the Church is given to the charitable company via the shareholder and is reflected in the trustees' decisions.

- Employees

The charitable company has one employee, Ashley Powell, who is the CEO and Managing Director of the charitable company.

- Related parties

The charitable company is owned solely by PRI. One of the trustees and officers of PRI is also an authorised agent of the Utah corporation known as the Church of Jesus Christ of Latter-day Saints ("CHC") (formerly known as the Corporation of the Presiding Bishop of the Church of Jesus Christ of Latter-day Saints). The Church of Jesus Christ of Latter-day Saints (Great Britain) ("GB"), the Church's primary organ in the UK, is owned by CHC, and consequently GB is treated as a related party in this report and financial statements. GB is also a registered charity.

The charitable company has a close relationship with GB, and the wider Church. There is regular cooperation between the charities when necessary.

- Public benefit

The trustees receive training on the guidance on public benefit published by the charitable company commission in exercising their powers and duties, including the supplementary public benefit guidance for charities whose aims include advancing religion.

The next training day will take place at the Annual General Meeting.

The charitable company achieves a public benefit by financially supporting the Church and its charitable endeavours.

- Policies

Full policies are available from the charitable company's offices.

---

**COVENT GARDEN IP LTD**

**(A company limited by shares and registered charity)**

---

**TRUSTEES' REPORT (CONTINUED)  
FOR THE YEAR ENDED 31 DECEMBER 2024**

---

**Structure, governance and management (continued)**

- Investment powers and policy

Under the Memorandum and Articles of Association, the charitable company has the power to invest in any way the trustees deem to be in the best interests of the Church.

The charitable company's objective is to broaden the asset base of the Church and provide reliable income and increased financial security for Church organisations in the UK and elsewhere. Its current aim is to do this by investing in UK commercial property.

The charitable company expects to make relatively few individual investments, but they would be expected to be relatively large. Each investment will be carefully and extensively considered by the trustees and their advisors. The appetite for risk is low.

- Fundraising

The charitable company has sufficient income to fund day to day costs, such that fundraising is not normally necessary.

Should other significant investment opportunities present themselves in the future that would require further funds which cannot be provided out of income, the charitable company and its shareholder will consider injecting more capital into the charitable company.

**Objectives and activities**

The object of the charitable company is:

- o To promote and further the religious and other charitable work of The Church in the United Kingdom and elsewhere.

The charitable company does this by investing in and holding commercial property for the benefit of the Church. The policy is to broaden the asset base of the Church and provide reliable income and increased financial security for Church organisations in the UK and elsewhere. Success is to be measured in commercial terms, and over the long term.

The activities in the period to which this report relates involve the purchase (in December 2019 and May 2023) and leasing of tenanted commercial property valued at circa £151m in London, the collecting of rents, and the making of the grants to GB.

**Achievements and performance**

The charitable company has achieved its aims for the period:

- Investments

The charitable company currently achieves its aims by investing in UK commercial property, and donating the profits to relevant Church entities, as per the charitable company's Investment Policy.

---

**COVENT GARDEN IP LTD****(A company limited by shares and registered charity)**

---

---

**TRUSTEES' REPORT (CONTINUED)**  
**FOR THE YEAR ENDED 31 DECEMBER 2024**

---

**Achievements and performance (continued)**

In the relevant period, the charitable company held two investments, being

- Alder Castle, 10 Noble Street, London, EC2V 7J, which it acquired on 31 December 2019.
- 1 Hannah Close, Great Central Way, Neasden, which it acquired on 25 May 2023.

Alder Castle is a commercial property subject to existing leases to commercial clients.

This investment falls within the objects of the charitable company as it promotes and furthers the religious and other charitable work of The Church of Jesus Christ of Latter-day Saints in the UK in 3 ways:

- It is a grade A investment property situated in the heart of the City of London.
- It is tenanted and so provides rental income which will be further used to support the charitable work of the Church.
- It will provide a space for a chapel for a congregation of the Church to meet in the centre of London.

1 Hannah Close was purchased for a price of £74,000,000 on 25th May 2023, roughly doubling the capital base of the charitable company. It similarly promotes and furthers the religious and other charitable work of The Church of Jesus Christ of Latter-day Saints in the UK:

1 Hannah Close similarly promotes and furthers the religious and other charitable work of The Church of Jesus Christ of Latter-day Saints in the UK:

- It is a purpose-built commercial warehouse in North London on the A406.
- It is fully tenanted (By Amazon Logistics) and so provides reliable rental income which will be further used to support the charitable work of the Church.

Management of the leases of these two properties was delegated to CBRE under a property management agreement. Funds received from the leases are paid to Covent Garden IP Ltd's CBRE account.

It was decided in 2022 that one floor of Alder Castle (the lower ground), which became vacant in the period, should be leased to GB as a space for a chapel for a congregation of the Church to meet in the centre of London. This process is underway. As of the date of this report:

- Permission for this change of use has been obtained.
- The lease with the GB has been completed.
- Works to fit out the space for the new tenant are soon to begin.

The charitable company has also decided to renovate Alder Castle to bring it up to market standards. This will involve:

- building out the ground, first and second floors to a CAT A finish;
- renovating the reception area;
- adding a communal work space;
- enlarging the end of trip facilities; and
- adding balconies to the four tenant floors.

These contracts for the works are completed and at the time of this report they are expected to begin shortly.

---

## COVENT GARDEN IP LTD

(A company limited by shares and registered charity)

---

### TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2024

---

#### Achievements and performance (continued)

Whilst this investment in Alder Castle and 1 Hannah Close has resulted in the charitable company being unable to make any donation to the Church during this period, it has nonetheless fulfilled its aims by

- Providing space to GB; and
- Holding its property portfolio to better facilitate church activities in the long term.
- Donations

The trustees did not make a donation to GB in the period, as it was decided that the profits should be applied to investments in Alder Castle (see above).

#### Financial Review

- Significant Events

The completion of the lease of a floor of Alder Castle by GB - see above for more details.

Alder Castle is being renovated (see above).

- Income and Profits

The charitable company's total income for the period was £5,357,972 (2023: £78,815,743). Total losses for the period were £508,562 (2023: *gains of £60,020,429*). Total surplus for the period excluding losses on revaluation of fixed assets was £3,427,257 (2023: £77,293,263).

- Reserves and Donation policy

The charitable company will retain sufficient reserves to cover its operating costs. Its reserves at the end of the period were £155,367,055 (2023: £155,875,617), which include investment property to be held for the foreseeable future with a value of £151,300,000 (2023: £145,200,000). Free reserves excluding the investment property were £4,067,055 (2023: £10,675,617) at the period end. Its existing commitments were £2,431,144 (2023: £2,373,167).

Beyond this, the charitable company will retain profits sufficient to investigate and enter into further investments should worthwhile opportunities arise.

All remaining income will be donated to a church entity. In most cases this will be GB.

- Risks

Although general economic conditions may affect the income of the charitable company in the medium to long term, these changes do not pose a material risk, as its investments are unencumbered and there is no significant prospect of the charitable company's income falling below its costs.

The trustees will maintain this low risk profile by refraining from entering into new arrangements in the foreseeable future, and by taking professional advice on all aspects of management.

---

**COVENT GARDEN IP LTD**

**(A company limited by shares and registered charity)**

---

**TRUSTEES' REPORT (CONTINUED)  
FOR THE YEAR ENDED 31 DECEMBER 2024**

---

**Plans for future periods**

As noted above, GB has decided to establish a meeting house in central London, and Alder Castle is a suitable site. Renovations will be completed on part of Alder Castle to make it suitable for use as a meeting house, and also to upgrade the rest of the building to a suitable commercial standard.

**Going concern, risks and uncertainties**

The main risk the charitable company faces is that the income from its investments reduces. This is a possibility. However,

- o the charitable company's rental income is highly unlikely to reduce below the charitable company's general ongoing expenses;
- o the charitable company has no debt; and
- o the shareholder has guaranteed the charitable company future financial support, where necessary.

So there are no material uncertainties about the charitable company's ability to continue as a going concern.

In preparing this report, the trustees have taken advantage of the small companies' exemptions provided by section 415A of the Companies Act 2006.

**Disclosure of information to auditor**

Each of the persons who are Trustees at the time when this Trustees' report is approved has confirmed that:

- so far as that trustee is aware, there is no relevant audit information of which the charitable company's auditor is unaware, and
- that trustee has taken all the steps that ought to have been taken as a trustee in order to be aware of any relevant audit information and to establish that the charitable company's auditor is aware of that information.

**Auditor**

The auditor, Grant Thornton UK LLP, has indicated his willingness to continue in office. The designated trustees will propose a motion reappointing the auditor at a meeting of the trustees.

Approved by order of the members of the board of trustees and signed on their behalf by:

*Ashley Powell*

---

---

**TRUSTEES' RESPONSIBILITIES STATEMENT  
FOR THE YEAR ENDED 31 DECEMBER 2024**

---

The trustees (who are also directors of Covent Garden IP Ltd for the purposes of company law) are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the trustees to prepare financial statements for each financial year. Under that law the trustees have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law), including FRS102 The Financial Reporting Standard applicable in the UK and Republic of Ireland. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principles in the Charities SORP (FRS102);
- Make judgements and accounting estimates that are reasonable and prudent;
- State whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The report of the trustees (incorporating the strategic report) was approved on behalf of the trustees by:

**Ashley John Powell**

Trustee

Date: 24/9/2025

Company number: 12063279

---

**COVENT GARDEN IP LTD****(A company limited by shares and registered charity)**

---

**INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF COVENT GARDEN IP LTD**

---

**Opinion**

We have audited the financial statements of Covent Garden IP Ltd (the 'charitable company') for the year ended 31 December 2024, which comprise the Statement of Financial Activities (Incorporating Income and Expenditure Account), the Balance Sheet, the Statement of Cash Flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 December 2024 and of its incoming resources and application of resources including, its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice including FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Statement of Recommended Practice: Accounting and Reporting by Charities, 2019 Edition; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

**Basis for opinion**

We have been appointed as auditor under the Companies Act 2006 and report in accordance with regulations made under that Act. We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the 'Auditor's responsibilities for the audit of the financial statements' section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Conclusions relating to going concern**

We are responsible for concluding on the appropriateness of the trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the charitable company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify the auditor's opinion. Our conclusions are based on the audit evidence obtained up to the date of our report. However, future events or conditions may cause the company to cease to continue as a going concern.

In our evaluation of the trustees' conclusions, we considered the inherent risks associated with the charitable company's business model including effects arising from macro-economic uncertainties such as the cost of living crisis, we assessed and challenged the reasonableness of estimates made by the trustees and the related disclosures and analysed how those risks might affect the charitable company's financial resources or ability to continue operations over the going concern period.

---

**COVENT GARDEN IP LTD**

**(A company limited by shares and registered charity)**

---

**INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF COVENT GARDEN IP LTD (CONTINUED)**

---

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

**Other information**

The other information comprises the information included in the Trustees' Report and Financial Statements, other than the financial statements and our Auditor's Report thereon. The trustees are responsible for the other information contained within the Trustees' Report and Financial Statements. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

**Opinion on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Report, prepared for the purposes of company law, included in the Trustees' Report and Financial Statements for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Trustees' Report included in the Trustees' Report and Financial Statements has been prepared in accordance with applicable legal requirements.

---

**COVENT GARDEN IP LTD**

**(A company limited by shares and registered charity)**

---

**INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF COVENT GARDEN IP LTD (CONTINUED)**

---

**Matter on which we are required to report under the Companies Act 2006**

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Report included in the Trustees' Report and Financial Statements.

**Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies exemption from the requirement to prepare a Strategic Report.

**Responsibilities of trustees**

As explained more fully in the Trustees' Responsibilities Statement on page 8, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

---

**COVENT GARDEN IP LTD****(A company limited by shares and registered charity)**

---

---

**INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF COVENT GARDEN IP LTD (CONTINUED)**

---

**Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below:

- We obtained an understanding of the legal and regulatory frameworks that are applicable to the charitable company and the sector in which it operates. We determined that the following laws and regulations were most significant: The Financial Reporting Standard applicable in the UK and the Republic of Ireland (FRS 102), Charities SORP (FRS 102), the Companies Act 2006 and Charities Act 2011;
- We understood how the charitable company is complying with these legal and regulatory frameworks by making inquiries of management and those charged with governance. We enquired of management and those charged with governance whether there were any instances of non-compliance with laws and regulations, of whether they had any knowledge of actual or suspected fraud. We corroborated the results of our enquiries through our review of board minutes and through our legal and professional expenses review;
- We assessed the susceptibility of the charitable company's financial statements to material misstatement, including how fraud might occur and the risk of material override of controls. Audit procedures performed by the engagement team included:
  - Identifying and assessing the design effectiveness of certain controls management has in place to prevent and detect fraud;
  - Challenging assumptions and judgements made by management in its significant accounting policies;
  - Identifying and testing journal entries, with a focus on manual postings, back dated journals, entries posted by individuals outside of our expectation and journal entries posted in the closing and accounts preparation period;
  - Review of related parties for undisclosed transactions;
  - Inspecting the board minutes; and
  - Assessing the extent of compliance with the relevant laws and regulations as part of our procedures on the related financial statement item.
- These audit procedures were designed to provide reasonable assurance that the financial statements were free from fraud or error. The risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error and detecting irregularities that result from fraud is inherently more difficult than detecting those that result from error, as fraud may involve collusion, deliberate concealment, forgery or intentional misrepresentations. Also, the further removed non-compliance with laws and regulations is from events and transactions reflected in the financial statements, the less likely we would become aware of it;

---

**COVENT GARDEN IP LTD**

**(A company limited by shares and registered charity)**

---

**INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF COVENT GARDEN IP LTD (CONTINUED)**

---

- The engagement partner's assessment of the appropriateness of the collective competence and capabilities of the engagement team included consideration of the engagement team's:
  - Understanding of, and practical experience with audit engagements of a similar nature and complexity through appropriate training and participation;
  - Knowledge of the charity sector; and
  - Understanding of the legal and regulatory requirements specific to the charitable company including:
    - The provisions of the applicable legislation; and
    - Guidance issued by the Charities Commission.
- The team communications in respect of potential non-compliance with relevant laws and regulations included the potential for fraud in revenue through manipulation of income and management override of controls; and
- In assessing the potential risks of material misstatement, we obtained an understanding of:
  - The charitable company's operations, including the nature of its income and expenditure and its services and of its objectives and strategies to understand the classes of transactions, account balances, expected financial statement disclosures and business risks that may result in risks of material misstatement.; and
  - The charitable company's control environment, including:
    - The policies and procedures implemented by the charitable company to ensure compliance with the requirements of the financial reporting framework and relevant laws and regulations;
    - The adequacy of procedures for authorisation of transactions and review of management accounts; and
    - Procedures to ensure that possible breaches of laws and regulations are appropriately resolved.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our Auditor's Report.

**Use of our report**

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an Auditor's Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

**COVENT GARDEN IP LTD****(A company limited by shares and registered charity)**

---

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 DECEMBER 2024**

---

**1. General information**

Covent Garden IP Ltd is a company and registered charity, limited by shares, incorporated in England and Wales. Registered number 12063279, charity number 1185976. Its registered office is Building 3A Suite 100, Glory Park Avenue, Wooburn Green, High Wycombe, HP10 0DF.

**2. Accounting policies****2.1 Basis of preparation of financial statements**

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Covent Garden IP Ltd meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

**2.2 Going concern**

The main risk the charitable company faces is that the income from its investments reduces. This is a possibility. However,

- the charitable company's rental income is highly unlikely to reduce below the charitable company's general ongoing expenses;
- the charitable company has no debt; and
- the shareholder has guaranteed the charitable company future financial support, where necessary.

So there are no material uncertainties about the charitable company's ability to continue as a going concern.

**2.3 Income**

All income is recognised once the charitable company has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Rentals receivable under operating leases and service charge income are credited to the Statement of Financial Activities on a straight-line basis over the lease term.

Grants are included in the Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance Sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

---

**COVENT GARDEN IP LTD****(A company limited by shares and registered charity)**

---

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 DECEMBER 2024**

---

**2. Accounting policies (continued)****2.3 Income (continued)**

Where a donation of a fixed asset is received, it is measured at fair value, unless it is impractical to measure this reliably, in which case the cost of the item to the donor should be used. The gain is recognised as income from donations and a corresponding amount is included in the appropriate fixed asset class and depreciated over the useful economic life in accordance with the charitable company's accounting policies.

On receipt, donated professional services and facilities are recognised on the basis of the value of the gift to the charitable company which is the amount it would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised in expenditure in the period of receipt.

**2.4 Expenditure**

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources.

Expenditure on raising funds includes all expenditure incurred by the charitable company to raise funds for its charitable purposes and predominantly relates to the costs of managing, maintaining and running the investment property.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the charitable company's objectives, as well as any associated support costs.

All expenditure is inclusive of irrecoverable VAT.

**2.5 Interest receivable**

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charitable company; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

**2.6 Investments**

Investment property is carried at fair value determined annually by the trustees, informed by periodic valuations carried out and derived from external valuers and derived from the current market rents and investment property yields for comparable real estate, adjusted if necessary for any difference in the nature, location or condition of the specific asset. No depreciation is provided. Changes in fair value are recognised in the Statement of Financial Activities.

**2.7 Debtors**

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

---

**COVENT GARDEN IP LTD****(A company limited by shares and registered charity)**

---

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 DECEMBER 2024**

---

**2. Accounting policies (continued)****2.8 Cash at bank and in hand**

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

**2.9 Liabilities and provisions**

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the charitable company anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of Financial Activities as a finance cost.

**2.10 Financial instruments**

The charitable company only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

**2.11 Judgements and estimates**

The charitable company estimated the value of the investment property at the period end. The valuation has been based on comparable transactional evidence in the marketplace together with the assessment of the quality and length of the income stream, current rental values, prospects of growth, outgoings and capital values. The carrying value of the investment properties at the year end are £151.3m.

**2.12 Company status**

The charitable company is limited by share capital, incorporated in England and Wales (No. 12063279) and regulated by its Memorandum and Articles of Association.

**2.13 Trustees and employees' remuneration**

The charitable company had no employees during the period and therefore no payments of salary or benefits have been made during the year exceeding £60,000.

Trustees did not receive any remuneration or reimbursement of expenses during the period.
