PEACE AT THE CREASE

TRUSTEES' REPORT FOR THE PERIOD ENDED 31 MARCH 2022

The Trustees present their annual report together with the financial statements of the Peace at the Crease for the year 1 April 2021 to 31 March 2022.

Objectives and activities

a. Policies and objectives

The principal objective of the Charity is to use the popularity of cricket as a tool to promote peace, bring communities together and support progress and development among the Commonwealth Nations.

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

b. Activities undertaken to achieve objectives

As explained in further detail below the Charity has not yet commenced activity.

Achievements and performance

a. Review of Activities

The trustees are optimistic of achieving a heightened level of engagement with the ideas that the charity seeks to promote from cricket in the year ahead. Meanwhile, expenses are being kept to a bare minimum as is evident from the Charity's financial statements.

The Trustees have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the aims and objectives and in planning future activities. The charitable objectives are also set out in order to provide a clear and demonstrable public benefit.

Financial review

a. Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

b. Reserves policy

The Charity defines reserves as unrestricted funds that are freely available to spend on the Charity's purposes.

The Charity maintains a general fund from which charitable donations to beneficiaries will be made. The Charity incurred a small deficit for the period of £1,620.

It is intended that the Charity will continue explore opportunity to raise funds and then make grants of these funds in accordance with the Charity's objects. In light of these activities, it is not the current intention of the Trustees to accumulate reserves. The Trustees do not believe that the Charity needs to hold significant reserves as the majority of the grants and donations it will make will be "one off" in nature and in any event could be met out of the Charity's cash and liquid investments.

The Trustees have concluded that there are sufficient reserves to effectively continue to achieve the objectives of the Charity.

Structure, governance and management

a. Constitution

Peace at the Crease is a registered charity, number 1185992, and is constituted under a Trust deed.

b. Methods of appointment or election of Trustees

The management of the Charity is the responsibility of the Trustees who are elected and co-opted under the terms of the Trust deed.

c. Organisational structure and decision-making policies

Decisions are made by the Trustees at board meetings or by written resolution. Decisions at meetings are made by majority decision; written resolutions must be unanimous. As the organisation is relatively new, a larger structure is not yet appropriate.

A grants committee has been lined up to make recommendations to the Trustees as to which grants to make.

d. Financial risk management

The Trustees have assessed the major risks to which the Charity is exposed, in particular those related to the operations and finances of the Charity, and are satisfied that systems and procedures are in place to mitigate exposure to the major risks.

Statement of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the members of the board of Trustees on 4 January 2023 and signed on their behalf by:

C G Rifkind
Trustee
