Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

To help impoverished children including orphans of Ghana get an education and to give encouragement and support to the parents /guardians in becoming financially sustainable. Thereby reducing the impact of poverty on young lives – equipping them to embrace opportunities.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Our first year of operation has been successful in maintaining eight children in primary education by paying school fees, providing uniform, books, and school lunches. During Covid -19, the charity was able to provide catch up lessons and summer school at opportune times of restrictions lifting, catering for over 40 children.

Thankfully, all provisions were funded by the successful applications for grants, our fundraising efforts of cooking Afro-Caribbean takeaways such jerk chicken, curried goat, and oxtail stew - served with rice and plantain. Sales from our African hand-made merchandise and donations from friends of the charity were valuable contributions.

With a steady flow of grants and sales from fundraising efforts, we were able to increase our commitment to supporting 12 children including one orphaned teenager in vocational training.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- ☐ policy on grantmaking;
- ☐ policy programme related investment;
- ☐ contribution made by volunteers.

Our volunteer in Ghana has been motivated by the mission and vision of the charity. There is much administration and practical, physical aspects of delivering some of the benefits to the children, such as arranging school uniform, shoes etc.

Our volunteer gets to the market to procure these items. This is critical to our care and support.

It is also imperative that we the Trustees receive termly reports on the children's attendance record and academic report. Our volunteer assists with this but it has not been consistent, and many phone call chasings had to be done.

Section D

Achievements and performance

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

The charity main achievements during this year are:

- Maintaining all school fees for the children thereby stability and consistency in their education.
- Provided essentials for the children's education.
- Provided additional/catch up lessons to include over 40 children.
- Regular video chats by the founder to foster a relationship and hence getting to know each child we are supporting.

Covid-19 had caused some setbacks to implement plans to transform the IT capabilities of the school in Kasoa. However, we are pleased to say that this was eventually provided in January 2021.
