## Achievements and performance

### Summary of the main achievements of the charity during the year

Our second year has been challenging due to the continued impact of Covid-19 and lack of in person fundraising events.

We have held two online events, a small garden party and receive small, regular donations through the Paypal Giving Fund. We continue to help with practical things such as paying for cleaners, sending out food hampers, sending out items such as nightwear, post mastectomy underwear.

We worked with a local cupcake company and had these delivered to individuals going through treatment.

**Section E****Financial review****Brief statement of the charity's policy on reserves**

All monies raised are held within our Lloyds Bank Account. The account is controlled by two signatories, Sophie Benson and Laura Bennett. The amount we raise each year determines the amount we spend. Our reserve balance continues to be no less than £2,000 which enables the charity to continue our business.
