Policy on grant making	Para 1.38	<p>The number of applications that can be supported is, of necessity, limited to the amount of funds available for distribution in any one year. The Trustees have determined that the priorities for funding will be:</p> <ul style="list-style-type: none">-subject to other elements of the Trustees grant-making policy, no restrictions are imposed on the purpose for which a grant may be made; thus applications for support towards capital projects, other projects or core costs are considered;- as there are approx. 800 Lions Clubs in the UK, applications from Billingshurst area and surrounding districts are generally given a priority, with those in Lions District 105SE (the counties of Surrey, Kent and Sussex) also being considered. Trustees also consider international funding requests referred to them and by the Lions International organisation;-candidates for support and/or grants are all considered on their own merits, following investigation by the 'Community Services Committee'. However, given that most of the available funds are raised within the local community, those candidates that are local are given special consideration. Using the former as a guiding principle the following are examples of areas adopted for support: <p><u>Local charities</u> - youth groups, groups working with the elderly, residential and nursing homes, individual appeals;</p> <p><u>Youth and children's organisations</u> - sport related groups or individuals, scouting and guiding, youth club activities, young people undertaking overseas assignments;</p>

		<p>Community facilities - relief of hardship for individuals and families, village hall projects, community group initiatives.</p> <p>The above priorities in this policy will be reviewed every year (or more often if deemed appropriate by the Trustees), and may be changed in accordance with the Trustees' view of the most effective application of available funds at any point in time.</p> <p>Exclusions</p> <p>The Trustees will not normally approve the use of funds for medical research of international, national or locally based charities; or for purposes for which government has a statutory responsibility to provide.</p>
<p>Policy on social investment including program related investment</p> <p>(Public Benefits Statement)</p>	Para 1.38	<p>Activities Programmes</p> <p>As well as providing grants to deserving causes within Billingshurst and the surrounding villages the Billingshurst and District Lions club undertakes a number of community services projects every year.</p> <p>Examples of such projects include,</p> <p>For the elderly:</p> <p>We help support many luncheon clubs in the local villages and distribute Christmas hampers to the needy.</p> <p>For the young: We work closely with local pre-schools, primary schools and their associated PTAs, providing reading books for the children, other items required to improve the children's learning and manual labour for such work as decorating and gardening when required.</p> <p>Within the community: As a member of Billingshurst Community Partnership, we work with many other local community organisations, such as the sports club, British Legion and the Scouts and Guides, to help manage and run annual events such as the Billingshurst Show, firework night, car boot sales and the Remembrance Day parade.</p> <p>Our second-hand bookshop remains our principal source of fund raising and also provides a service to the community enjoyed by thousands of locals. We also collect used spectacles, which are graded and sent to developing countries.</p>
Contribution made by volunteers	Para 1.38	Volunteers contribute to our objectives by assisting in our second hand bookshop, during our annual carol collections and at other fund raising and community events.

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	The accounts show a surplus for the year as a result of fewer requests for assistance being received. We have focussed on local community and regional activities, cutting back on donations outside our Sussex region. As a result we hold a healthy level of funds to meet charitable requests and future expenses as they arise and the position is monitored monthly via regular financial reports. Expenses of £24000 included approx. £17000 rent and utilities for our second hand bookshop together with other expenses incurred in putting on our major events.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	The Club's investment policy is to retain all funds in cash with reputable banks. We hold a reserve at 90 days notice with the Charities Aid Foundation.
Amount of reserves held	Para 1.22	Of current cash balances, we endeavour to hold sufficient cash in hand to cover 6 month's rent, lease maintenance and other expenses of our second hand bookshop, our main fundraising activity. We currently hold £10,000 for this purpose.
Reasons for holding zero reserves	Para 1.22	N/A
Details of fund materially in deficit	Para 1.24	No funds are in deficit
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	None. We will continue to manage our funds and donations in line with our fund-raising capability and anticipated regular expenditure.
