The Trustees, present their annual report with the audited financial statements of the charity for the year ended 31 July 2022. The Trustees have adopted the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" in preparing the annual report and financial statements of the charity.

The financial statements have been prepared in accordance with the accounting policies set out in notes to the accounts and comply with the Charity's governing document, the Charities Act 2022 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (January 2022).

About us

Kingdom Empowerment Ministries International Fellowship (KEMIF) is a faith-based charity that advances the Christian religion mainly, but not exclusively, by means of broadcasting Christian messages of an evangelistic and teaching nature for the benefit of the public through the holding of prayer meetings, lectures, public celebration of religious festivals, producing and/or distributing literature on Christian religion to enlighten others about the Christian religion.

We advance in life and relieve needs of young people by providing support and activities which develop their skills, capacities and capabilities to enable them to participate in society as mature and responsible individuals,

We also promote social inclusion for the public benefit by working with people who are socially excluded, to relieve the needs of such people and assist them to integrate into society, through the provision of a local network group that encourages and enables those who are socially excluded to participate more effectively within the wider community and by increasing, or co-ordinating, opportunities to engage with service providers, to enable those providers to adapt services to better meet the needs of that community.

The following person served as trustees during the period:

In preparing those financial statements the trustees are required to:

KINGDOM EMPOWERMENT MINISTRIES INTERNATIONAL FELLOWSHIP (KEMIF)

Report of the trustees

For the year ended 31 July 2022

- select suitable accounting policies and then apply them consistently;

- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and

They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Each of the persons who is a trustee at the date of approval of this report confirms that:

- so far as each of the trustee is aware, there is no relevant material information of which the charity's accountants are unaware; and
- each trustee has taken all steps that they ought to have taken to make themselves aware of any relevant material information and to establish that the accountants are aware of that information.
- Members of the charity guarantee to contribute an amount not exceeding £1 to the assets of the charity in the event of winding up.

KINGDOM EMPOWERMENT MINISTRIES INTERNATIONAL FELLOWSHIP (KEMIF)

Independent examiners' report For the year ended 31 July 2022

I report on the accounts of Kingdom Empowerment Ministries International Fellowship (KEMIF), for the year ended 31 July 2022, which are set out on pages 8 to 15.

Respective responsibilities of trustees and independent examiner

The trustees are responsible for the preparation of the accounts, and they consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act).

Having satisfied myself that the charity is not subject to audit under Charities Act 2011 (the 2011 Act) and is eligible for independent examination, it is my responsibility to:

1. examine the accounts under section 145 of the 2011 Act;
2. to follow the procedures laid down in the general directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
3. to state whether particular matters have come to my attention.

Basis of opinion

My examination consisted of comparing the accounts with the books of account kept by the charity and making such limited enquiries of the officers of the charity as we considered necessary for the purpose of this report. These procedures provide the only assurance expressed in our opinion.

Opinion

In my opinion:

the revenue account and balance sheet for year ended 31 July 2022 are in agreement with the books of account kept by the charity in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (January 2022) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

having regard only to, and on the basis of the information contained in the books of account, the revenue account and balance sheet for the year ended 31 July 2022 comply with the requirements of the Charities Act 2011 (the 2011 Act); and the charity met the financial criteria enabling it to disapply the requirement to have an audit of the accounts for the year

Notes to the financial statements

For the year ended 31 July 2022

1. Accounting policies

The principal accounting policies adopted, judgments and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

a. Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (January 2022) - (Charities SORP (FRS 102)).

Kingdom Empowerment Ministries International Fellowship (KEMIF) meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

b. Judgments and estimates

The trustees have made no key judgments which have a significant effect on the accounts. The trustees do not consider that there are any sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities within the next reporting period.

c. Going concern

The trustees have reviewed the charity's forecasts and projections and are confident that the charity can also fulfil its commitments to its beneficiaries for the period ending 31 July 2022.

d. Fund accounting

Unrestricted funds are available to spend on activities that further any of the purposes of the charity. Designated funds are unrestricted funds of the charity which the trustees have decided at their discretion to set aside to use for a specific purpose. Restricted funds are grants and donations which the donor has specified are to be solely used for particular areas of the charity's work or for specific projects being undertaken by the charity.

e. Income

The Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received, and the amount can be measured reliably.

Income from government and other grants, whether 'capital' grants or 'revenue' grants, is recognised when the charity has entitlement to the funds, any performance conditions

KINGDOM EMPOWERMENT MINISTRIES INTERNATIONAL FELLOWSHIP (KEMIF)

Notes to the financial statements

For the year ended 31 July 2022

attached to the grants have been met, it is probable that the income will be received, and the amount can be measured reliably and is not deferred.

Income received in advance of a provision of a specified service is deferred until the criteria for income recognition are met.

f. Donated services and facilities

Donated professional services and donated facilities are recognised as income when the charity has control over the item, any conditions associated with the donated item have been met, the receipt of economic benefit from the use by the charity of the item, is probable and the economic benefit can be measured reliably. In accordance with the Charities SORP(FRS102), general volunteer time is not recognised.

On receipt, donated professional services and donated facilities are recognised on the basis of the value of the gift to the charity which is the amount the charity would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised in expenditure in the period of receipt.

g. Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the Bank.

h. Expenditure

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure is classified under the following activity headings:

- Expenditure on charitable activities includes all costs undertaken to further the purposes of the charity and their associated support costs.
- Finance costs includes all interest and other costs the charity incurs in connection with the borrowing of funds.

i. Tangible fixed assets

All expenditure of a capital nature on development work overseas is expensed as incurred, while tangible fixed assets in the UK costing more than £100 are capitalized and included at cost, including any incidental expenses of acquisition. Depreciation is provided on tangible fixed assets at rates calculated to write off the cost by equal annual instalments over their expected useful economic lives as follows:

Impairment reviews are conducted when events and changes in circumstances indicate that an impairment may have occurred. If any asset is found to have a carrying value materially higher than its recoverable amount, it is written down accordingly.

j. Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

k. Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

l. Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

m. Gift aid
