Financial Reporting and review

The Trustees have reasonable expectation that the CIO has adequate resources to continue operating for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

The Trustees review the amount of reserves that are required to ensure that they are adequate to fulfil the CIO's continuing obligations on a regular basis at their board meetings.

Structure, Governance, and management

The CIO was formed through a constitution dated 21st October 2019 and commenced activity on 5th November 2019.

The CIO is governed by a constitution which was submitted for approval of the Charity Commission prior to registration which has not been amended. In setting objectives and planning activities the Trustees have given due consideration to the general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a Charity (PB2)

Funding

The CIO's primary sources of funding come from parishioners and supporters of the Assyrian Church of the East in the United Kingdom. Donations are collected in general and for proposed projects undertaken by the CIO.

Regulations and safeguarding

The CIO's Trustees have implemented processes and procedures for compliance of legal requirements of the CIO and its activities:

- a) DBS Checks – a safeguarding officer appointed and overseen by a member of the Trustees has established the CIO's safeguarding policy and identified members of the CIO's Trustees and appointed committee members for DBS certification.
- b) Insurance Policies – The CIO asked for external review of its property and areas of activity for full compliance of its legal obligations.
- c) Health and safety – Health and Safety policy implemented in areas of operation.
- d) Fire Risk Assessment – A risk assessment and Fire Plan were put in place for the Church building including exit and assembly points.
- e) Financial – the CIO has an established finance department to control its finances which included a member of the Trustees of the CIO

The Charity remains committed to adhering to all applicable regulations and standards, including those related to safeguarding. We have continued to review and update our safeguarding policies to ensure the safety and well-being of all members of our congregation, especially children and vulnerable adults.

Overview of CIO activities

Church Renovations and Hall Construction: Thanks to the generous donations and efforts of our community, we successfully completed the construction of a new community hall during the year. This hall is essential for hosting a variety of community gatherings, events, and activities, catering to the needs of both the young and old members of our congregation. The project not only enhances our facilities but also strengthens the sense of community among our members.

The CIO has also been involved with several local charitable campaigns, including toy drives which is done every year among its charitable activities.

Statement of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principles of the Charities SORP (FRS 102);

- Make judgments and accounting estimates that are reasonable and prudent;
- State whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements; and,
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the members of the board of Trustees on 9 September 2023 and signed on their behalf by:

Deacon Younan David Michael

I report to the trustees on my examination of the financial statements of the Holy Apostolic Catholic Assyrian Church of the East ("the charity") for the year ended 31 December 2022 which comprise the Statement of Financial Activities, the Balance Sheet and the related notes.

This report is made solely to the charity's trustees, as a body, in accordance with section 145 of the Charities Act 2011. My work has been undertaken so that I might state to the charity's trustees those matters I am required to state to them in this report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for my work, for this report, or for the opinions I have formed.
